Finger Tip Control

THE HAND that guides the baby also flicks an electric switch — and home starts humming! Yes, the lightest pressure of a finger tip releases the electricity that washes, dries and irons the clothes . . . vacuums the rug . . . keeps and cooks the food . . . brings all sorts of comfort, pleasure and help to American homes. And this dependable electricity is on duty 24 hours a day . . . at pennies-a-day cost! When you stop to consider how much electricity does for you, we think you'll agree: electric service is the Biggest Bargain in the family budget!
