At the end of the year, Company assets amounted to \$496,805,341, an increase of \$33,870,398 during 1957.

Payments to policyholders and beneficiaries in 1957 amounted to \$23,292,416, 63% of which went to living policyholders. Jefferson Standard, now guaranteeing 2½% on policies currently issued, has never paid less than 4% interest on dividend accumulations and on policy proceeds left with the Company to provide income. 4% is the highest rate paid by any major life insurance company in the United States. This means extra income to policyholders and beneficiaries.
