Adult Dance Classes Set

Classes in ball room dancing for adults are being formed. Mrs. John Hilliard, an Arthur Murray graduate, has consented to teach the classes. Numerous persons have contacted Mrs. Hilliard and she has consented to meet with those and other interested persons in the basement of Hilliard's Restaurant Monday night, April 11, at 8 o'clock.

Winners

Five members of Wakelon School 4-H Club, girls' division, have won ribbons in the Wake County Talent Contest held in Raleigh Monday. Ann Davis and Joan Baker won blue ribbons. Ann did the Charleston and Joan did a modern jazz. Vickie Walters, Vickie Wood and Dorothy Strickland won red ribbons for a group tap dance routine.

Heart Fund

Residents of Zebulon contributed \$20 to the 1960 Wake County Heart Fund drive, according to Dr. A. C. Bulla, county campaign chairman. The drive was conducted throughout the month of February.

General Fund Aided

An accumulation of fines from Zebulon Recorder's Court has been turned over to the town's treasury. Court Clerk Willie B. Hopkins reported that the Town Board Monday night authorized the transferring of \$3,000 from the court treasury to the town treasury.

Hopkins said this is an accumulation of one year.

Clean Vacant Lots

The Town Board urges the citizens of the town to clean up their vacant lots. Many vacant lots throughout the town are unsightly, and filled with debris, rubbish and other trash.

Police Chief Willie B. Hopkins said this clean-up campaign is to keep Zebulon beautiful. And unsightly vacant lots can be eyesores to the town.

If the lots aren't cleaned, Hop-

kins said there is an ordinance whereby the town can clean the lot and charge the cleaning bill to the property owner's taxes.

Finish Tennis Courts

The Town Board authorized Monday night the finishing of the tennis courts at Zebulon Community Park. These double courts were begun last year but were not completely finished. There is some more grading to be done, the erecting of wire backstops. Payments will be made by the town unless donations are made.

Guardsmen Increase

National Guardsmen of Zebulon's Battery A increased the training tempo Sunday as the June summer camp drew nearer. This year marks the second year Battery A will fire its huge 8-inch howitzers.

This year the local battery expects to have three of the big guns. A third crack firing section is being trained to man the piece, which can fire a 200-pound projectile more than 10 miles.

Capt. Jack Potter said yesterday that qualified men are being recruited to fill vacancies in Battery A as they occur. These men will be trained in several highly skilled specialties, he said, and the knowledge they receive may be of help in their civilian occupations.

Interested men between the ages of 19 and 25 can contact CWO Johnsey P. Arnold at the armory Monday through Friday of each week.

Wakelon PTA Meet Postponed 'til April 25

Mrs. G. H. Temple, Wakelon School PTA president, has announced that the April meeting will be postponed until the fourth Monday night, April 25, because the regular meeting date falls on Easter Monday.

Scout Troop 525 Wins Top Honors at Big Ft. Bragg Camporee

By Howard Phelps

Scout Troop 525 will represent the Saponi District in First Aid competition April 30, at the Scout-O-Rama to be held at the N. C. State Fair Grounds. This top honor was achieved by Troop 525 being the first in the Saponi District to finish a competitive event in First Aid at the Council Jubilee Camporee held at Fort Bragg April 1 and 2.

The troop received a total of 950 points out of a possible 1,000 while attending this event; the points were achieved from all phases of Scouting; thus placing troop 525 second in rank in the Saponi District.

A certificate award for achievement and participation will be placed in the local meeting place of the troop.

Nineteen boys from Troop 525 left Friday afternoon under Scoutmaster, Howard Phelps' leadership to attend the Jubilee Camporee at Fort Bragg as a commemorative event for 50 years of the Boy Scouts of America. Upon arriving Friday night the boys made headway and set up the campsite. The boys working in the patrol method, pitched their tents, gathered fire wood and shortly afterwards all were seated for an outdoor meal which the boys themselves had prepared.

Saturday's activities began at 6 a.m. and upon finishing breakfast, all went via a bridge which the Army put together across Smith Lake, to Pope Airfield where everyone enjoyed special demonstrations by Fort Bragg. Events included helicopter and airplane, and sky divers whose skills ranked top in our books. Truly a show that will be remembered by many for many years.

