

THE ZEBULON RECORD

Volume XXX, Number 94.

Zebulon, N. C., Thursday, February 6, 1958

Theo. Davis Sons, Publishers

Fruit Woods Popular

Elegance In Furniture Styles

A turn toward elegance has come to furniture.

This report came from Mr. and Mrs. Norman Screws who attended the 66th semiannual Southern Furniture and Rug Market in High Point. The market closed January 29.

Mrs. Screws said wood finishes are medium in tone, with the grain showing for decorative effect. She said the fruit woods still continue to be popular.

The general trend is toward the contemporary, suitable for the modern or period furnishing which one might have.

She said there is a light and tailored look in upholstered pieces. Sofas are frequently seen in lengths of over 100 inches. Sectionals continue to gain in popularity, and now there are more attractive sectional groups with pieces which turn corners — and others which serve as a chaise, as well.

Mrs. Screws said the trend is still continuing toward high back chairs and sofas — to satisfy those people who want to put their heads back on something more substantial than thin air.

There will be longer and slimmer dressers, too, which have been trimmed down to a depth of 19 inches and to a height of 32 inches.

Tones of brown still dominate the market, Mrs. Screws said.

Lions To Conduct Light Bulb Sale

Hardin Hinton, president of Zebulon Lions Club, has announced the club will hold its annual light bulb sale Wednesday night, Feb. 12.

"Members of the Lions Club will canvass the town, going from house to house, selling light bulbs," Hinton said.

There will also be stations on main street where Lions will be selling the bulbs.

Hinton said each bag will contain bulbs of 40, 60, 75 and 100 watts. Ordinarily, these bulbs would sell for \$2.30, but the Lions will sell them for \$2.00.

The proceeds from the sale will be used to further the wonderful work the Zebulon Lions Club has done for the blind of Wake County and across the State.

Bulbs bought from the Lions next Wednesday night will light some blind persons dark existence.

Satellite Goes Up And Wakelon Wins

Two events occurred Friday night which were of earth-shaking proportions.

Wakelon boys' basketball quint won their first game of the season and the Army's Explorer satellite took off into outer space.

The State Department could not have been any happier than the Wakelon team and fans Friday night. Bedlam broke loose in the gym filled with a dim cloud of blue smoke.

There was singing, dancing, hand-shaking, back-slapping, faces wreathed with wide grins, shouts of jubilation, and even some tears of joy coursed down the cheeks of the Wakelon students and patrons.

At the end of the exciting finish, Coach Vaughn Fowler was thrust upon the shoulders of his players. He covered his face with his hands and it was reported that he wept.

The previously winless Wakelon boys posted a stunning 31-30 victory over the second place Millbrook High quint.

Thieves Loot Van Of Wholesale Firm

Thieves entered one of the fleet of delivery trucks belonging to Bernice Bunn the night of January 24 and stole an estimated \$50 worth of merchandise, Chief of Police Willie B. Hopkins said.

The truck, loaded for morning delivery, was parked on East Horton Street near Bunn's wholesale establishment. No hour could be set as to the entrance of the truck.

The majority of the merchandise stolen consisted of cigarettes, but Chief Hopkins reported candy and other notions were missing.

The theft was discovered by the driver of the truck the next morning and notified Bunn, who called in Hopkins on the case.

Chief Hopkins said no finger prints were made and so far there are no leads. The investigation, however, is still being continued.

Short Session Held By Town Board

After a short session Monday night, the mayor and town board of commissioners adjourned. No business was recorded.

Town Clerk Willie B. Hopkins said there was some discussion of future projects for the town by those present. After the severe freezes some of the town's streets and sidewalks will have to be repaired. There is to be a storm sewer erected on Arendell Avenue between Lee and Glenn streets.

The town board will meet Monday night for the purpose of re-summing business, the major item being that of letting bids on a 450 foot sewer line to be erected on West Sycamore Street. This sewer line will serve the Zebulon-Wendell hospital to be begun in the very near future.

Town Clerk Hopkins said that dog licenses have been ordered and that he expects the shipment any day now. He said the licenses will cost one dollar. He expects the dog ordinance to go into effect about March 1.

No More Dances At Local Armory

Officials of Davis National Guard Armory have announced that after the Saturday night dance the dances will be discontinued.

The dances have been held at the local armory each Saturday night since November, and part of the proceeds go to the armory for maintenance purposes. Bill Pollard and his band play for the dances.

Officials said the reason the dances are being discontinued is that some of the persons who have been attending the dances have been marring the building.

The latrines have especially been damaged, officials said. Some of the lavatory stoppers have been torn off the chains, the metal swinging door in the men's room has been almost torn from its hinges and other types of vandalism have been seen about the building.

