RURAL FIRE TRUCK TO BE FEATURED ON TV SHOW

The Zebulon Rural Fire Department, Inc., will be featured on Greensboro's television station Wednesday from 12:00 until 12:15 with four representatives of the organization present to tell of the project. Shown here with the beautiful red truck are, left to right, Ed Hales, chairman of the Finer Carolina Steering Committee; Dr. L. M. Massey, director of the North Carolina Farm Bureau; Dewey Massey, president of the Zebulon Farm Bureau, sponsoring organiza-

tion; M. L. Hagwood, president of the Zebulon Rural Fire Department; Horace Gay, treasurer of the Department; Willie B. Hopkins, Zebulon town manager and fire chief; Robert Ed Horton, chairman of the Rural Fire Truck Project entered in the Finer Carolina contest; and Grady Miller, Wake County Farm Agent who worked with the local group during the campaign to obtain the truck. The truck is stationed in the Zebulon municipal building.

Guard Unit Faces Federal Inspection; Recruiting Efforts Bring In Inquiries

Thursday night is the big drill of the year for Zebulon's National Guard unit, because on Thursday night the artillerymen of Battery A will undergo their annual inspection by the Third Army Inspection General.

The rating earned by National Guard units for the year's work is determined to a large degree by the grade received on this annual inspection.

During the afternoon records and equipment belonging to the unit will be carefully checked by the inspector. At the evening drill he will inspect and question each man to determine his state of training. The instructional periods will be observed and graded.

Following the drill the Inspector General will meet with the officers and non-commissioned officers to discuss his findings.

Last night final preparations for the inspection were made by Battery A. This included a check of all equipment.

The transfer of Lt. Amos G. Hensen to Battery A from Forest City was announced last week by Capt. Barrie Davis. Lt. Hensen is a graduate of the Ft. Sill, Oklahoma, Artillery School and is a student at N. C. State College. He will

Rural Fire Truck Again Goes to Rescue

The Zebulon Rural Fire Department was called to help fight a fire in the brooder house at Tarpley's Mill late Sunday night. The fire was quickly brought under control.

Mr. Tarpley was battling the fire and holding it in check when the rural fire truck arrived, and the 750-gallons of water on the truck proved sufficient to extinguish the blaze.

be assigned here as instructor of the Fire Direction Center.

Lt. Jack Tippet leaves today for the Artillery School at Ft. Sill. He will receive 15 weeks of instruction before returning to the local unit.

Efforts at recruiting at least 20 men before December are paying off, according to WO Johnsey P. Arnold, administrative assistant of Zebulon's National Guard unit. WO Arnold said that more and more inquiries from young men are being received in his office, and he expects Battery A to have at least 75 officers and men when it moves into its new armory.

Men between the ages of 17 and 18½ are eligible for membership in the National Guard. As long as they are active in the Guard, they are deferred by Selective Service Boards.

D. D. Speaks to Rotary

Living Was Rugged in Olden Times

Living was rugged back in the days of the Civil War, D. D. Chamblee told fellow members of the Zebulon Rotary Club last Friday night, relating legends and stories told him by his people and oldtimers who lived in this community at that time.

He was introduced by Ferd Davis program committee chairman, who described D. D. as one of the "youngest" members of the club, because of his youthful spirit.

Masonry played an important part in the religious and educational progress of the community, the speaker related. Masons were responsible for establishing both the Wakefield and Zebulon Baptist Churches and the Wakefield and Wakelon Schools.

STAGE STAR

Miss Corinne Bissette is a featured performer in the Manny Davis production of "Twin Beds," now featured in the WRVA Theatre in Richmond, Va.

Auto Registration Climbs to Record

Registration Director Foy Ingram of the Motor Vehicles Department said today that total motor vehicle registration in North Carolina had climbed to a new high.

Through October 20, Miss Ingram reported there were 1,357,655 cars, trucks and buses on record.

This figure compared to 1,272,975 through a comparable period last year.

As for new car registration Miss Ingram had figures available through September. During that month there were 13,103 new cars and trucks registered with the Motor Vehicles Department, the highest monthly total since February, 1951.

For the nine months ending September 30, the Registration Director reported a total of 1,272,975 registrations.

United Fund Drive Extended in Effort To Raise \$5,000

Sixty percent of the goal has been received for Zebulon's United Fund, according to Ralph Talton, chairman of the Solicitations Committee, and the campaign is being extended through Friday of this week in order to give the workers in the residential districts more time to contact every person.

According to the campaign chairman, over \$3,000 had been reported by yesterday afternoon. This exceeds last year's Community Chest quota, but is far short of the goal set for the 13 agencies participating in the United Fund.

The business district, as usual, is first on the list of contributors. Vance Brown, who is contacting the businesses, reported over \$2,000 in contributions through yesterday.

The employers and employees of Beck Brothers Veneer Plant reported contributions of \$290 to the United Fund.

Faculty members of Wakelon School gave \$239 to the Fund.

Chairman Talton said that no financial reports had been received from any captains in the residential areas or from the booths manned by members of the Junior Woman's Club. He expressed optimism that the \$5,000 goal will be exceeded by Friday.

A complete list of members of the United Fund who contribute more than \$1.00 will be published in the Zebulon Record at the conclusion of the drive.

Agencies included in the United Fund with the amounts set aside for each are Local Recreation Commission, \$1,000; Girl Scouts, \$350; Boy Scouts, \$531; Local Welfare, \$265; School Lunches, colored and white, \$400;

Red Cross Relief, \$650; Wake County Cerebral Palsy, \$250; Cancer Relief, \$218; Polio Relief, \$650; Heart Relief, \$200; Children's Homes Society of North Carolina, \$100; and United Service Organization, \$186.

Those contributors who want to give to specific agencies may indicate their choice on the membership cards, Chairman Talton said.

Local Lass Stars In Road Production

Miss Corinne Bissette, daughter of Mrs. Dolly Bissette and sister of Harry Lee Bissette of Zebulon, is a star of the Manny Davis production, "Twin Beds," now playing in Richmond, Va., for four days. The play is on a national tour which will include New York and Boston, before playing in Canada.

Miss Bissette is a graduate of Bunn High School and Woman's College in Greensboro.

Among the shows featuring Miss Bissette have been television performances in New York, including "Martin Kane, Private Detective," over NBC-TV, and "Plainsclothesman" with Dumont.

TURKEY SHOOT

A turkey shoot will be held at the Zebulon Airport Saturday, November 7, beginning at 1 o'clock, sponsored by the Zebulon American Legion Post No. 33.

The public is invited to attend the shoot. "Bring your own gun," Casey Stallings, who is directing the shoot, said. "We'll furnish the shells and the turkeys."
