# THE ZEBULON RECORD

Vol. XXVIII. No. 4.

Zebulon, N. C., Tuesday, October 13, 1953

Theo. Davis Sons, Publishers

## ORPHANS RECEIVE TENDER CARE

Shown above is a typical group of school-aged boys, any one of whom may find a home through the efforts of the Children's Home Society of North Carolina. Money contributed to the Zebulon United Fund will help support this non-profit, non-denominational, non-governmental organization.

## Community Elections Set For Wake PMA Groups

Community elections will be held in Wake County's 19 designated agricultural communities on Thursday, October 15, from 9 a. m. to 6 p. m. to elect three members of a community committee and two alternates and a delegate and alternate delegate to the County Convention. The newly elected members will take office immediately.

The Production and Marketing

### Homecoming Sunday

Friendship Free Will Baptist Church of Middlesex, Route 1, will observe its Annual Homecoming Day on the Fourth Sunday, October 25, with a full day of activity.

Sunday School will convene at 9:45, and morning worship will be held at 11:00. The "Tithes and Offerings" for the year for church improvement will be taken at this time.

All former pastors, members and friends are invited to worship and enjoy the fellowship of the church at this homecoming.

Administration Programs administered by the committeemen include the Agricultural Conservation Program, Price Support Program, Marketing Quota and Acreage Allotment Programs on tobacco, peanuts, wheat, and possibly cotton, and other programs which they may be called upon to carry out.

Polling places in the Zebulon trade area include the Zebulon Town Hall for Little River; D. B. Jones Store for Little River; Wendell Town Hall for Marks Creek; and Rogers Store, Rolesville, for Wake Forest.

Every farmer in each community in Wake County, whether he is owner, tenant, operator, or sharecropper, is eligible to participate in the election and in any program administered by the County PMA Committee.

According to C. M. Hester, Wake County PMA Office Manager, farmers should vote "whether they are satisfied with the administration of the committeemen now or not. The right to vote means nothing if it is not used."

## District Governor Pays Annual Visit To Rotary Club

Rotary International has enjoyed an amazing growth inspired by its ideal of service, District Governor P. D. Midgette, Jr., told members of the Zebulon Rotary Club last Friday night. The head of District 278, which extends from Burlington to the Atlantic Ocean, paid his official visit to the Zebulon group and conducted a special assembly for officers following the meeting.

The District Governor cited the history of Rotary to show how it began and grew without benefit or need of paid organizers through the efforts of its members.

Begun in Chicago in 1905 by a lawyer, Paul Harris, it gained its name of Rotary from the original practice of rotating its meetings to include the businesses of all its members.

It became international in 1910 when a club was organized in Canada, and today there are 8,000 clubs in 88 countries with more than 375,000 members.

Among projects of community service encouraged by Rotary is work with crippled children. Governor Midgette called attention to the Tarboro Rotary Club which has sponsored an orthopedic clinic for some years, performing a wonderful service.

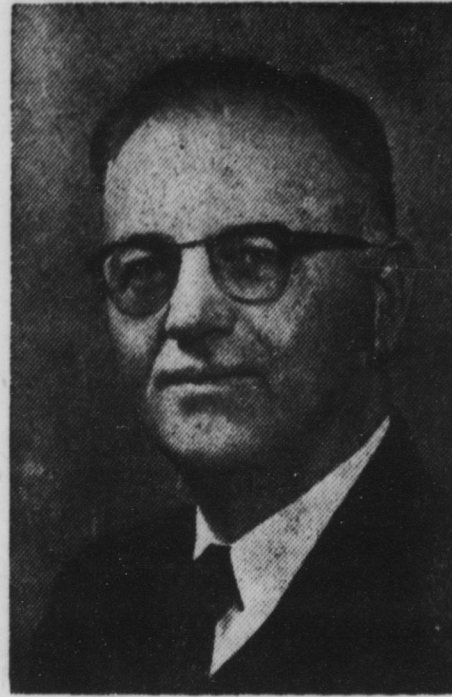

At the time the Rotary Club at Englehard was organized, the town was the smallest in the world to have a Rotary organization. Gov. Midgette is a charter member of the Englehard club.

During the club assembly he reviewed the work of the committees of the local club, offering suggestions made at the international Rotary Convention held last summer at Lake Placid, New York.

### On Dean's List

Miss Norma Faye Bridges has won an honor standing at Mars Hill College and has been placed on the Dean's List for the first semester. She will complete her studies at Mars Hill in June of next year. The daughter of Mrs. Ivey Bridges of Wendell, Route 2, she is a graduate of Wakelon High School.

