## STILL NO COMMENT

### Incumbent Commissioner Undecided

There's still plenty of time for a man to make up his mind about running, one commissioner has said.

"It's too early for me to be thinking about running for Town Commissioner again," Vance Brown has revealed.

The town election is still six weeks away.

Brown said he hasn't thought much about being a candidate for re-election "one way or the other."

Questioned further, he said: "No comment. It's still too early. Sorry, no comment."

### Explorer Scouts To Wash Cars For Trip Money

Zebulon's Explorer Scouts are going to earn some money by taking in washing.

Yes, on April 6 the Explorers will be washing cars to fill the shortage in their funds which will help send one of their boys to the National Jamboree in July.

It will cost \$125 to send a member of the Explorer Scouts to this Jamboree. At present they do not have enough money to finance this trip for a Scout.

The car wash is to be held behind Debnam's Hardware and Zebulon Dry Cleaners. The wash begins at 7:30 in the morning, and the Scouts hope there will be enough cars for them to continue till 7:30 that night. The price for each job will be \$1.25.

There will be adults to come for

### ZEBULON JAIL FILLED SATURDAY

Zebulon jail bulged at the sides with occupants last weekend.

Officers stated there was the biggest business in many weeks. Drunks, speedsters, bootleggers and other culprits filled the jail to overflowing.

Police Officer Willie B. Hopkins said: "It was the biggest weekend for us in a long time. I can't account it to any one thing. I understand Raleigh underwent the same thing."

### OFFICERS ELECTED FOR WAKELON BOOSTERS CLUB

At the call meeting of the executive board of Wakelon Boosters Club Tuesday night new officers for the 1957-58 school year were appointed.

Mrs. Jack Mitchell was named president; Willie Griswold, vice president; Mrs. Ruth Pace, secretary; and Mrs. Willie B. Hopkins, treasurer.

Officers of the club stepping down from positions are Mrs. Garland Richardson, president since the club's organization; Mrs. Jack Mitchell, who was vice president; Mrs. Thurman Murray, secretary; and Ray Goodwin, treasurer.

During the meeting the club voted to purchase catcher's equipment and a couple dozen baseballs for the Wakelon baseball team this season.

Ways were also discussed for increasing the interest in the Boosters Club next year. Interest of patrons has been lagging during this school year.

A date is to be announced for a dutch supper meeting of the club to be held at Parker's Restaurant in Wilson.

Wakelon Boosters Club has paid a \$25 a month supplement to Coach George Spiritos this year.

"We feel we have accomplished something this year, though not as much as we would have liked to," one of the retiring board members said. "Some how the interest has not been shown that should have been, but we feel sure next year's club will be infinitely more successful."

### LIQUOR RAIDS

#### Slop Jar Has Illegal Contents

When the law arrived, Alice Scott, Negro of Rt. 2, Wendell, reached under the bed and grabbed the slop jar and clutched it tightly.

Deputy Sheriff Earl Duke asked the woman for the container and she refused to give it to him. He reached for it and in the struggle the contents spilled.

And it wasn't urine that spilled over the bed clothes.

"It was plain old bootleg moonshine," the deputy said.

Under questioning, Alice said she had poured approximately one-half gallon of moonshine into the slop jar, thinking the officers would not be the wiser.

Alice's 14-year-old daughter was at the scene, too. But she stood rigidly by the door. Deputy Duke asked her to move. She still continued to stand stock-still.

When the deputy told her he would have to arrest her and take her to the police office to be searched
