## District Deputies Feted

The dining hall of the Wakelon School cafeteria was most attractively turned into a living room and dining room combination with furniture for each room when the Wakefield-Zebulon Chapter No. 133 of the Order of the Eastern Star honored District Deputies at a reception.

The honorees were District Deputy Grand Matron Mary G. Bunn and District Deputy Grand Patron Reuben Warfford.

The living room and hall were decorated with beautiful arrangements of mixed spring flowers.

### Guests Greeted at Door

Greeting guests at the door was Mrs. Thurman Murray. Mrs. Willie B. Hopkins, P.M., and Leland Simpson, P.P., introduced guests to the receiving line.

The receiving line was composed of the honorees; Ralph Bunn, P.P.; Mrs. Ivy Wood, W.M.; Albert Pulley, W.P.; Dora Warfford; Helen Rimmer, P.G.M.; Bessie R. Mangum; Glenda Grimes, Gladys Farmer, W.M., of Siler City; and Willie B. Hopkins, P.P.

Mrs. Thurman Hepler and Esker Corbett invited guests into the dining room.

The table was covered with a

## Grady Miller Helps With Festival Plans

Grady Miller, County Farm Agent, met with M. L. Hagwood, president of the Zebulon Rural Fire Department, Inc., and Robert Ed. Horton, chairman of the fire truck project in the Finer Carolina contest, on Tuesday of this week, discussing plans for a farm equipment display for the Farmers Day coming August 12.

green table cloth, two three-branched crystal candelabra with white burning tapers centered on the table. An arrangement of mixed spring flowers and a crystal punch bowl flanked the candelabra.

Mrs. Elizabeth Sutton presided at the punch bowl, assisted by Mrs. Garland Richardson.

Mrs. Melrose Ferrell, Merel S. Pulley, Blonnie Corbett, Mozelle Flood served nuts and cookies.

Mrs. Leland Simpson directed guests to the living room where Mrs. Melba Bunn and Elwood Perry presided over the register.

Goodbyes were said to Mrs. Cleo Perry, P.M., and William Bunn, P.P.

Mrs. R. S. Sledge of Zebulon and Mrs. H. L. Hendricks of Rocky Mount gave a barbecue supper Saturday, July 25, at the Riverside Park in Rocky Mount to celebrate the birthday of their father, W. J. Manning. There were two of his children, seven grandchildren, and a few of his great-grandchildren present. Some friends were also present.

Capt. and Mrs. H. K. McDevitt and children left Thursday to return to Eglin Field, Fla., after spending three weeks with Mrs. McDevitt's mother, Mrs. Urtrice Carter.

Mrs. J. Irving Brooks and Mrs. Robert Harris and Bobby of Roxboro are spending a few days with Mr. and Mrs. Fred Page.

Mrs. Earl Horton, the Ed Ellingtons, Mr. and Mrs. Charles Horton,

## Testing of Soil Is Recommended For Fall Crops

Now is a good time to have soil samples tested from fields to be planted to Ladino clover pastures, small grains and other fall crops, according to W. C. Johnson, soil testing specialist with the State Department of Agriculture.

Johnson says many of these soils may need lime and says it is best to apply the lime and work it into the soil two or three months before the crop is planted. And it is always best to apply sufficient lime to last several years. A soil test is the only sure way of knowing just how much lime is needed.

Johnson says that in order to (Continued on Page 5)

## Cadet John Terry Completes Training

Cadet John C. Terry, son of Mr. and Mrs. John G. Terry of Zebulon, a Junior at N. C. State College, is one of the 800 cadets who completed the six-week officer training program at the ROTC Summer Camp, Fort Belvoir, on July 31.

During his tour at The Engineer Center, Cadet Terry received training designed to develop his leadership ability through the regular assignment of command responsibility and to school him in the fundamentals of the Army Corps of Engineers.

Having completed this training, and upon completion of his formal education, he will be eligible for a commission as a Second Lieutenant in the United States Army Reserve.

## Money Requested By General Clark For Camp Shows

The United Defense Fund has been requested by General Mark W. Clark, U.N. commander in Korea, to drastically step up schedules of USO shows on the signing of the cease-fire order. To meet General Clark's request the United Defense Fund will need an extra \$50,000 a month for ten months over and above amounts already allocated to the agencies for 1953.

### Information Telegraphed

This information was received by telegram yesterday in a wire to J. C. Debnam, president of the Zebulon Community Chest, from James H. Doolittle, National Campaign Chairman, United Defense Fund, Inc.

The United Defense Fund is a participating agency in the Zebulon Community Chest. Last year \$205.00 was given to the United Defense Fund as its share of contributions paid to the Community Chest.

### Funds Not Available

Funds are not available in the Community Chest except those designated for Scout work and emergency welfare, according to R. Vance Brown, treasurer.

To assist in the national effort to raise funds to finance USO-Camp Shows in Korea, President J. C. Debnam requested that contributions be given or mailed to him or to Treasurer Brown. He asked an immediate response to the appeal.

## Rain Helps Crops In Scattered Areas

Local showers Wednesday helped crops in some sections, but in most of the communities surrounding Zebulon the dry weather threatened to completely ruin an already badly damaged tobacco crop.

Much of the young tobacco, in fields which had to be replanted because of hail, disease, and dry weather, needs rain now in order to be ready for late September burning.

### Situation Critical

The critical situation is indicated by the farmer, it was either Jack Mitchell or H. H. Eddins, who planned to borrow money from the bank to install an irrigation system for his tobacco. "You better go down and borrow that money now," he was advised, "or you aren't going to have any tobacco to save."

## Alley Paved

The alley running between the municipal building and the stores that face Arendell Avenue was paved this week with plant mix asphalt.

Many of the drives to homes in town have been paved with the same surface during the week.

## Rotary Meeting

Reports by the chairmen of the four service committees will be made tonight at the meeting of the Zebulon Rotary Club.
