Award Night

Recognition For Cubs

On Monday night a record crowd enthusiastically applauded Zebulon Cub Scouts as they received numerous promotions and awards in recognition of work completed through the summer months. The Cub Pack meeting was held in the Zebulon Methodist Church.

Nine new Cubs and their parents were introduced to the 100 people attending by Cubmaster Eldred Rountree.

The new Cubs include. Bobby Burdge, Carl Tart, Dennis Smith, Tim Lanier, Steve Seago, William McNabb, Steve Hawkins, Stephen Jenkins, and David Hendricks. Other new Cubs introduced were Wilson Eddins, Eddie Martin, Kenneth Fowler, Mike Boykin, and Dixon Curtis. These have not yet been placed in Dens.

The large Pack Flag was shown for the first time at the meeting. The opening ceremony was led by Den 2, with Mrs. Ben Thomas,

Den Mother. Den 3 gave the story of "The Lion and the Mouse" and modeled

animal masks made during Den meetings. Mrs. Andrew Jenkins is Den Mother. Den 1, Mrs. Glenn Hinton, Den

Mother, presented "Doggie in the Window." Den 4, the newest in the Pack,

was introduced. Mrs. Rodney McNabb is Den Mother, Mrs. Randolph Hendricks is assistant.

Bobcat Badges were presented by Saponi District Activities Chairman Armstrong Cannady to the new Scouts. The badges were pinned upside-down with the advice that the badge could be righted when the new Cub did his first good deed.

"You've just qualified for the first rank in Scouting," Mr. Cannady said to the new Cubs. "You'll now follow an out-of-doors trail, starting with animals. Before you get to the Tenderfoot Scout rank, you will have gone through some adventures with the wildest animals-the Wolf, the Bear, the Lion. Then you can be a Webelos. Finally you will become a Boy Scout."

He urged parents to participate in Scouting with their sons. "A boy in the Cub Scouts cannot advance without his parents' help," he warned.

Other promotions included Bill Mangum, Wolf Badge, one gold and two silver arrow points; Harold Edwards, Wolf Badge, gold arrow head and two silver points; and Eddie Finch, Wolf Badge.

Mark Wilson received the Bear Badge; Freddie Hinton, Bear timistic about the outcome. Badge, gold arrowhead, and two silver arrowheads: Johnny Hendricks, Bear Badge and gold arrowhead; Danny Gordon, Bear Badge, gold arrowhead and silver arrowhead.

Freddie Hinton, promoted to the Lion rank, received his Lion Badge, gold and silver arrowheads.

Following the presentations, Mr. Cannady presented a film strip, "What Cub Scouting Is," to acquaint new members and parents with the Cub program. He told of plans for organizing a new Cub Pack in the Hopkins Cross Roads community and announced a free trip to the Virginia-U.N.C. football game for the Cubs on November 14.

Dr. Eph Whisenant To Speak At Middlesex Homecoming Sunday

Dr. Eph Whisenant, interim pastor of Middlesex Baptist Church, is to be the speaker when the loan company. church observes its annual Homecoming Day ceremonies Sunday, November 1, Mrs. Frances B. Chamblee, publicity chairman, has Fuquay made application at the announced. All former members same time. Finch said First Fedent for the regular worship serv- simultaneously. ices, fellowship, and picnic dinner. Representing Zebulon at the ceremonies.

There's No Slight Intended To Local Community

Zebulon telephone subscribers were reassured Wednesday that the local community will be listed prominently as neighboring Wendell on the cover of the new telephone directory when it is published in the near future. Jimmy Brooks, Southern Bell's Raleigh office manager, said the book will be headed, "Wendell and Zebulon Directory."

"It's just a matter of who comes first in the alphabet as to which is listed first on the cover," Mr. Gospel Sing Event Brooks explained.

Some local people were alarmed when notices confirming classified listings showed Zebulon numbers would appear in "Wendell Directory, Zebulon Exchange."

"That was an error," Mr. Brooks said.

The new directory will contain Wendell and Zebulon listings in the front, followed by the Wendell and Zebulon classified section. Numbers on one exchange may be dialed from the other exchange without going through a long distance operator.

Following the local classified tets. section, Apex, Cary, Garner, Knightdale, and Raleigh exchange numbers will appear, followed by the usual yellow pages for Raleigh and other communities in the book.

was Mayor Ed Hales.

First United Fund Report Is Given

Crafton Hudson, United Fund head, has issued the first report of Fund collections for the 1959-60 campaign.

Hudson reported a total of \$1,-052.20 has been deposited at Peoples Bank & Trust Company. This, he said, is 22% of the total year's goal of \$4,637.60.

Hudson said: "It will be a shame if the goal is not reached. The agency figures are at the very minimum, and if the goal is not reached these agencies will go lacking."

He urged persons who have not contributed or who have been missed by solicitors to turn their contributions in to the cashier of the local bank.

The campaign will close at the end of the week, Hudson said.

Gospel Sing Event

Zebulon Lions Club is sponsoring a gospel singing session Sunday, November 1, beginning at 1:30 p.m. in Wakelon High School auditorium, Lions President Ray Goodwin has announced.

Heading the list of some of North Carolina's most famous singing groups will be the Carolinians Quartet of Albemarle. Other groups to be on the afternoon program will be the Marvelairs Quartet of Wendell, the Pulley Sister Duet of Rolesville, and other outstanding trios and quar-

At present, the country is very Information Service said East stable politically, the newspaper-Pakistan is faced with many eco- man said. This has been so since last October when Ayub Khan Billy Green, vacationing with came into power and declared

Khan was former chief of staff popular with the people, Green said, and has restored a sense of order. Since Khan has been in power, political viewpoints are not as diverse as previously.

Pakistan was formed in 1947 from those parts of India which had a predominantly Moslem population. Geographically it falls into two sections: Western Pakistan and Eastern Pakistan. Eastern Pakistan has an area of 54,501 square miles, and consists of the province of East Bengal.

The population of East Pakistan is about 10 times that of North Carolina, Green said.

There is the ever present prob-lem of unemployment. Unlike the United States and many other Western countries, the people look to their government to supply them with employment.

Green said Pakistan is very pro-America. They like America and its people. Of course, they do not understand everything America does and some of the things it does are not liked.

Pakistan is very anti-Communist, Green said, and is fighting fiercely to keep Communism from

infiltrating into the country.

Another great problem facing the country is the health of the people. A huge health problem exists, Green said. Cholera, which is endemic, and smallpox strike thousands and thousands of persons each year.

Last year the United States sent a health team to Pakistan to treat the populace stricken with diseases. Green said this group was The North Carolina National well received by the Pakistanians
