National Guard units are performing a valuable service to state and country as "the country's first line of defense," the Inspector General told members of Battery A in Zebulon when he inspected the unit last week. Shown checking the inspector's findings are Lt. Col. Edward Yarborough, 113th Field Artillery Battalion commander; Brigadier General Edward F. Griffin, commander of 30th Infantry Division Artillery; Lt. Col. Floyd Martin, inspector from Headquarters, Third U. S. Army, Ft. McPherson, Ga.; and Capt. Jack Potter, commander of Battery A. ## No Entries Yet In Wake Beauty Pageant May 9

Is Zebulon going to be represented in the annual "Miss Wake County Beauty Pageant"?

So far, no entries have been made by either city or girls outside the city limits.

In last year's event, Zebulon had three entries. They were Kay Pate, Kay Chamblee and Carolyn Hanton. Neither of the girls was declared a winner.

In order to be a contestant, the girls must be between 18 and 25 years old, unmarried, and if in high school she must be at least a senior.

The pageant is set for May 9 in Fuquay Springs. It is sponsored by the Fuquay Springs Junior Chamber of Commerce.

Entry blanks may be secured from The Zebulon Record.

## Toes Broken By Falling Machinery

Howard Beck, who is associated with Beck Bros. Veneering Co., received two broken toes on his right foot last week when a gear of a machine he was working on fell.

The injured toes—the big toe and the toe next to the big toe—required the treatment of Beck's physician. He was not hospitalized.

He is able to be on his position with the veneer firm.

## Guard Attends Church Services

Ninety National Guardsmen of Zebulon's Battery A attended worship services at the Zebulon Baptist Church Sunday morning as part of an all-day drill. The Guard unit sets aside over an hour of each scheduled Sunday assembly to worship in churches of the community.

The Guardsmen are given time off to attend worship services at their own churches if they prefer.

Training during the day was devoted to preliminary marksmanship instruction on the rifles and carbines. Battery A will spend the weekend of April 26-27 at Ft. Bragg on the small arms ranges.

### Winners Named In Pinewood Derby

Zebulon's Cub and Boy Scouts brought back blue ribbons from the annual Occaneechee Council Scout Exposition held in Raleigh last Saturday.

The three dens of the Cub Scouts participated in the event. Den I, under the direction of Mrs. Frank Kemp, demonstrated Indian craft. The making of rabbit boxes was demonstrated by Den II, under the leadership of Mrs. Robert D. Massey. Mrs. Melvin Lanier's Den III had a project show of scrapbooks and bird feeders.

All three Den Mothers were delighted with the performances executed by the Cub Scouts.

The theme of the Cub Scouts was "Cub Scout Achievements."

Den Master Eldred Rountree said he was very much pleased with the Cubs that participated in the Exposition.

The Den Mothers expressed their pleasure in the way the parents of the Cubs assisted and in attending the event.

The Boy Scouts, under the direction of Ed Ellington, served pan cakes at the Exposition. Their project was cooking. It could not be learned the number of pan cakes the Scouts served, but according to some of those who attended the Exposition the number was "tremendous."

Vincent Rountree, a Cub Scout, had the fastest miniature auto in the Pinewood Derby. He represented the Cubs in the District and Council competition.

David Hawkins' auto was the prettiest in the competition and Rodney McNabb, Jr.'s was the most unusual.

## Rep. Whitley To Seek Fifth Term In House

Rep. Philip R. Whitley of Wendell, fourth-term member of the

Philip R. Whitley

House of Representatives, disclosed last week his decision to announce for a fifth term.

"I plan to offer for re-election to the House of Representatives from Wake County, subject to the Democratic Primary on May 31," he said.

The decision to enter the House race rather than that of the Senate was influenced by Whitley's belief that perhaps he could better serve the people of Wake County in the House of Representatives than in the Senate. He has long been interested in agriculture, and for four terms has been a member of the Committee on Agriculture.

He has also been chairman of the Committee on Military Affairs and chairman of the important Committee on Banks and Banking.

"For the many suggestions that I become a candidate for the Senate, I am grateful. However, I do not believe experience and senior- (Continued on Page 5)
