Zebulon, Wendell Report Progress in FC Projects

There has been no total made of the amount of money collected from the ticket sale for the All Night Sing sponsored by the Lions Club for the purpose of raising enough money to uniform the Wakelon High School band.

"We are hoping to have an official report soon of the amount collected from the sale, and will publish this report in next week's paper," Lion President Frank Kemp said.

Kemp said money is still being collected from persons who volunteered to sell tickets, and until all the collection and unsold tickets are turned in no accurate total can be made.

"As of today (Wednesday) it looks as if we are going to reach our goal," he said. "Things look very good now."

The goal is to outfit the 50 members of the Wakelon High School band with uniforms. The estimated cost of this project — also a Finer Carolina Project entry — will be about \$4,000.

The highlight of the Sing Saturday night was the awarding of the door prize, a beautiful 1956 Chevrolet valued at over \$2,100. The car was purchased from J. M. Chevrolet Company here by the Lions Club for the grand prize.

She had reportedly been mowing the lawn with a gasoline-powered mower. The fuel had given out and she was going to replenish it.

The explosion caused her clothing to be scorched. (See ACCIDENT, Page 9)

Billy Wayne O'Neal, the young Corinth-Holder baseball player who was hit in the head in a game at Micro on March 22 and who underwent surgery in Duke Hospital, is improving, according to word from Corinth-Holder Principal Ottis Freeman.

Freeman visited O'Neal at Duke Hospital Sunday afternoon and said that the injured boy showed "much improvement."

"Billy Wayne had regained consciousness Friday and the doctors had let his private nurses go Sunday when I was there," said Freeman, "so I think it safe to assume that they feel he is making good improvement. I did not get to talk with any of the doctors, nor have I seen the parents since last week, but Billy Wayne seems much better."
