Legionnaires Hear Of Juvenile Crime

The increasing rate of juvenile delinquency was the subject of H. A. Hodge's talk to the Zebulon American Legion Post Wednesday night. He called attention to the period from 14 to 17 years when the greatest number of juveniles are cited to court.

The speaker was introduced by Post Commander Raymond Pippin following the supper held at Hilliard's Drive-in.

Juvenile delinquency is a direct result of parental, church, and community delinquency, Mr. Hodge said, and until all these groups take the necessary time to assist in the proper development of young people, the delinquencies will continue to increase.

The wives of the Legionnaires will be honored at the October meeting.

The membership committee reported 43 members signed for the new year—50% of the assigned quota for Post 33. Last year the Zebulon Post had 97 members.

A committee composed of Carl Kemp, chairman; Sidney Holmes, Frank Massey, Ruric Gill, Jr., and Barrie Davis was given the dual task of finding a satisfactory method of raising money for the post and of promoting a Legion Junior Rifle Team.

White Rams Football Season Opens Tonight in Wendell

The 1955 football season will make its official appearance in Wendell tonight at 8 p. m. at the Recreation Field when the White Rams meet a Methodist Orphanage eleven which scored an impressive 27-0 win over Millbrook last week.

Despite varying reports concerning the field-tested experience of the Orphanage, Wendell coach Clyde Parish offers the opinion that his team "is a team of the future," and "will win as many games as it loses during the season."

A total of twenty-four boys have been practicing for the past three weeks in preparation for tonight's opener. Six of last year's first string members are missing from the roster this season because of graduation.

Coach Parish says that the weakest points on the team will be the center and end positions, and possibly a question of offensive blocking.

"Right now, it looks as though the backfield will come through, if the blocking protection is there when needed," Parish said.

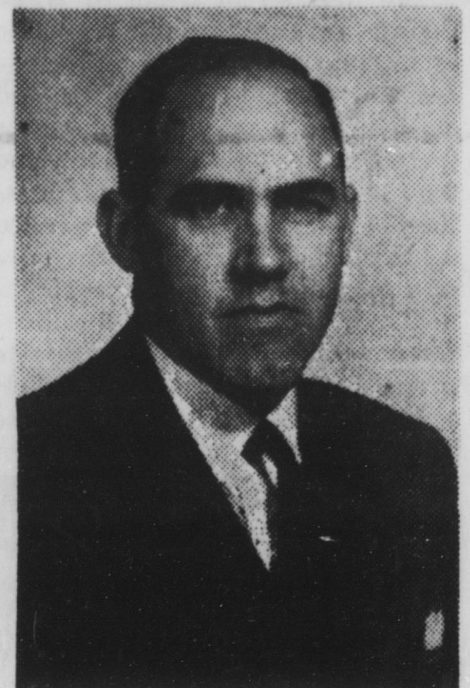

The answer to the potentially major problem of inexperience which the Wendell team faces, is a counteracting amount of team spirit. And, regardless of the inexperience, Parish says, we will improve as the season progresses.

Returning lettermen to this year's squad, who instill a much-needed, experienced backbone in the team, are Brodie Baker at quarterback, 155, pounds; Carl Hill at halfback, 135 pounds; Roger Harris at guard, 160 pounds; Marshall Raper at guard, 165 pounds; and J. H. Alphin at tackle, 180 pounds.

Turnouts for the various positions have been working hard during the past three weeks, Coach Parish says, and spirit has been one of the most impressive sights during the workouts.

Parish says that it is difficult to tell now who will make the starting lineup tonight in the Orphanage contest. But there will be quite a few of the boys to see action during the team's initial game.

Season tickets for the four Wendell home games went on sale this week for three dollars. The home schedule for the White Rams in— (See RAMS, Page 8)
