

BETHANY

112 at Sunday School; W.M.U. Will Meet Friday, December 11

Mrs. Mabel Williford

There were 112 present at Sunday School Sunday.

The W. M. U. will meet Friday night, December 11, in the home of Mrs. John Blackard.

The Clyde Weathers Bible Class held its monthly meeting in the

church annex Monday night.

Flowers placed in the church for the month of December are furnished by Mrs. John Blackard and Mrs. G. H. Cox.

Mrs. Melvin Ray expresses her sincere thanks and appreciation to the Ladies Adult Class for the vacuum cleaner that has been given to the church. Mr. and Mrs. Ray are caretakers of the church.

Mrs. C. H. Horton is under the doctor's care.

Miss Edith Duke continues ill at Rex Hospital.

Mr. and Mrs. George Gurley of

Wendell, Route 2, announce the marriage of their daughter, Helen Gurley, to Mr. Alfred Riley of Neuse.

Mrs. Kearney Faison and children visited Mrs. Romie Green in Raleigh last Thursday.

Mr. and Mrs. Jim Watkins and son of Rockingham spent the weekend with her parents, the G. H. Coxes. Mr. and Mrs. Jimmy Crosby and children of Raleigh joined them on Sunday.

Mr. and Mrs. Harold Nugent of Raleigh visited relatives here Sunday.

Mr. and Mrs. Dorsey Williford and the Bill Arnolds of Raleigh visited in the community Sunday.

Ricky Bell, one of our teen age boys was on television last week as a ventriloquist. He is the son of Mr. and Mrs. Joris Bell, Jr.

Mrs. Maynard Puryear and son, Donald, of Youngsville called at Mrs. Lennie Williford's Tuesday night.

Mrs. T. M. Watson prepared a supper for Mrs. Romie Green and family of Raleigh and Mr. C. T. Watson and family. Honoring Mrs. Green's and Mr. Watson's birthdays.

Mr. and Mrs. Bennie Williford and children of Rocky Mount spent Saturday with Mr. and Mrs. E. E. Williford.

Mrs. Ollie Young and Mrs. Willie Watson called to see Mrs. Ira Dean Sunday afternoon.

Mr. and Mrs. S. J. White of Raleigh spent the weekend with Mrs. Ruby Williford.

The Dexter Stells of Raleigh visited Mr. and Mrs. Fletcher Stell Sunday.

Miss Frances Jones is visiting Mr. and Mrs. Jack Frazier near Zebulon. Mr. Frazier was hurt in a mule and wagon accident last week.

Mrs. Kearney Faison and children spent Monday with Mrs. Edd Woodall in Raleigh.

Mrs. T. Y. Puryear, my mother, spent Wednesday with me.

Mr. and Mrs. Walter Blackard and son of Clinton spent the

weekend with his parents, Mr. and Mrs. John Blackard.

Little Miss Gloria Watkins visited her grandmother in Henderson recently.

Little Miss Dona Hopkins spent the weekend with her daddy, Mr. W. H. Hopkins.

Mr. and Mrs. Ben Ellington and

family visited the Kinchen Liles and the Lennie Liles Sunday afternoon.

Mr. and Mrs. Fred Liles of Baltimore, Md., visited Mr. and Mrs. Brodie Baker and other relatives here last weekend.

Dear Mr. Farmer:

Are you dissatisfied with your present plant bed treatment? Is your wife and family accustomed to picking plant beds; catching colds and pneumonia, and bruising and destroying plants? If this happens on your farm, you should become acquainted with DOWFUME MC-2.

1. DOWFUME MC-2 gives complete control to all grass and weed seed to the depth that the land is broken; that is from six to eight inches deep.
2. DOWFUME MC-2 gives you absolute and complete control of nemotodes in plant beds. It is an established fact that most of the bad cases of nemotode in the field come from nemotode-infested plants in the plant bed.
3. DOWFUME MC-2 will kill all soil born insects such as grub worms, etc. that are in the bed at the time of treating. This would mean ridding many of your plant beds of grub worms and similar types of insects.
4. DOWFUME MC-2 requires no special time limit in applying. You can treat as late as 48 hours before you sow your plant bed; in other words, it requires 24 hours of time to treat and 24 hours aeration before you sow your plant bed.
5. DOWFUME MC-2 is simple and easy and quick to apply. Two men can treat 100 square yards of plant bed in 20 to 30 minutes.
6. DOWFUME MC-2 will save you money. When you have had a year's experience with DOWFUME MC-2 you will cut your plant bed requirements as much as fifty percent and still get plants early enough and good enough to set your entire acreage. Many farmers are setting their tobacco as early as they want, using only fifty yards or less of MC-2 treated plant beds to the acre.

Make your investigation now! Check with your neighbors. Place your order for MC-2 covers and applicators with us or your nearest dealer. You can't go wrong. DOWFUME MC-2 is the near perfect tobacco plant bed treatment.

Yours very truly,

Wendell Tractor & Impl. Co.

Your dream of a better town can come true

You've had thoughts like these: "Our town needs a parking lot, some new source of payroll and modernized stores. The kids should have a baseball field, slides, swings and a place to skate besides on the street."

Today — Carolina is a wonderful place to live; tomorrow — it's not good enough for you and your family. A town either progresses or skids backward — there is no standing still.

But changes and improvements don't happen accidentally — people like yourself make them happen! You can help turn your dream of a better town into reality — not all at once, but step-by-step. Shortly after January 1, the new *Finer Carolina* contest opens and your town will

- (1) be eligible to form a "Finer Carolina" steering committee,
- (2) pick the five most-needed improvements for the town,
- (3) work to finish them during 1954, and
- (4) enter them for CP&L's cash prizes.

Will YOU think about the five greatest needs of your town — to make it truly a better place to live? Then be a leader in starting this committee to help the town grow even better!
