The 1956 Ford Thunderbird

The Fairlane Victoria is one of 18 new Thunderbird-inspired Fords. You can see Thunderbird beauty in its long, low lines.

Drive it today!

'56 FORD...with new 202-h.p. Thunderbird Y-8

with new Thunderbird Styling... with new Lifeguard Design

4 NEW LIFEGUARD FEATURES—new deep-center steering wheel, new double-grip door locks, optional new padded instrument panel and sun visors, and optional new Ford seat belts.

A glance tells you that the '56 Ford has the long, low lines... the dazzling beauty of the Thunderbird.

But wait till you touch the gas pedal! Ford goes like the Thunderbird, too. With the new 202-h.p. Thunderbird Y-8 engine, available in Fordomatic Fairlane and Station Wagon models, you'll pass with new confidence, smile at hills.

And there's even bigger news—Lifeguard Design! With the cooperation of universities, medical associations and safety experts, Ford found that most accident injuries were caused by the driver being thrown against the steering post, occupants being thrown forward against hard surfaces, or from the car. So, Ford developed a new steering wheel with a deep-center structure to help protect you from the post... double-grip door locks to give added protection from doors opening under shock... optional cushioning for instrument panel and sun visors, to help lessen injury from impact... optional seat belts that help keep occupants in seats.

Come in! See the '56 Ford, drive it, learn what Lifeguard Design means for the greater safety of you and your family.

the fine car at half the fine-car price!
