Home Demonstration Club Met Wednesday

Mrs. Vera B. Rhodes

Christmas has come and gone and we all have something to be thankful for. God has been good to us. We had a beautiful Christmas Tree and a pageant put on by the Sunday School. Then Santa Claus interviewed the little children and had gifts and treats for all.

The Home Demonstration Club met Wednesday with a large crowd. Mrs. D. S. Joyner was recognized with a birthday gift. She is our oldest member since we lost our beloved Mrs. Mary Kemp last year.

Miss Fan Greene, Wilbur Boykin, Jimmy Joyner, Juanna Mitchell and Alene Lovelace were home for the holidays.

Mr. and Mrs. Charles Bryant of Texas came to visit relatives.

The Ted Pippins will leave next week for Montgomery, Ala., to be stationed there.

Mr. and Mrs. P. P. Pace are here with the Harold Pippins. Mrs. Pace has flu.

Mr. Sprite Ferrell is in Rex Hospital.

Our sympathy goes out to Charles Chamblee in the loss of his wife.

Mr. J. G. Bunn is confined to his bed.

Mr. and Mrs. E. E. Hood and E. E., Jr. and wife came to see me Thursday, on their way to Wilson to see Mrs. Alice Hood.

I spent Monday and Tuesday in Raleigh visiting.

Mr. W. S. Broughton was down last Sunday to visit friends here.

Mrs. Edgar Liles, Kay and Phil and I took supper with Mr. and Mrs. Earl Averett and Mrs. Bowden Wednesday night.

Mrs. Nuber Bolton is spending some time in Durham.

Mrs. W. M. Hood is better. She wishes to thank all for the lovely cards sent her since she has been sick.

Good time to look both ways!

Along about now Southern Bell folks like to look back at the year's record of telephone growth, and ahead toward our job of providing more and better service for North Carolina.

1953

More than 25,000 new telephones were added making a total of about 400,000 in the state. Over \$21,000,000 were spent in providing cable, central office and other equipment to improve and expand the service.

1954

Wherever you look, North Carolina is moving ahead. This means another busy year for us—building to meet continuing telephone needs.

To get investors to supply the money to continue expanding and improving telephone service requires a fair profit on the money already invested in telephone equipment.
