Kay Pate, daughter of Mr. and Mrs. Coy Pate, has no sponsor at the time of publication. For her talent, she will do a dramatic reading from "Gone With the Wind." She will model a simple black bathing suit for the bathing suit division, and her gown will be of whisper pink net over taffeta, off shoulder, with a full ruffled skirt touched off with rosettes.

Miss Pate is the former "Miss Gold Leaf" and has eyes of green, hair of dark brown, and is five feet three and one-half inches tall. Her measurements are 36-24-36½.

On Wednesday the candidates appeared over television station WTVD, Durham, for an interview. Tonight they will be entertained at

a banquet and following the banquet there will be a rehearsal.

There are thirteen entries competing for the title of "Miss Wake County." Besides Miss Hinton, Miss Chamblee and Miss Pate there are Emily Wilberly and Carolyn Beck of Fuquay Springs, Judy Allen and Faye Lewis of Knightdale, Faye Draffin and Barbara Jones of Garner, Shirley Mills and Marjorie Tingen of Apex, LaRue Matthews of Angier and Pat Epley of Raleigh.

The Fuquay Springs High School band under the direction of Ed Benson will present the music for the evening and Gerald Goodwin of radio station, WFVG, will be master of ceremonies.

It is reported that ticket sales to this affair are excellent, and that all signs indicate another sell out this year. For the past two years the pageant has drawn an overflowing house.

Burglars Sought For Break-Ins

Local officers and members of the Wake County Sheriff's Department are still continuing investigations of break-ins which occurred last Wednesday night of two business establishments in Zebulon.

Officers reported that the Pure Oil firm, owned and operated by R. Wesley Liles, and Beck Bros. Veneer Plant were both entered some time Wednesday night.

Liles reported to local authorities that when he went to his plant Thursday morning he found the locks sawed and beaten off, officers said.

Upon entering his business house, he found the desks and files had been pillaged and ransacked, and \$4 had been taken from the cash drawer.

The thieves had either overlooked or disregarded about 100 pennies in the cash drawer, officers said.

Liles reported that no gas, oil or tires were missing.

Alvin Beck of the Beck Bros. firm reported to local officers that thieves had gained entrance into the plant after damaging the locks.

Beck told officers three screw drivers, a couple of pipe wrenches and a pair of rubber gloves were missing. He stated that the objects were valued at approximately \$25.

In their investigation, officers found one rubber glove in the Beck plant and the matching rubber glove in the Pure Oil plant. Deduction led them to believe that the burglary was done the same night.

Local officers called in fingerprint experts from the Wake County Sheriff's Department to assist with the investigation.

Debnam Mayor; Alford, Corbett, Liles, Screws, Ellett Commissioners

Mayor Wilbur Debnam led the ticket Tuesday when only 244 voters named members of the town government for the next two years. Three incumbents, one former commissioner, and one new member were elected to the Zebulon Board of Commissioners.

Mayor Debnam polled 216 votes to win his second term of office.

Tied for top place among the ten candidates for commissioner were incumbents Kermit Corbett and J. Raleigh Alford. They received 169 votes each.

Third place was taken by Wesley Liles, a former commissioner, who polled 167 ballots. Incumbent Norman Screws was fourth with 135 votes, a single vote ahead of Mrs. Elizabeth Ellett, who became the first woman to win a place on the town board by taking fifth place with 134 votes.

Others on the ticket included Vance Brown, incumbent commissioner, who received 131; Tom Monk, 107; Raymond Pippin, 51; B. R. Phillips, 42; and Craven Brown, 34.

The entire pre-election campaign was quiet. No issues were raised and candidates made few promises.

The inactivity of candidates during the campaign was reflected in lack of interest of townspeople on Tuesday.

The new officials will take office at the first meeting of the new fiscal year, to be held July 1.

LIONS TO PEDdle BULBS FOR BLIND

Zebulon Lions will be canvassing the town Tuesday night, May 14, from 7 until 9 o'clock in a door-to-door light bulb sale campaign.

This light bulb sale is in conjunction with the "Light For Sight Week," May 12-18, designated by Governor Luther Hodges.

Proceeds from the sale will be used for projects by the local Lions Club.

Mr. Smith gave the club members a thumb-nail biography of himself. He traced his life from boyhood spent on a Wake County farm through college, seminary and the University of Edinburgh, Scotland. The club members gained new insight and appreciation for the extensive training and preparation necessary to one entering the ministry.

The number one club project for the coming year is the completion of the Club Community Building. The foundation of this building has already been laid, and Lion T. B. Hepler of the Building Committee gave a report of the progress and announced that the walls of the building will be erected very soon.

Fireman's Dance Success; Another Saturday Evening

Reports are that the dance sponsored by Zebulon Volunteer Fire Department and held in Zebulon National Guard Armory last Saturday night was highly successful.

These dances will be held each Saturday night in the local armory until otherwise notified. All types of dancing are practiced on these occasions: round, square and rock and roll.

The music for the dance is being furnished by Buddy Baker and his seven piece combo from Rocky Mount.

Deputy Sheriff Earl Duke stated that the proceeds from the dances will be used to buy firemen's clothes, equipment for fire fighting and for use in feeding the Wake County firemen who are to be entertained by the local firemen at a very soon date.

Fire Chief Willie B. Hopkins also added that the department is seeking to make enough funds to buy a rescue fire truck which he considers to be of urgent need.

Tickets to these dances may be secured from members of the Volunteer Fire Department or may be purchased at the door. The cost \$1.50 per couple, \$1 for stag and 50 cents for ladies.
