School Shortage

No definite action has been taken by the Wakelon School Board concerning the problem of Wakelon School finances. The school opened the year with a deficit exceeding 6,000, including over \$1,800 of lunchroom funds. The Board is expected to borrow money to pay bills owed by the Wakelon General Fund, but solving the problem of the lunchroom fund probably will be left to former Principal Franklin Jones and the Wake County Board of Education.

Unusually Heavy Vote is Counted

The residents of Little River-Zebulon Township endorsed the Pearsall Plan Saturday which would make it possible to close individual schools and use State funds for tuition in private schools by a vote of 10 to 1.

Voters in Zebulon and Little River cast 650 ballots for the plan and 71 against.

Officials said that this vote was light in view of regular referendums, but rather heavy for a special election.

In other precincts of the county Little River-Mitchell's Mill vote was 169 in favor and 14 against. Mark's Creek-Wendell, 445 for and 103 against; Wake Forest-Rolesville, 240 for and 34 against; and Mark's Creek-Eagle Rock, 233 for and 23 against.

In unexpectedly large numbers, Tar Heels over the State turned out to vote better than four to one in favor of the tuition grant-local option amendment to the State Constitution proposed by the Advisory Committee on Education and backed to the hilt by Governor Hodges.

Wendell Market Leading Belt

Wendell tobacco market totalled 786,972 pounds at Friday's sales with an average of \$51.26. Total price paid was \$403,410.30.

A "full" market Monday was expected with between 600,000 and 700,000 pounds expected to move.

E. H. Moser, Wendell sales supervisor, reported high quality among heavy and dark leaf types.

CORRECTION

Due to an oversight in compiling the list of tax delinquents of Zebulon, the town tax auditor reports that W. D. Finch should not have been listed in the report published in last Friday's paper. Kick-Off Dance Thursday For Wakelon Boosters

The Wakelon School Boosters Club will sponsor a kick-off dance Thursday night at 8 o'clock in the gymnasium, it has been announced by Mrs. Garland Richardson, president of the club.

The general public is cordially invited to attend this dance and admission is free. At present the committee is in the process of securing a string band to play for both square and round dancing.

Mrs. Richardson is urging that

the adults and former athletes of the school attend this social function.

The membership drive got underway yesterday and Mrs. Richardson said she hopes the membership will top the 300 mark this year. She stated that the membership dues this year will be \$3.00 a family and not \$3.00 a person as was erroneously published in last Friday's paper.
