Important United Fund Meeting Set for Tonight To Make Final Decision

Tonight at 7:30 there will be a meeting of the full board of directors of the Zebulon United Fund in the Carolina Power and Light Company offices. Since there are many important decisions to be made before the campaign for funds can be held this fall, President J. C. Debnam urged all members to be present.

CITES APPROVAL

J. C. Debnam

Mr. Debnam, president of the Zebulon Community Chest, announces an overwhelmingly favorable response to the proposed United Fund campaign for this community in 1953-54.

Visitors Approve CP & L Offices

Several hundred visitors looked over the beautiful, air-conditioned quarters of Carolina Power and Light Company in Zebulon during an open house held last Friday night. Employees of the power company were present to great visitors and answer any questions.

The offices of the company have been completely changed. New fixtures have been installed in the front, and the entire building has been given over to office space.

The offices are cooled in summer and heated in winter by a "heat pump" which does both operations automatically. The installing contractor estimated cost of operation of the unit at \$1.00 per day.

In the front office, pictures of the Carolina Power and Light Company power plants, from the mountains to the coastal plains, were on display.

A major item of business tonight will be the appointing of the Budget and Admissions Committee, which will be composed of a cross-section of the United Fund membership, and a Publicity Committee.

The Budget and Admissions Committee will begin work immediately to study local and national needs in relationship to the community's potential donations. At a later board meeting this committee will submit a list of eligible agencies and suggest a sum to be raised for each by the Zebulon United Fund.

Board members other than President Debnam are as follows: Wilbur Debnam, vice-president; Mrs. Billy Privette, secretary; Mrs. W. W. Watkins, Mrs. R. H. Herring, Mrs. S. G. Flowers, Mrs. Vernetta Harris, Mrs. Vera Rhodes, Gilbert Beck, Wilson Braswell, Ralph Talton and Ed Hales, directors.

At a meeting held last Tuesday night Mr. Debnam announced the overwhelmingly affirmative response to the post card ballots sent to Community Chest members asking whether they favored the United Fund. Only seven negative votes were received.

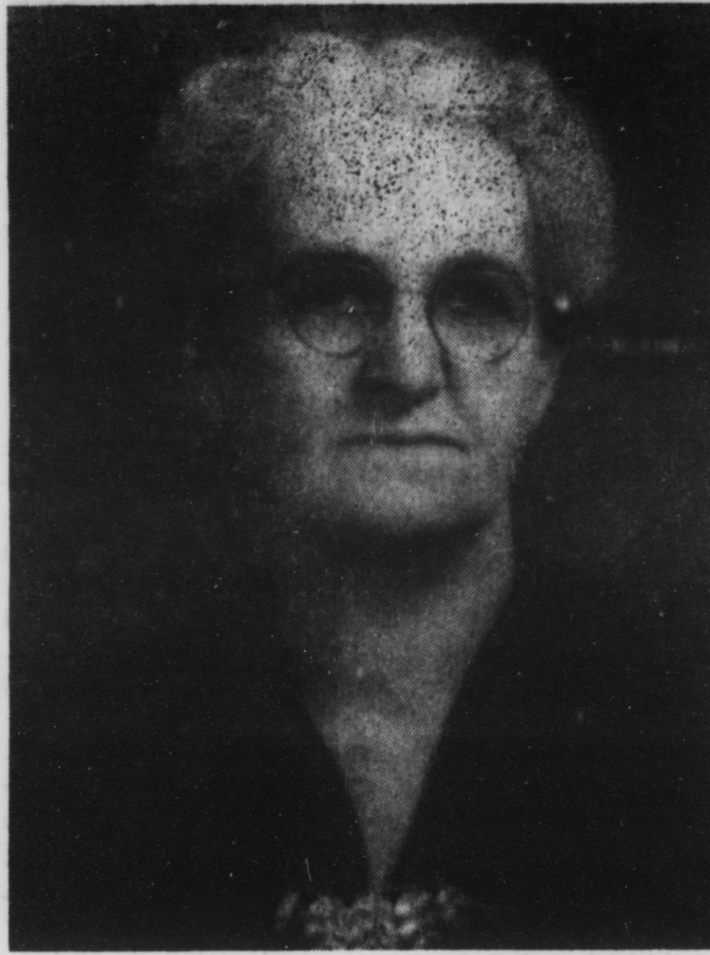

Bronfil Present

Harold Bronfil, field representative for the United Red Feather Organizations, was present again Thursday night. He congratulated the board on the manner in which it directed the Community Chest drive last year as well as upon the work that has been done thus far in setting up the United Fund. "You're on your own now," he stated, "so I'll just fade out of the picture, if you don't mind. Call on me if you need me."

Masons to Meet In Lodge Tonight

An emergent communication of Zebulon Lodge No. 609, AF&AM, will be held in the local lodge rooms at 7:30 p. m. tonight, according to Clarence M. Hocutt, master of the Zebulon Masons. There will be work in the first degree, and all Masons in good standing are invited to the communication.

JUNIOR CLUB DEDICATES ANNUAL TO LATE LEADERS

Mrs. Bessie Farmer Davis

Mrs. Pearl Jones Massey

The 1953-54 Year Book of the Zebulon Junior Woman's Club, which will be distributed tonight, is dedicated to the late Mrs. Massey and Mrs. Davis with the following citation: "Our Year Book is dedicated in loving memory to Mrs. Pearl Jones Massey and Mrs. Bessie Farmer Davis, who generously gave of their time and work to the Junior and Senior Woman's Clubs of Zebulon. Their unselfishness in all things has provided inspiration and encouragement to all of us . . ."

