Richmond Native Heads Newly Formed Lioness Organization

Zebulon Lioness Club is an auxiliary of the Lions Club.

This recently organized club— it was chartered on August 14, 1957 — is to promote a closer tie between the two clubs.

The Lioness Club's motto is to do organized civic and charity work and to assist the Lions Club in their projects whenever possible.

Mrs. George Tucker, wife of one of Zebulon's prominent physicians, is serving the club as its first president. She is actively interested in the club and is, according to some of the members, "making a wonderful president."

Mrs. Tucker is a native of Richmond, Va. She is the former Frances Anderson, daughter of Mr. and Mrs. W. J. Anderson. She is the baby of 10 children of Mr. and Mrs. Anderson.

After she graduated from Thomas Jefferson High School in Richmond, she entered the University of Richmond Extension Division in the commercial school.

When she completed her work in the school, she took a position as secretary and treasurer of Lone Star Cement Corporation in her home town.

Not long after she took a job, the young Richmond debutante met Dr. George Tucker, a young Enfield, North Carolina native, who was interning at Rex Hospital. According to Mrs. Tucker the meeting took place at a friend's house during a Christmas party.

No, it was not love at first sight. In fact, according to Mrs. Tucker, both she and the young doctor were going with other persons.

But eventually they became very good friends, the friendship ripened into love, and they were married on January 3, 1953, in the bride's church, Ginter Park Baptist Church, Richmond.

In December of 1953, Dr. and Mrs. Tucker became residents of Zebulon and Mrs. Tucker became active in the town's civic organizations. She belongs to the Carmen Flowers Garden Club, of which she has been president; the Lioness Club, of which she is presently president; a former member of the board of directors of Zebulon United Fund, and a former member of the Junior Woman's Club.

Mrs. Tucker is a member of Zebulon Baptist Church, where she has served on the Junior Board of Deacons and has taught in the Sunday School. Her husband is a Methodist, but is under the watch-care of the Zebulon Baptist Church.

Gardening is the chief hobby of the president of the Lioness Club. She loves to fiddle with all kinds of growing plants, especially unusual varieties, feeling they give her a challenge to grow. Right now,

Mrs. George Tucker

she is planting miniature orchids and is anxiously looking forward to the results. She, too, loves African violets and has a great number — some most exquisite — scattered over her lovely home on East Franklin Street.

Mrs. Tucker and her husband are the parents of a six-months-old daughter, Kimberly Jean, who is one of the most beautiful babies of the town and promises to become one of town's loveliest residents.

The striking blonde of 5-5 and 1/2 inches with expressive widely set green eyes, loves keeping house. She has a maid to come in only one day of the week to help.

She also loves civic work, feeling that outside interests keep mothers and housewives from getting staid and uninteresting. Besides, she believes that women play a necessary part in the affairs of their church and community.

Since the organization of the Lioness Club, which has a total of 18 members, the club has purchased the drapes and curtains for the Lions Club building, given 80 stainless steel place settings to the men's organization and has contributed other help.

For a club so young, Mrs. Tucker believes the Lionesses have done a great deal to aid the Lions Club.

Serving with Mrs. Tucker are the other following officers: Mrs. Crafton Hudson, first vice president; Mrs. Hardin Hinton, second vice president; Mrs. Martin L. Hagwood, third vice president; Mrs. Horace Gay, secretary; Mrs. George H. Massey, Jr., treasurer; Mrs. Alvin Beck, Lioness Tamer; and Mrs. William Bunn, Tail Twister.

Directors of the club are Mrs. Ray Goodwin, Mrs. Frank Kannon, Mrs. Howard Massey and Mrs. Frank Massey.
