**RURAL YOUTH LEADERS**, attending a special course at Federal Civil Defense Administration headquarters at Battle Creek, Mich., are briefed by a staff college instructor on the operation of the "bell and light" system of FCDA's nationwide attack warning system. A single twirl of a telephone dial, under this system, can send instant warning of attack danger to vital county control centers throughout the nation, such as sheriff's offices and fire stations. Shown here are (l. to r.) David Mikelson, of Hamilton, O., director of the Butler County Teen-Age Civil Defense Club; Philip Brouillette, of Richford, Vt., the 1955 national secretary of the Future Farmers of America; and Dale Ring, an Ohio State University student from Wooster, O., the 1955-56 FFA vice-president. ## Plans Are Being Readied by Lions Club to Buy School Band Uniforms

The Board of Directors of the Zebulon Lions Club met Tuesday night at the Municipal Building with four representatives from band uniform companies, Lion President Frank Kemp has reported.

Because of the absence of some representatives from band uniform companies, Kemp said the directors made no decision upon purchasing the uniforms for the Wakelon High School band.

Outfitting the Wakelon High School band with uniforms is the project undertaken by the Lions Club as an entry for the Finer Carolina Contest. The cost of the project will be approximately \$4,000.

Kemp said there is enough money in the club's treasury for the purpose of these uniforms. Kemp said he receives a collection almost every day.

There is to be another meeting

in the very near future for the purpose of deciding upon the purchase of the uniforms. Kemp feels that the company representatives asked who were not present should be contacted for a description and price of their merchandise.

Present at Tuesday night's meeting were Kemp, M. L. Hagwood, Jerry Hagwood, Charles Creech, Henry Massey, Hardin Hinton, Gilbert Beck, Pete Bryant, Condon Debnam, Worth Hinton, Randolph Hendricks, Alger Batts and Franklin Jones.

## Dr. Tucker Heads Cancer Drive; Opened Yesterday

Dr. George Tucker will lead the 1956 Cancer Crusade in Zebulon with the drive opening on Thursday, it has been announced by Robert L. McMillan, Jr., general chairman and Frank C. Wilson, county chairman.

Dr. Tucker will be assisted in this area by Dr. Zyba Massey, member of the board of directors, American Cancer Society, Wake County Unit.

A kick-off luncheon for all volunteers is to be held in Raleigh, Wednesday at 1 p.m. at the Raleigh Woman's Club.

The Crusade will be conducted here through homes, businesses, and organizations.

Funds raised here will go toward the support of the free cancer detection center at Rex Hospital, which has been visited by 239 persons this year from Zebulon and the immediate vicinity, according to McMillan.

"We will keep 40 per cent of the Wake County cancer dollar here

for education and service; 30 per cent will go into the great national research program; 20 per cent is earmarked for the Cancer Nursing Home at Lumberton and only 10 per cent is directed into the national program of education and service," McMillan declared.

"This is the most important campaign in our history. Over 1,000 researchers and scientists are being supported by the American Cancer Society. However, we need funds to underwrite more such men. We are closing in on the problem of cancer and we must invest more to assure total victory as early as possible," McMillan commented.

125 persons died with cancer in the county last year. An estimated 600 persons in the county have cancer now, but at least half can be saved by early diagnosis and early treatment, the goal of the American Cancer Society.

"Fight Cancer with a Checkup and a Check" is the 1956 slogan.

## Prison Head Tells Club Of Women's State Penal Institution

The six women present for the Tuesday meeting of the Senior Woman's Club went to prison.

They went to prison figuratively, that is.

Mrs. Elizabeth McCubbin, superintendent of North Carolina Women's Prison at Raleigh, asked those present to go with her on an imaginary trip through the penal institution.

The women entering prison are brought to the reception center, she said. Here they are searched, given a shower bath, fingerprinted, given psychological tests, shave for the hair, and thorough physical examinations in the prison hospital.

Afterwards they are assigned to their cell, an all white and green cubicle with bed, lavatory and reading material.

They remain in this reception center for about five days, the length of time it takes to complete the examinations and tests.

"If they are between 16 and 22 years old, they are sent to the first offender's cottage," Mrs. McCubbin said. "These cottages are of ranch style design, with attractive rooms."

There is one cottage for the white females and one for the colored.

Here each girl has a room to herself and is responsible for the upkeep of the room. She may remain at this cottage as long as her behavior is good.

When a girl misbehaves, she is sent to the cell block. This is a two-story red brick building. Here the girls are placed behind black bars and sleep on steel double decker beds.

"There is no chance for the girls to have any privacy in the cell block," the speaker said. "They do (See CLUB, Page 7)

Six pints of blood were given for Mrs. Robert Phillips and two pints for Fred Chamblee.

Immediately after giving blood, the Guardsmen continued their trip to Ft. Bragg, where they performed their regular duties.

Giving blood were Lt. Jack Potter, commander of Battery A; Sfc. Hermon Moss, Pfc. Coll D. Perry, Pfc. Kenneth Eddins, Pfc. Joseph L. McGee, Pfc. Carlton Walston, Pfc. Josiah Hull, and Pfc. Carl Pulley.

## Wednesday Afternoon Club Celebrates 41 Birthdays

The members of the Wednesday Afternoon Club are celebrating the club's forty-first anniversary this month.

This club is the oldest organization in Zebulon. It was organized by Mrs. O. M. Marshburn in April, 1915. Mrs. Marshburn now resides in Rocky Mount.

The charter members are Mrs. Marshburn, Mrs. G. S. Barbee, Mrs. W. C. Campen, Mrs. J. F. Coltrane, Mrs. E. C. Daniel, Mrs. W.

C. Wakefield, Mrs. T. J. Horton, Mrs. J. A. Strickland and Mrs. Beatrice Earl Weathersby.

Mrs. Coltrane said the club was organized purely for a social get together at that time.

"It started out as a sewing circle," she said. "We would bring our children at each gathering and just sit around and talk and sew."

Somebody facetiously called the club "The Tongue and Needle Club."
