IFC Dance Sponsors at N. C. State College

Pictured here are the sponsors of the annual Interfraternity Council Pledge Dance of North Carolina State College held in the William Reynolds Coliseum at the college Saturday night, November 3, from 8 p.m. until 12 midnight. Duke Ellington and his Orchestra will provide the music. The sponsors, with their escorts listed, are shown here. Top row, left to right: Miss Eunice Beal, of Nashville with Dick Jordan of Raleigh, dance committee; Miss Sharon Ridgeway of Raleigh with Elvey Thomas of Raleigh, dance committee; Miss Margaret Creech of Zebulon with Rodney Bell of Zebulon, dance committee; Miss Catherine Brown of Charlotte with David Barnhardt of Charlotte, vice president; Miss Loretta Weatherly of Washington, N. C., with Bill Greene of Greensboro, president; Mrs. Nancy Bryant of Yanceyville with Richard Bryant of Brevard, dance committee; Miss Beverly Wollny of Westfield, N. J., with Guy Townsend of Manquin, Va., dance committee; and Miss Peggy Mewborn of Shelby with Lindsey Carroll of Shelby, dance committee.

Miss Gladys Baker, Class of '22 Elected President of Alumni Asso.

Miss Gladys Baker, class of 1922, was elected president of the Wake-on alumni association last Friday night. The election followed organization of the Association during homecoming afternoon.

Homecoming Day was planned and carried out by the Wake-on Student Council under the sponsorship of Miss Irma Walker. The organization meeting was preceded by a tea in the Home Economics Cottage, directed by Miss Mary

Lacy Palmer.

Other alumni association officers include Mrs. Doris Horton Privette, class of 1929, vice-president; Mrs. Armstrong Cannady, (Margaret Bunn), class of 1937, secretary; and Mrs. Willie B. Hopkins (Christine Duke), class of 1935, treasurer.

A planning committee was appointed to draw up tentative plans for a constitution and other organizations which needed aid to exist. (Continued on Page 2)

United Fund Campaign Extended Another Week

The rains came last week, and United Fund collections were small. Therefore, the Fund drive has been extended through this week.

President Talton announced that because of the inclement weather last week, he and the directors feel that it is expedient that the drive be conducted this week if the Fund is to reach its goal.

He said the group captains reporting collections said the donations are better than last year, and more people are contributing than have in a long time.

"We were hampered last week because of the rain and ugly weather last week" President Talton said, "But we hope to complete the canvassing this week and have a final report ready for the public as soon as possible."

The donors and amounts given will be listed in this paper.

A day's wages from the employee of each business establishment is being solicited by the Fund representatives.

"We feel that each person should be able to contribute a day's wages to such a worthwhile organization and for such worthwhile projects," Talton said.

There were a number of persons and families helped by the United Fund last year that couldn't have existed but for the help of the Fund. The organization also contributed to the Boy and Girl Scouts, the Recreation Commission and other local organizations which needed aid to exist.

The United Fund is not a selfish organization. Persons or groups which need justifiable aid are given help when needed.

Zebulon's United Fund goal for 1956-57 is \$6,000.

States Needs Given Priority

The USDA reports that almost 800 million pounds of this country's food surplus was donated to school children and needy persons in this country and abroad during the last half of 1955.

In this country, surplus food went to about 11 million school children, about 1 million persons in charitable institutions, 100,000 Indians, and about two and a quarter million persons in needy families. Altogether, food distributed to these groups totaled nearly 300 million pounds.

Food given away in this country is handled through state facilities, with the state government taking full charge and responsibility for distribution. Needs in this country are given priority, and sufficient quantities are re- (Continued on Page 4)

National 4-H Day

Nearly 2,156,000 4-H Club boys and girls will be honored for outstanding accomplishments on National 4-H Achievement Day, Saturday, November 10. Sharing their recognition will be more than 357,600 men, women and young people who serve as volunteer local leaders of about 89,600 clubs throughout the country.

State 4-H Club Leader L. R. Harrill says it is hoped that every county in the nation will observe this day in a way to bring recognition and credit to the 4-H program. Harrill says that in the past year many 4-H'ers have completed individual projects in farming, homemaking, community service, and other activities.

