*Pine State Ice Cream hits the spot
Adds to the energy you've already got,
Gives you strength and gives you pep,
Puts back the spring gone from your step*

Tip:

Take home enough easy-to-serve-from cartons of good Pine State Ice Cream.

Thrill Maker from start to stop *(That's T.T. Dynaflow!)*

SOMETIME soon — like this week — you ought to try a Buick with Twin-Turbine Dynaflow.*

You ought to try it just to be familiar with the great advance in this fully automatic transmission that Buick engineers have accomplished.

You ought to try it just for the fun of bossing a drive where you don't do a blessed thing but steer and press the gas or the brake pedal as you go.

But, pure and simple, you ought to try it for thrills.

We mean the thrill of instant getaway response—with *two* turbines doing the job that one did before.

We mean the thrill of whisper-quiet acceleration — where you barely hear

the sound of power build-up, or of flowing oil at work.

And, most emphatically, we mean the thrill of perfect and sublime smoothness from start to stop — the thrill of moving from standstill to and through all travel ranges in one, progressive, infinitely smooth forward "carry" without a gear ever shifting or a clutch-pedal pushed — the thrill, rarely found elsewhere, of silky smoothness in *deceleration*, too.

Will you be our guest at a sampling of a Buick with TT Dynaflow?

Will you try the sweetest, the smoothest and the simplest-to-operate automatic transmission yet devised — and powered by the highest-compression engines in Buick history, including the

world's newest V8 in SUPER and ROADMASTER models?

Drop in on us this week and we'll be happy to accommodate you.

It's Trade-In Time for a Better Deal

You'll be thrilled with the top allowance we will make on your present car. Come in and see us for the happy news — now. We can give you immediate delivery.

When better automobiles are built Buick will build them

THE GREATEST **BUICK** IN 50 GREAT YEARS

*Standard on Roadmastery optional at extra cost on other Series.
