Have yourself
a HEART-LIFT!

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lilt of larks to its styling — with the breeze-blessed airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance—

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio—

From the new instant getaway of Twin-Turbine Dynaflo*—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness—

From the deep comfort of riding soft and ever-level on all-coil-spring cushioning — of sitting in sumptuous luxury on really wide seats — of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.*

We'll be happy to have you guest-drive one of these stunning new Buicks — and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

*Standard on Roadmaster, optional at extra cost on other Series.