Competitive events started in the afternoon and the boys of Troop 525 are to be commended for the Scout spirit and eager anticipation of entering each event and thus achieving additional points to place them in second rank. A colorful uniform patch was available for all attending and a good and memorable time was enjoyed by all.

Those attending were: Tommy (Continued on Page 7)

Importance of Rotary In World Affairs Stressed by Speaker

"We are more and more becoming a one people," County School Superintendent Fred Smith told members of the Zebulon Rotary Club last Wednesday night during a talk on "Bridging Borders in Rotary." He stressed the "interdependence" of the nations of the world.

"Communications and travel have compressed the world," he said.

An example of diverse people living in peace and harmony is found in Switzerland, he said. "All over Europe we find a changing situation," Mr. Smith said, "as interdependence and concern for fellowman is rising.

Rotary is playing a large part in this change for the better among European nations.

First organized in Europe in 1911, Rotary today has 2,300 clubs in Europe, North Africa, and the Eastern Mediterranean with more than 100,000 members.

The clubs are assisting each other with inter-country committees, which, Mr. Smith said, "set an example for us here in America."

Lions Looking A Beauty To Send To Fuquay Pageant

Zebulon Authorized Funds for Planning Low-Rent Housing

Zebulon is one of four Wake County towns which has been authorized planning funds for low-rent public housing projects.

The Public Housing Administration authorized loans totalling \$15,600 for the projects for the four towns. Zebulon is scheduled for 16 units; Apex, 10 units; Wake Forest, 40 units; and Wendell, 12 units.

Robert D. Massey, past president of the Chamber of Commerce, said no proposed site for the project has been selected. This is part of the planning study.

Massey added that a low-rent public housing project has been worked on for the past seven years.

After the planning is completed, PHA will enter into a so-called annual contributions contract with the Wake County Housing Authority to cover the construction and maintenance of the projects. Under such contracts, PHA pays the difference between the amount of rent collected and the funds necessary to liquidate the loans and maintain the projects.

All four towns already have had their workable programs for the elimination of slums and residential blight approved. This makes them eligible for public housing and other federal aid programs.

Corinth Seniors Visit Chapel Hill Galleries

Twenty-three members of the Science Club at Corinth-Holders High School visited the art and science galleries and attended "Easter, the Awakening" at the Morehead Planetarium in Chapel Hill recently.

The students taking the trip were Ronald Barham, James Hinton, Carolyn Barnes, Ava Crumpler, Jane Painter, Barbara Earp, June Medlin, Joyce Johnson, Wilbur Batten, Linda Parrish, Nelson Batten, Paulette Lynch, Yvonne Glover, Daphne Wilson, Joyce Hinton, Carol Horton, Edith Carroll, Janie Boykin, Phyllis Boyette, Carolyn Martin, Linda Atkinson and Brenda Alford.

Calling all girls, calling all girls. It will soon be Miss Wake County Pageant time.

And Zebulon is looking for a queen.

Zebulon Lions Club is again this year going to sponsor a candidate to the pageant to be held at Fuquay-Springs May 20.

Any girl who will be 18 years old by this fall and not over 23 years old, and is at least a senior in high school may enter this contest, Crafton Hudson, ex-Lions Club president, said.

The elimination contest for local beauty and talent will be held at Wakelon High School auditorium Friday night, April 15. Three impartial judges from Fuquay Jaycees will come to Zebulon to pick the representative to go to the pageant.

Hudson said that the club feels that having out of town judges will cause no partiality. And, too, these judges have dealt with the selecting and judging of beauty, since the pageant is well established in their town.

The girl picked for Zebulon will reign as queen of the town and community for the whole year, Hudson said. She will be represented at any of the town functions where her appearance is deemed necessary.

Girls or business establishments wishing to sponsor a candidate are asked to get entry blanks from Hudson, M. L. Hagwood, Worth Hinton or Frank Kemp.

Last year's representative was Jackie Mitchell, who was second runner-up in the pageant's contest. She is now a freshman at Wake Forest College.

Pictures of the young ladies with pertinent information about them will appear in next week's issue of this paper.

Ted Davis, public information officer of the Employment Security Commission and a native of Zebulon will emcee the pageant this year. He was master of ceremonies of the event last year.
