WAKELON HIGH SCHOOL'S MAJORETTES

Attendance and enjoyment of Zebulon parades and Wakelon football games has been increasing, and three lovely reasons are shown here. High-stepping during half-time activities are majorette Pat Phillips, Jackie Mitchell, and Faye Griswold.

Failure of Citizens to Reach United Fund Goal Termed 'Lack of Charity'

Preliminary reports on the 1956 United Fund solicitation indicate that the Zebulon community is disowning the United Fund by withholding financial support. This is not the first year the community has failed to support the united method of giving. With one exception, the question has been raised annually when we failed to reach our minimum goal.

Unless a miracle strikes, we will complete the 1956 campaign with less than 75% of the money required by the United Fund budget.

Our failure is certainly not the fault of the United Fund campaign organization. The workers gave generously of their time and labor. Our failure is due to the almost unanimous refusal to give according to our means. In a majority of cases, only a token contribution of \$1.00 or less has been made. This indicates a disgraceful lack of charity.

If we refuse to give to worthwhile charities through the United Fund, there remains but one course — to return to the multiple-appeal, consecutive-campaign method of supporting 15 agencies. This will work a hardship on some, and it means an inequitable distribution of money for charitable institutions, but it seems the only solution to the problem of obtaining charity in a stingy community.

Baptists, Methodists to Hold Union Services Here

The Baptist and Methodist Churches of Zebulon will hold their Annual Union Thanksgiving Service at the Baptist Church, Thanksgiving morning, Thursday, November 22nd at 10:00 a.m.

All in the community are invited to come and give thanks to Almighty God from whom all blessings flow.

There will be a free-will offering which will go for CROP, Christian Rural Overseas Program. "CROP, through its annual drive for farm commodities and cash to send overseas to the areas of the greatest and most desperate need, has for 10 years

carried on a ministry of alleviation of overseas suffering unparalleled in the history of the churches," according to Rev. Ralph Jacks of Durham, State CROP Director.

"An Order of Thanksgiving for Harvest, Land and Liberty," by J. W. Sells will be used in the service and again this year those who wish will be given opportunity to tell of some of the things for which they are thankful.

Music from the combined choirs of the churches will be under the direction of Mrs. R. D. Massey and Miss Margaret Anne English.

Bazaar

Attend the Methodist WSCS bazaar in the recreation room at the church, Monday, Nov. 26, from 10 a.m. until 10 p.m. A large variety of linens, wearing apparel, cakes, pantry supplies, flowers and many other things will be on sale.

Mrs. Andrew Jenkins, chairman of the WSCS bazaar, has announced that no plates for lunch will be served to persons who do not have tickets.

The bazaar lunch officials originally intended serving only 50 plates, but the demand has been so great that a few extra tickets were made. All these tickets have been disposed of.

The bazaar officials regret that they must limit the lunch to persons who have bought tickets, but because of the lack of facilities they feel in order to present the best service this policy is best.

Plans for the 1957 bazaar are already in the making for expanding the facilities to accommodate a larger number of people. Mrs. Jenkins said.

Former Minister Here Meets Ex-President And Very Impressed

The Rev. Bev A. Asbury

The following letter has been received by *The Record* from the Rev. Beverly A. Asbury, former minister of the Zebulon Baptist Church, who now holds a professional chair with a Fulton, Mo., college.

"Over the past few months I have received quite a few letters from friends in Zebulon, and I have been unable to answer them due to physical limitations on my time. This has caused me no small concern, because the people of Zebulon are very dear to me, and I shall always look upon them as close friends. If I could possibly do so, I would answer each letter personally, but since that is outside the realm of immediate possibility, I have been in a quandary as to what to do.

Then it hit me that a letter to *The Record* might be the thing. I still receive and read *The Record* avidly, and it occurred to me that you might be willing to print a letter from me to the many friends there who have so kindly written. I am writing in the hope that you will do this for me and so make it possible for me to communicate with all instead of just a few. If you see fit to print this, I extend my thanks for another service of generosity and loving kindness—another in the series of kind acts that characteristically marked my relationship to you over the period of my ministry in your community. If you find it impossible to print this, I know that the reasons will be good and justifiable, and you have my complete understanding. So, whatever happens, here goes.

"I have settled here in Fulton in an apartment and am leading a truly bachelor existence. I have adequate physical facilities, but I cannot quite adjust myself to the rigors of cooking and housecleaning. Consequently, both of those duties suffer, and the house shows it. It might bother you if you saw it, but it doesn't bother me. Anyway, I am not at home much, and (Continued on Page 4)

WRAL-TV Given Permission to Start Telecast Dec. 15

Capitol Broadcasting Company Inc. was today notified by the Federal Communications Commission that WRAL-TV is granted authority to begin telecasting on Channel Five from its studios at the transmitter site, pending construction of its studios on Western Boulevard. The Commission has approved the location of the Western Boulevard site for its permanent studios.

The announcement was made this morning by Fred Fletcher, Vice President and General Manager of Capitol, who stated Channel Five's air target date is December 15, 1956. He further stated the transmitter building is nearly completed, the majority of the transmitting equipment has been delivered, and the tower is going up at the rate of over 100 feet per day, now being up over 700 feet of the 1170 feet authorized by the F C C.

American Legion to Aid Scout to Attend Jamboree

Commander W. M. Sutton of American Legion Post No 33 states

that the Legion Post in Zebulon is sponsoring a Zebulon Scout for the National Jamboree to be held in Valley Forge beginning June 8, 1957. The cost of sending a Scout to the Jamboree is \$125.00. Scoutmaster James Debnam is now conducting a contest in the Local Scout Troop and the Scout winning the most points in this contest will be sent to the Jamboree. Boys from all over the Free World will be at Valley Forge and the world's best scouters will be there.

Commander Sutton states that during this week and next orders for pig barbecue will be taken by members of the local Scout Troop. The barbecue will be sold for \$1.50 per pound and will be delivered to the homes of the purchasers on

November 30 between 4 and 6 p.m. by the Scouts.

Commander Sutton has arranged for Loomis Carpenter to cook and prepare the barbecue on Friday November 30 thereby assuring its freshness. Everyone is assured that full value for their money will be received. Loomis Carpenter has been cooking barbecue in this area for many years and he knows his business when it comes to barbecue, according to Commander Sutton.

The Legion will appreciate your helping with this project, enabling some Zebulon Scout to go to Valley Forge next June. This is a project of self help for the benefit of the Scouts of this community and will result in good training for our youth. Won't you help?
