NORMAN M. SCREWS for Town Commissioner

Having filed for the office of Zebulon Town Commissioner, I would like to point out that I have served for twelve years formerly in this capacity and believe that I gained a great deal of valuable experience during that time.

A progressive Zebulon is my desire and I have filed for commissioner because my interest in the people of Zebulon and my experience in serving them in the past will better enable me to serve them in the future, in the way they should be served.