FIFTH DIVISION

11.68 Miles of Paving Completed in August

The State Highway Commission completed 11.68 miles of paving in Wake County during the month of August, Commissioner Donnie A. Sorrell of Durham reported today.

The following roads, and their lengths, were hardsurfaced:

From B. A. Weathers Farm to C. N. Robertson Store, 2.9 miles; from Buck Perry's Store to the Fowler Road, two miles; and from edge of pavement on McCuller's Road in Apex, east to beginning of paved road in Macedonia. The first two projects have 18-foot wide pavements and were financed by the secondary road bond program. The third project has a 20-foot wide pavement.

Seven Counties

The Fifth Highway Division composed of Durham, Franklin, Granville, Person, Wake, Warren and Vance counties brought a total of 23.5 miles of paving to completion during August, Commissioner Sorrell said.

Headquarters for the Fifth are in Durham; Hunter Irving is division engineer.

Mrs. Simms, Mrs. Potter To Speak to Local Clubs

Mrs. Jack Potter will speak on the work of the Children's Home Society of Greensboro at the meeting tonight of the Zebulon Junior Woman's Club, to be held at 8 o'clock in the Woman's Clubhouse. The Children's Home Society is one of the main projects sponsored by the Junior Woman's Clubs in North Carolina.

The Ways and Means committee, under the leadership of Mrs. James Creech, will present plans for the food booth to be run at the Five County Fair this year.

The 1953-54 handbooks will be given the members. They include this year both the history of the organization and the newly-adopted constitution.

A reception will be held for new members. All those who want to join the club are urged to attend this meeting.

Mrs. R. N. Simms will be guest speaker at the meeting of the Zebulon's Woman's Club this afternoon at 3:45 in the first meeting of the new year. Plans and programs for the coming year will be given during the business session.

Mrs. W. R. Whittenton is president of the club, elected by the executive officers of the club last Friday night.

Membership Drive

At the executive meeting, held in Mrs. Whittenton's home, the committee chairmen gave reports of programs for the coming year. A membership drive was discussed, and a campaign will be conducted to enlist new members and reinstate old members.

Following the business session, Mrs. Whittenton served Russian tea and cookies to those present.

Wake Farm Bureau Sets Week For Intensive Membership Drive

The membership campaign for the Farm Bureau groups in Wake County will be a vigorous one-day affair this year, the Wake County Farm Bureau organization decided at a meeting held last Friday night in Raleigh. The drive will be held Tuesday, September 29.

Rally and Promotion Day Set for Methodist S. S.

A Rally and Promotion Day will be held Sunday, September 27, at the Zebulon Methodist Sunday School, according to a decision made Friday night at a Sunday School executive meeting. All parents are urged to attend the morning service with their children.

Promotion services will be held for children through the Senior Department following the lesson period.

Representatives from Zebulon at the Raleigh meeting were President Dewey Massey of the local Farm Bureau, Dr. and Mrs. L. M. Massey, Raymond Averette, M. L. Hagwood, and Robert Ed Horton.

Those at the meeting voted to ask Governor William Umstead to declare the week beginning September 28 as Farm Bureau Week throughout North Carolina.

Scheduled Earlier

The membership drive is planned earlier this year than in the past because the date of the North Carolina Convention has been moved up to November 15-17 so that it can be held before the National Convention the second week in December.

Directors' Meeting

The directors of the Zebulon Bureau will discuss the coming membership drive at a meeting Thursday night at 7:30 in the Zebulon Municipal Building.

JUST VISITING AROUND

Checking on the City Churches

By Theo. B. Davis

Since the "old men's Bible class" at the Baptist church has disbanded I have been more or less visiting around. So a few Sundays ago I attended S. S. and worship at Hayes-Barton church in Raleigh where my daughter teaches a class. Hayes-Barton is different from most other churches, having a great many lawyers and other professional men in its membership. Good friend Wilbur Bunn piloted me through the services. I was both pleased and surprised at the simplicity of its worship.

The Sunday School is conducted very much like ours in Zebulon, only the introductory part was

quite different. After a hymn and prayer, Mrs. Wilbur Bunn introduced a woman seeming to be a foreigner, a "displaced person" I presume. She was dressed in a long plaid skirt and old fashioned split bonnet. Her words were quite impressive. Mr. Bunn took me to the Baraca class. A young man taught the class. His preparation and delivery was as thorough as a minister would make his sermon.

There was a ten minute intermission between S. S. and church. The folks during this period just visited around — like country folks. Ushers were at all doors from the start to show the people to seats. I sat near the front between Sherwin Williams and H.

V. Scarboro. The church was well-filled.

The services were without show of dramatics of any sort. It began with the doxology and brief invocation. "O day of rest and gladness" was sung, followed by the Scripture lesson and prayer. Visitors were asked to sign cards. The congregation sang "Stand up, stand up for Jesus" very lustily after which the offering was taken. The "Lord's Prayer" was sung softly this time. This was the only special music.

Dr. Kincheloe, the pastor, after making announcements, came down from the pulpit with his Bible in his hand, stood before the
