Power? You bet!

The fabulous Thunderbird Y-8

Ford goes like the Thunderbird! With this exciting new "Go"-power you can smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at no extra cost, for it is the standard eight in all Ford Fairlane and Station Wagon models.

Beauty? Of course!

Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line . . . every graceful contour. And you can expect to be envied no matter where you may drive in your new '56 Ford.

Safety? Only FORD gives you LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's new Lifeguard Design. It gives you extra protection in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce possibility of doors springing open under impact, Ford has Life-

guard double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sun visors. A new double-swivel Lifeguard rear view mirror "gives" under impact. Come in! See how safe, how beautiful, how powerful a car in Ford's field can be.