North Carolina boys and girls have produced and conserved food, feed, and fiber; sewed and cooked; improved and beautified their homes; made their farms more efficient; stressed personal health and safety; protected our wildlife; and cooperated in a wide variety of community services.

Harrill says these projects have done much to improve family living through adding sources of income, introducing improved practices, increasing the family food supply, and conserving valuable natural resources.

Exercise Your Right To Vote and Make Democracy Better

Today is election day! Whether you are prepared to vote for Republican, Democratic or Independent electors, exercise your right to vote!

Dwight D. Eisenhower and Richard M. Nixon, Republicans seeking reelection to the Presidency and Vice Presidency, are opposed by Adlai E. Stevenson and Estes Kefauver, Democrats.

Local voters will also elect a slate of state and county offices headed by Luther H. Hodges, Democratic Governor seeking reelection. He is opposed by Republican Kyle Hayes.

Nineteen other state and county Democratic candidates who won out in the May 26 Primary are facing Republican opposition, and 18 Democrats have no opposition. One Republican, Moses Farmer, running for Wake County surveyor, has no opposition.

Voting will be in the regular polling places from 6:30 a.m. to 6:30 p.m.

Everyone who registered in the new registration during October in Wake County is eligible to vote. Approximately 1,400 persons in Zebulon-Little River precincts registered, entitling them to cast their ballots in this general election.

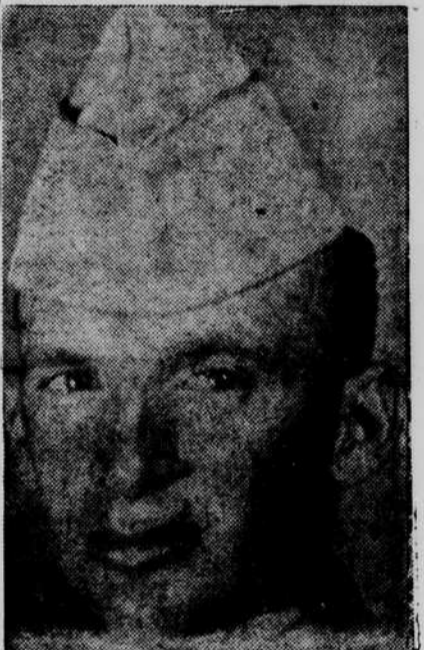

U. S. citizens have a fairly good record in exercising their franchise of the right to vote. However, their participation in elections is not as high, percentage-wise, as it is in several other leading countries of the world.

In the last presidential election, approximately sixty million votes were cast. This was better than fifty per cent of the qualified voters of the country, but tens of millions of voters could have voted who refused to go to the polls in the 1952 presidential election.

Too often it is those who get the most benefits from government who do least for it. Too often those who are helped most are least capable of appreciating what has been given them through the generosity and sacrifice of others. Too often it is those who will not devote sufficient time and energy to the small task of voting, and who complain most bitterly about the outcome of elections and the manner in which the country is run.

This is an enlightened age when (Continued on Page 4)

Men in Service

Pvt. Kenneth J. Blackwell of Zebulon, recently completed ten weeks of advanced individual training under the packet platoon system at the Army's Armor Training Center, Fort Knox, Ky. Each trainee becomes a permanent member of a tank crew in the packet platoon system of training. He entered the Army last May and received basic training at Ft. Knox, Ky. His parents, Mr. and Mrs. Marvin J. Blackwell, live on Route 4, Zebulon.

Billy Gene Marshall, 17, son of Mrs. Earnestine Marshall, of Route 2, Zebulon, and husband of the former Jo Ann Tharington of Wake Forest today enlisted in the U. S. Navy.

Seaman Marshall attended the Wakelon High School and played a little football while there. He has high hopes of taking advantage of the numerous athletic programs that the Navy offers.

The local youth will undergo his recruit training at the U. S. Naval Training Center, Great Lakes, Illinois, upon completion of which he will be granted a fourteen day leave prior to reporting to his first duty station.

Cpl. Louis F. Brinkley, 25, whose wife, Ellen, lives at 3700 Thirty- (Continued on Page 4)
