Occonechee Council Now Serving
17,500 Members In 12 County Area

IN CHARGE OF RECORDS

There's Lots of Scouts

Keeping complete records of the membership of over seventeen thousand persons in the Occonechee Council, Boy Scouts of America, is no easy job, to which Mrs. Gilmer Parrish will certainly attest.

Mrs. Parrish is the Chief Registrar for the Occonechee Council, with headquarters in Raleigh, and serving some twelve counties of central North Carolina.

Each individual Cub Pack, Scout Troop, and Explorer Unit registers its membership for a period of one year, and then renews its registration annually.

In addition to attending to this registration, Mrs. Parrish has to do an untold amount of work as new boys are added to rolls during the middle of a charter year as "Additional Enrollments," and many cases of transfer of records, as boys grow older and move from the ranks or Cubbing to Boy Scouting and Exploring.

A monthly membership report is prepared for the National and Regional offices of the Boy Scouts by Mrs. Parrish, as well as detailed analysis of membership figures as

Local Banker Released on Bond Pending Trial on Accounts Charge

R. Varice Brown, cashier at the Zebulon branch of Peoples Bank and Trust Company for 21 years, was arrested by F. B. I. agents Tuesday and charged with misappropriating \$612.95 through "manipulation and false entries regarding service and exchange charges between August 9, 1954, and February 12, 1955."

The popular banker was brought before U. S. Commissioner Henry A. Bland in Raleigh, who bound him over under \$2,000 bond for trial in Federal district court April 9.

The charge against the 50-year-

old banker surprised and shocked the entire community, and friends have rushed to his support.

Mr. Brown has served as a member of the Zebulon Board of Commissioners for many consecutive terms, is an active layman in the Methodist Church, treasurer of many community organizations, and an enthusiastic and energetic worker in the United Fund, Chamber of Commerce, and other civic groups.

Robert D. Massey, cashier of the Whitakers branch of the bank and native of Zebulon, is assisting at the Zebulon bank this week.

The Girl Scouts, under the direction of Miss Rebekah Talbert, will provide for a nursery for the convenience of those parents with small children.

Legion to Assist In 'Dimes' Drive

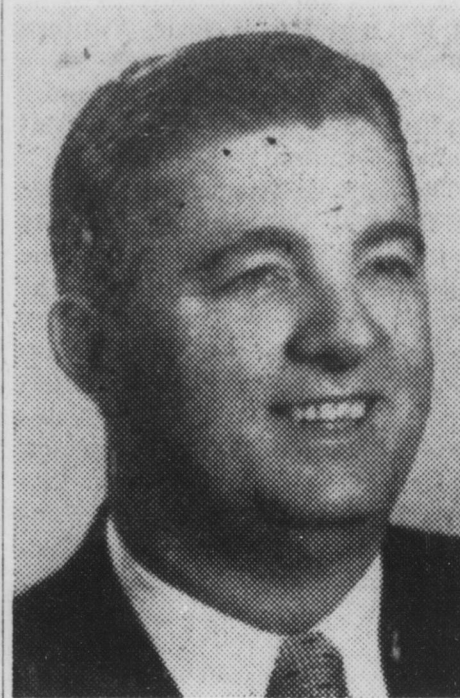

Commander Raymond Pippin of the local American Legion Post announces that Legionnaires will be canvassing the Zebulon Community on Saturday, January 14, in behalf of the BLUE CRUTCH. The Blue Crutch is the Legion's effort to help in the annual MARCH OF DIMES CAMPAIGN. All money raised will be turned over to the March of Dimes Fund. Please help this worthy cause as the National Foundation estimates that forty-seven million dollars will be needed to continue the fight against polio in this year. Be sure that you wear one of the Blue Crutches to show that you have faith that this dread disease will be eventually wiped out.

Biblical Footnote

In the Bible there is a passage that reads, "The chariots shall rage in the streets, they shall jostle one against another in the broad ways: they shall seem like torches, they shall run like the lightnings."

Which, in a way, sounds suspiciously like an ordinary Tar Heel highway.

All-Night Sing or Lottery? Trial of Local Lion Is Set For Next Friday in Raleigh

Frank Oliver Kemp

Zebulon Lions, currently engaged in selling tickets to an All-Night Sing in an effort to raise money for the Wakelon School band, will be working next Friday to show that Raleigh's Police Chief Tom Davis was completely wrong when he arrested Lions President Frank Oliver Kemp last Monday on a lottery charge in connection with the project.

The arrest was made following a meeting of the Raleigh Lions Club, at which the local man made a brief talk explaining that the local club had undertaken a big project and would welcome assistance.

Police Chief Davis, a member of the Raleigh Lions, listened as Frank told of the Zebulon Lions' project to raise \$4,000 to uniform the Wakelon School band.

When Frank sat down, the policeman skipped out of the meeting, had a warrant drawn, and rushed back with additional police support to arrest the surprised Lion.

Counsel for Kemp includes F. D. Finch and Ferd Davis of Zebulon and Howard Manning of Raleigh.

The tickets being sold by Lions and others are for an All-Night Sing. A 1956 Chevrolet will be given away free as a door prize during the event.

Wednesday evening Lion Kemp appeared on WNAO-TV to give his side of the story. His appearance, plus newspaper publicity, has called state-wide attention to the Zebulon Lions' project.

During the week many citizens of Raleigh have called and made personal visits to Zebulon to express regret for Davis's action.