## SPEAKS HERE

P. D. Midgette, Jr.

The Governor of Rotary District 278, Mr. Midgette made his official visit to the Zebulon Rotary Club last Friday night, speaking at the regular meeting and conducting a special assembly for club officers following the meeting. He is from Englehard.

## BROOM SALE

### Lions Club Now Ready To Make 1953 Effort For Blind Aid Funds

The annual Broom Sale, sponsored by the Zebulon Lions Club, will be held Thursday night after the regular meeting of the Lions, and will continue on Friday and Saturday to cover every home in town.

Plans are being made now for the White Cane drive to gain funds for helping the blind in North Carolina. Local members of Lions International will join hands with the North Carolina State Association for the Blind in the Association's Annual White Cane Sale.

### White Cane Buttons

The Lions urged that when a member approaches anyone on behalf of the Association for the Blind, the person buy a White Cane Button. Kindness now may prevent blindness later for many Carolina citizens, the Lions say.

Support for the blind is a major project of all Lions Clubs.

## Town of Zebulon Privilege License Taxes to Increase

The cost of privilege licenses in the Town of Zebulon will be computed according to a schedule prepared by George Franklin, General Counsel for the North Carolina League of Municipalities, the Board of Commissioners decided at the October meeting of the group. The new schedule will require a separate license for each different line of merchandise offered for sale by Zebulon stores.

While this schedule will not necessarily raise the cost of the individual privilege license, it will increase privilege license revenues because many merchants will be required to buy more than one license.

The motion adopting the new schedule was made by Frank Wall, seconded by R. Vance Brown. Only Wesley Liles opposed the measure.

The water tank, in need of cleaning and paint, will get the required attention, the Board decided. The Commissioners voted to have Universal Construction Company clean and paint the tank, inside and out, with Peden Steel Company of Raleigh making inspections before and after the work.

