Mrs. Howard Bunn

To Open Kindergarten

Mrs. Howard Bunn is enrolling children for her kindergarten which she will operate in her home on Lee Street this fall.

Mrs. Bunn considered offering kindergarten work to pre-school children two years ago but at that time she and her husband had not become residents of Zebulon. They have since built here and make their home here.

The kindergarten will be open to children four and five years old. It will operate from nine to twelve each morning and will also operate on the same schedule as the local school.

A variety of activities, such as rhythm band, story time, mid-morning snack, free play and reading readiness will be presented in order that the child may experience mental, physical and emotional growth.

The program will not overlap work offered in the first grade, Mrs. Bunn said, but will serve as a readiness program for the pre-school child. There will be a visit to a farm, a train ride and other activities planned for the interest and enjoyment of the kindergarten set.

A special program will be presented for parents and friends at Christmas and at the close of the school.

Mrs. Bunn is the former Grace McLeod of Elizabethtown. She is an alumna of East Carolina College and rounded out 30 years of teaching in the public schools of North Carolina this year.

She and her husband are the parents of two children, Mrs. J. T. Moss of Youngsville, a Meredith College graduate, and Howard Bunn, Jr., a Wake Forest College graduate, who will enter the Wake Forest School of Law this fall.

Mrs. Bunn will attend a kindergarten workshop at East Carolina College beginning June 27.

For further information, she can be contacted at her home or by calling ANdrew 9-9426.

Mrs. Ralph Bunn Outstanding Mother

Mrs. Ralph Bunn, Sr., has been awarded the Scoutmaster's Award, as the outstanding Scout Mother of Honor of Troop 525, at the troop's Court of Honor held at the Methodist Church, May 29.

The award, with the inscription, Boy Scouts of America, Troop 525, was presented by Howard Phelps, Scoutmaster. The recipient of such an award is determined solely by the Scoutmaster and was approved by the Occoneechee Council.

Mrs. Bunn was presented the award for the ever faithful and never faltering services rendered by her to the troop. In the presentation of the award, Phelps said, "to one whose never failing enthusiasm and interest could never be repaid with all the world treasures; for services rendered far and beyond the call of duty to help make Scouting activities for the troop materialize more fully; and the inspirational guidance you have offered to the boys and Scoutmaster of the troop; by opening her home to them as she would to her son; and her never faltering interest and encouragement, may I take the honor of presenting you this award."

One can truly see the encouragement she possesses, by the factor that her son, Bunny, is a Life Scout and holder of the God and Country Award. Bunny is a member of Troop 525.

In closing Phelps stated "your services rendered to the present shall always be remembered and appreciated. I am sure that all your inspirational services shall be continued to support the largest boys' organization in the world, the Boy Scouts of America. May God ever and richly bless you and to you we bow with heartiest thanks and appreciation for your support."

Water Shortage

Wakefield families being served by Zebulon's water system have put up a howl to Water Commissioner Willie B. Hopkins.

These families are almost unable to get any water during the hours of from 11 to 2 and from 5 to 7 p.m.

Hopkins said this is because the greatest amount of water is used during these hours by the town folk. Another reason is because the water pipe line to Wakefield is inadequate for the furnishing of water to residents there.

The water commissioner urges that persons not use excessive amounts of water for their yards and gardens. He said some people just turn on their water and let it run.

So far there has been adequate water for the town populace, and no complaints have been voiced.

Clothes Torn Off; Rubber Pipe Used In Beating

Three Zebulon Negroes were charged Saturday night by Zebulon police for participating in an affray and disorderly conduct. They were Mathew Hinton, Jr., Melza Carpenter, Jr. and Alice McNeal.

Police Chief Willie B. Hopkins reported that the three were engaged in a fight Saturday night about 11 o'clock in front of Katie May's place on Barbee Street.

According to Officer Hopkins, Justine Mitchell and Carpenter were arguing over "personal matters" in front of the Negro juke joint. Alice McNeal came up and "said something" to Carpenter that Hinton did not like.

During the scuffle, Alice McNeal tore some of Hinton's clothes off him, and he beat her about the head and body with a rubber hose.
