### Resolution

(Continued from Page 1)

all its component organizations, assembled in business session December 21, 1952, express to our pastor, The Reverend Carlton T. Mitchell and Mrs. Mitchell, our heartfelt appreciation for the wonderful work done and the inspiration given to its people during their years of service among us.

Realizing the profound impact of their influence on the entire community, and the physical expenditure of time and energy in unselfish service, thereby creating in the hearts of those who know them a place of warm affection and love that will be permanent and lasting, we humbly bow to the will of God in losing him to a duty and service elsewhere.

As a further expression of our esteem and love, be it resolved that the membership be given the opportunity to make a love offering to them when this resolution is adopted.

We further resolve that a copy of this resolution be given to Mr. and Mrs. Mitchell, another for the minutes of the clerk, and another published in the local paper and Biblical Recorder.
