### Two Local Meat Markets Get Top Sanitary Rating

Temple's Market and Wakelon Superette tied for first place with a rating of 96.5.

## Problem Acres Supply Company Burglarized Between 12-1 Tues.

### Caswell Movies To Be Viewed At Baptist Church

A flashback on the Caswell Retreat of June 3-8 of the Zebulon and Wendell Baptist Churches and several of the neighboring churches will be seen Sunday night in the Zebulon Baptist Church at the evening service.

The flashback will be Kodachrome movies made during the week of Christian study, worship and recreation.

All the boys and girls of the several churches who attended the retreat are expected to be on hand to see the film, and all parents and interested persons are cordially invited.

### Checks, Cash Totaling \$200 Taken

Problem Acres Supply Company was burglarized between 12 and one o'clock Tuesday, according to Deputy Sheriff Earl Duke.

The farm equipment and supply business is located on Highway 64 about two and one-half miles northeast of Zebulon. It is owned by Raymond Pippin.

According to Deputy Duke, the manager-foreman Charles Dudley had gone to his home for lunch. Dudley resides on Lee Street in Zebulon.

When Dudley returned he found the business had been entered.

A window underneath the shelter had been broken and the entrant reached in and cranked the metal cased window open, gaining entrance.

Inside, the burglar broke into the cash register and took approximately \$200, according to the deputy. Seventy-six dollars was in checks.

Deputy Duke said the burglar did not leave by the window, but left by a door of the building which he left cracked open.

No fingerprints were made because of grease stains, the deputy said. He also said there were many footprints but nothing which could be classified as a lead.

Investigation is continuing.

Dudley, a native of Dunn, has been associated with Problem Acres Supply Company for almost a year.

Pippin and his wife are vacationing with relatives in the Middle Atlantic States.

Pippin was notified by Dudley of the break-in. He is expected to return Thursday (today).

### Escaped Convict Nabbed

An escapee from Vance County Prison Farm was caught near Zebulon Tuesday night.

Deputy Sheriff Earl Duke revealed that Albert Strickland, 26, was apprehended at his father's home on Zebulon, Route 4, after escaping from Vance County Prison Farm Sunday night.

The deputy said Strickland was "jumped" at the home of Lonnie

Strickland. No arrest was made at the time.

Later Strickland came to the police station and gave himself up.

Strickland was serving a 12-months road sentence for abandonment and non-support.

He was lodged in Zebulon jail and will be returned to the prison farm by Vance County prison officials.

## Board Wives Accomplished and Talented

The wives of the commissioners leave the business of running the town government to their husbands.

They admit they have enough to do keeping their homes intact and running smoothly. They believe this is their primary duty and they fulfill it to perfection.

They are open to give opinions and discussion about the problems and concerns of the town, they said, but their husbands never ask or consult them.

Which suits the wives very well, indeed. They have enough on their minds anyway.

Two of the wives are business women. Two are not. All are full time homemakers, dedicated to serving their families to the best of their abilities.

#### Mrs. G. Kermit Corbett

Mae Belle Corbett, five feet two inches tall, 120 pounds, with eyes of bluish gray and just a touch of gray in her burnished brown hair, has spent this summer putting fruits and vegetables in the freezer locker.

She admits that she loves to can, and "the family is especially thankful for the things in the winter time."

She would like to fish more if she could find the time. Her preference is not fancy fishing,

but the plain old reed pole type on some farm pond.

And if she had the money and the time she would like to travel. Travel has always interested her, and the far away places fascinate her.

### Water Rates Hiked

Water is going to cost more in Zebulon from now on.

The monthly flat rate has been upped from \$1.50 to \$2.

When the Town Board met July 9, Commissioner Elizabeth Ellett made a motion that the monthly flat rate for water be increased fifty cents. This motion was seconded by Commissioner Norman Screws, and approved by the rest of the commissioners present.

This increase will be put into a separate bank account and used to pay for the water and sewer line to the proposed clinic that is to be built in the future just outside of Zebulon on Highway 64.

After costs of water and sewer to the clinic are paid, the addi-

tional revenue from water bills will be used for permanent water and sewer improvements.

The other major business of the Board at the July 9 meeting was the levying of privilege taxes. Commissioner G. K. Corbett made a motion, seconded by J. Raleigh Alford, to levy the same privilege tax on business establishments for the fiscal year 1957-58 as in the 1956-57 year.

Peoples Bank and Trust Company pays the highest privilege tax in Zebulon. It is charged \$50. Ranking next are drug stores and furniture stores, being taxed \$25. Retail merchants fall in the lowest bracket, having to pay only \$10.

## Restaurant Tops Local Eateries

Hilliard's Restaurant again led the local eateries in health ratings. The local restaurant rated 94.5

Other ratings were Russell's Place, 91.0; and Eddies' Restaurant, 91.0.

Phillip's Barbecue House at Cary, with a rating of 95.5 per cent, led Wake County eating places for the quarter ending June 30, the Wake County Health Department has reported.

Only free peoples can hold their purposes and their honor steady to a common end, and prefer the interests of mankind to any narrow interest of their own. — Woodrow Wilson