Added Athletic Fee Will Entitle Pupils To All Home Games

The \$1.00 athletic fee to be added to the student fees of Wakelon School pupils next year will entitle the payee to attend all home athletic events, it has been announced by Mrs. Jack Mitchell, president of Wakelon Booster Club.

The proposal to add the athletic fee to the student fees was made by H. C. Wade at a Boosters Club meeting last week. The club unanimously adopted this proposal and it is to be presented to the local school board for adoption.

The local school board, scheduled to meet last Monday night, did not meet because of too many conflicts with other organizations.

Principal John J. Hicks revealed that Wade is to make the proposal to the local school board, but he feels that no action will be taken on the proposal until April or May.

At the meeting of the school board in April or May, student fees will be set for Wakelon School. It is expected that the local board will act upon the student athletic fee at this time.

According to Mrs. Mitchell and Principal Hicks, they have received no unfavorable reaction of the proposed student athletic fee.

Such a fee would increase the fund \$700 or \$800, to be used to promote the athletic program at Wakelon School.

Car Rips Into Service Station When Driver Loses Control

New Teacher

Mrs. John J. Hicks has replaced Mrs. Kenneth Kornegay as second grade teacher in the Wakelon School. Mrs. Kornegay recently resigned due to a pregnancy.

Mrs. Hicks has been employed temporarily, though it is assumed she will finish the remainder of the school term. She has had seven years teaching experience in the Lenoir County public school system.

Floral Designer To Address Club

A woman with 10 years experience in floral designing will address the Carmen Flowers Garden Club Monday night.

Mrs. William J. Ammons will address the club on the construction of flower arrangements. She will demonstrate different types of arrangements and containers in which these arrangements look good.

"I shall especially dwell on the use of materials that the average housewife is able to secure from her own or neighbor's yard," Mrs. Ammons said.

Mrs. Ammon's 10 years were spent with Fallon's Florist of Raleigh. She is a member of the Town and Country Garden Club of Raleigh and the Hoe 'N Hope Garden Club of Wendell.

A co-speaker on the program will be Mrs. John L. Glover, also a member of the Wendell Garden Club. She will speak on the mechanics of making flower arrangements.

Both Mrs. Ammons and Mrs. Glover were secured by Mrs. Wilbur Debnam, program chairman for the month of February. Mrs. Edwin Richardson will assist with the program.

The club will meet with Mrs. Eldred Rountree with Mrs. Floyd Edwards as co-hostess, it has been announced by Mrs. Carsey Tippet, president. The time of the meeting is 8 o'clock and the public, missing something by not attending these garden club meetings, is invited to attend.

PTA Pan Cake Supper Is Success; Nets More Than \$160

Wakelon School PTA pan cake supper, held last Friday night in the school cafeteria, was an overwhelming success, according to PTA officials.

It was the first such venture by the local PTA to raise funds, and there was a modicum of fear at the beginning. But the reaction and response of the public to the supper was so great that the officials are hinting of another supper of this kind.

The proceeds from the venture are to be applied in payment for the stage curtains in the auditorium.

Mrs. Hardin Hinton, treasurer of the PTA, revealed that a total of \$165.55 was cleared from the supper. She said there was approximately \$4 in expenses.

Donations of free materials were pan cake flour from Quaker Oats Co., sausage from Frosty Morn Co. and Kingham Co., Log Cabin Syrup from General Foods, 20 quarts of milk from Pine State Co., cups

Approximately \$1,000 Damages

A 1955 Buick driven by Walker Narron, about 20, of Route 1, Middlesex, crashed into a gas pump at Paul Brantley's Service Station No. 2 between 4 and 4:30 last Saturday afternoon, causing estimated damages of \$600.

According to investigating Patrolman D. B. Wagstaff, Narron was turning off Highway 64 into the service station and lost control of the vehicle, knocking the pump off its base.

He also reported that a neon sign was torn down with the impact. Estimated damages to the sign were about \$400.

Narron was charged with careless and reckless driving. According to Patrolman Wagstaff Narron was not under the influence of liquor.

Estimated damages to the Buick were between \$300 and \$400.

Zebulon Police Officer Willie B. Hopkins was called to the scene of the accident, and assisted Patrolman Wagstaff with the investigation.

Blue Crutch Sale Largest Total Ever

Sales of Blue Crutch pins last Saturday totaled \$61.54, according to Crafton Hudson, polio director for Zebulon.

The Brownies and Boy Scouts were in charge of the sales which were held on the streets.

Hudson said, "I am very proud of the Brownies and Boy Scouts. They showed what good citizens they are and how they want to aid in worthwhile causes."

This is the largest amount of money ever collected during Blue Crutch day in Zebulon, it was learned.

Wendell Rotary Club is sponsoring a pan cake supper Friday night at the school cafeteria from 5:30 to 8:30. Proceeds from the supper will be used for the school athletic association. Chocolate milk will be available for the children.

room to put on my suit. Then it hit me we would take the game."