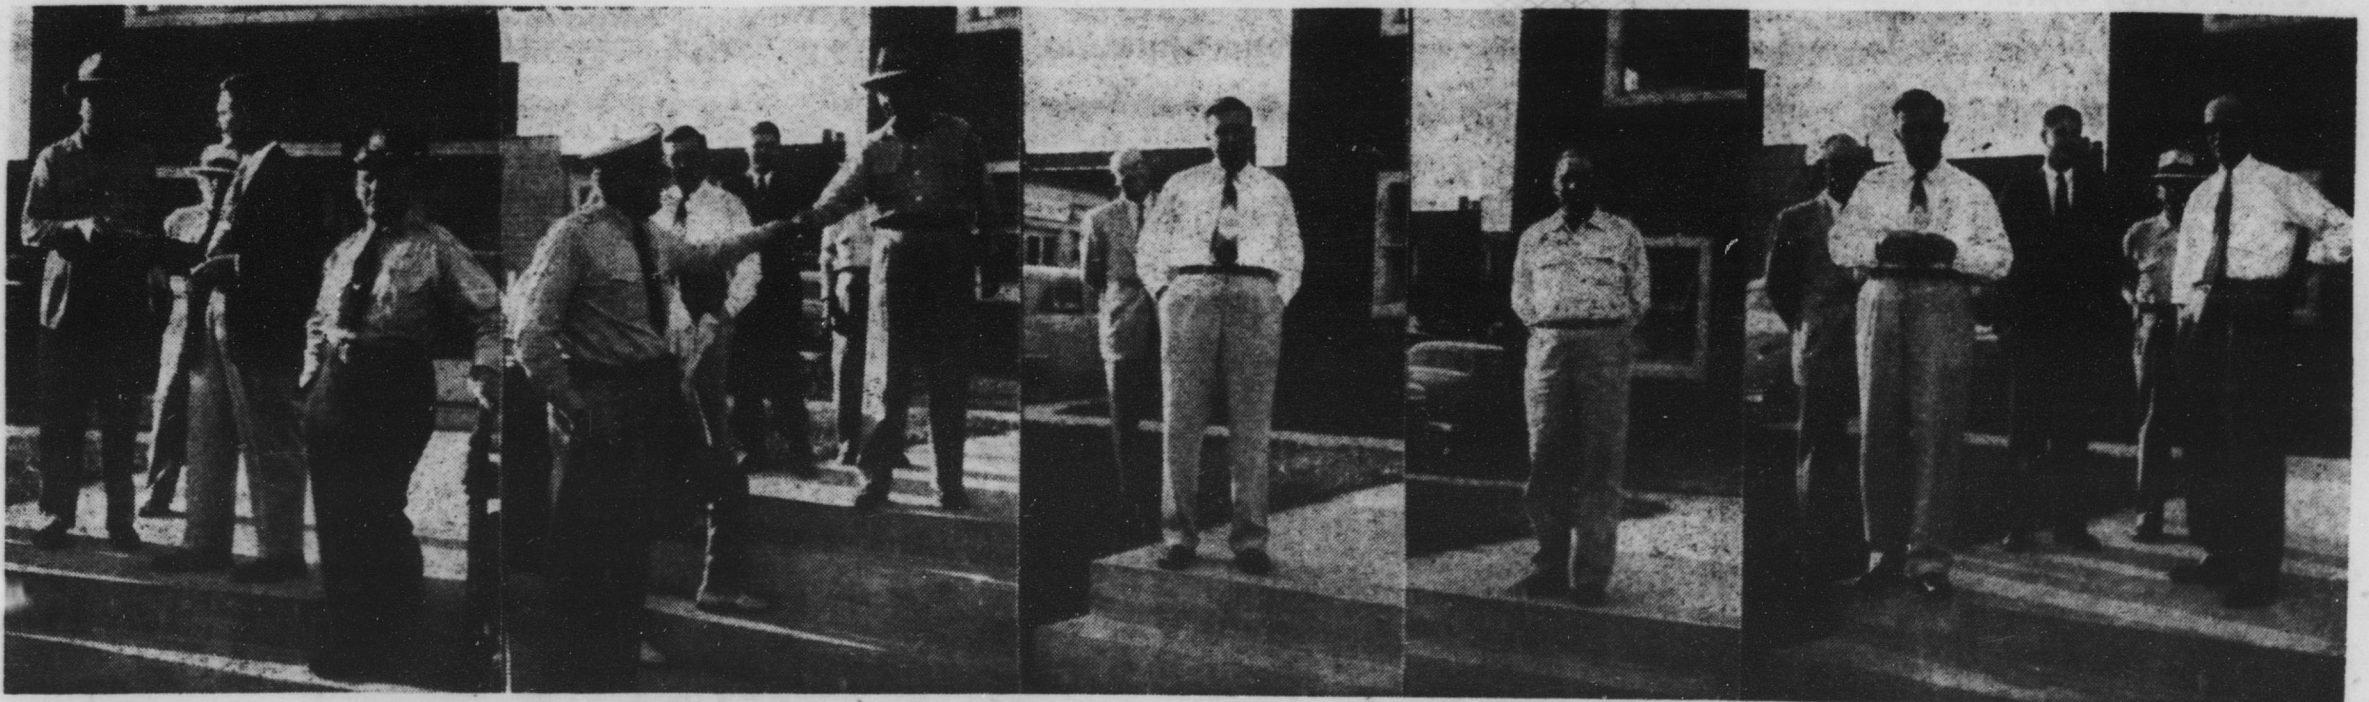

The Board voted to order 200 feet of 1½ inch hose and a 1½ inch fog nozzle for the new rural fire truck. This equipment will be in Zebulon whenever needed and is stored in the Zebulon fire station.

Town Manager Willie B. Hopkins got a raise, the Commissioner decided, effective October 1. Now Hopkins, who holds a multitude of jobs for the town, will be paid \$375 a month by the Town of Zebulon and \$25.00 a month by the Recorder's Court.

Commissioner Vance Brown moved that the Town advertise for a police car, complete with heater. The motion was seconded by Frank Wall and passed unanimously.

Present at the meeting were Mayor Worth Hinton, Town Manager Willie B. Hopkins, and Commissioners R. Vance Brown, Howard Beck, Wesley Liles, Frank Wall, and Wilbur Debnam.

## THESE FOLKS TOOK PART IN RURAL FIRE TRUCK ACCEPTANCE OCTOBER 3

It was a great day in Zebulon when the new bright red fire truck was accepted by the Zebulon Rural Fire Department, Inc., ending a long wait for the members of the fire fighting organization. Jerry Hagwood was on hand with his Polaroid camera to record the activities. Left to right, the photographs show Barrie Davis, master of ceremonies for the occasion, presenting the key to the fire truck to M. L. Hagwood, president of the Zebulon Rural Fire Department, Inc.; President Hagwood presenting

the key to Willie B. Hopkins, Zebulon fire chief who will train the new firemen; Robert Ed Horton, chairman of the Fire Truck Project, telling of those who assisted in soliciting memberships; Dewey Massey, president of the Zebulon Farm Bureau, speaking on behalf of the sponsoring organization; and, in the photo at the right, Mayor Worth Hinton of Zebulon, Robert Ed Horton, the Rev. Bev. Asbury, John Broughton, and Ed Hales, who is speaking on behalf of the Finer Carolina Group.
