THE ZEBULON RECORD

Volume XXXV. Number 35.

Zebulon, N. C., Thursday, September 22, 1960

Theo. Davis Sons, Publishers

Powell Bill Funds

Town To Get \$6,520.70

The Town of Zebulon has been allocated \$6,520.70 in Powell Bill funds for 1961.

Last year's allocation was \$6,429.21, according to Mayor Ed Hales.

Funds are distributed annually to qualified cities and towns for use in non-highway street work within their corporate limits. Checks will be mailed to the municipalities on September 30.

The neighboring town of Wendell will receive, \$6,393.53.

Powell Bill fund represents one-half cent of the regular State gasoline tax and this year's total allocation represents a 3.6 per cent increase over last year. Over the ten-year period in which the Powell Bill law has been in effect, a total of \$58,797,140.55 has been distributed. The number of participating municipalities has

grown from 386 in 1951 to 409 this year.

The allocation is proportioned among the eligible and qualifying municipalities on the basis of relative population and relative non-State system local street mileage, as specified in the statutes.

Highway officials pointed out that they were required by law to use the 1950 census figures for the population factor since the statute calls for using the "most recent certified Federal Decennial Census." The 1960 census will not meet statutory requirements of the Powell Bill law until it is certified officially. This is expected to be done this winter.

Rates for computing the allocations this year are \$446.68 per mile of non-State system streets plus \$2.30 per capita using 1950 census figures.

Fair Playing To Capacity Crowds

Hoochie-coochie dancers are there with their bumps and grinds. Barkers urge you to come in to show your good arm at knocking milk bottles over.

Little celluloid ducks float leisurely on water for you to fish out, with the slogan "Win A Prize Every Time."

The ferris wheel with its myriad lights floats gaily over and over, like a gazelle over mountain brush.

The ompah-ompah of the merry-go-round, with its unseeing horses chasing something but never catching it.

This is fair time.

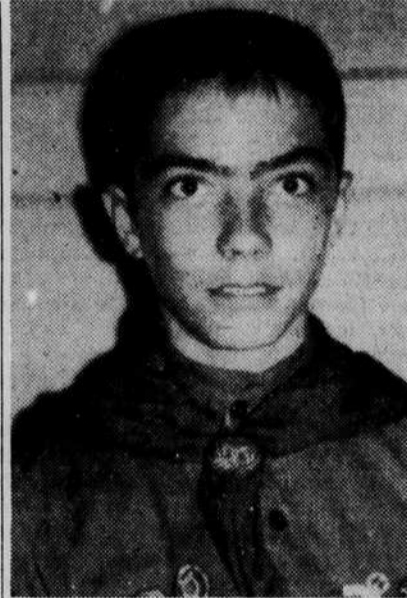

And Zebulon's Five County Fair is playing to capacity crowds each night. The weather this week has been ideally suited for carnival personnel and fair-goers. Tonight, tomorrow night, and Saturday night the crowds are expected to break all records.

The fair is sponsored again this year by the Zebulon Lions Club.

God And Country Awards Given Two Scouts Of Zebulon Troop

Avon Privette, Jr.

Rodney McNabb, Jr.

Two Zebulon Boy Scouts have been the third and fourth Scouts in the Saponi District to receive the God and Country Awards.

Avon Privette, Jr., and Rodney McNabb, Jr., were presented the awards in a ceremony at Zebulon Baptist Church last Sunday evening. The youths' pastor, the Rev. W. Arnold Smith, made the presentations.

One of Scouting's top-most honors, these awards were the results of a year's intensive study and program participation in church activities. They studied the denominational doctrines, special scripture passages, history of the local church, books of the Bible, and the world mission program of the Southern Baptist Convention.

They were required to study and make maps of various Baptist missions. Privette made maps of the islands of the Pacific. McNabb made maps of South American missions.

They also had to make maps of Baptist Colleges and orphanages of North Carolina, and do a 1,000 word essay on the church board of deacons. They were also required to do six service projects and to serve as an officer in one of the units of the church.

Evidence of faithful church attendance and personal devotions were also a required part of the award program.

Hubert Ellison, executive of the Saponi District, addressed the recipients and congregation on the place scouting plays with God and country. The boys' troop leader, Ed Ellington, presented them with the charge.

Both Privette and McNabb are 13-years-old. They are in the eighth grade at Wakelon School, where they participate in the band, 4-H club and sports. Both are First Class Scouts.

The inspiring service, carried out in a gold theme because of the Scouts 50th birthday, was highlighted when the boys presented an awarding pin to their mothers for the parental encouragement from mother and dad.

Ralph H. Bunn, Jr., was the first Zebulon Scout to receive this honor. Vincent Rountree was the second.

New Traffic Ordinance Hauls Violators Into Courthouse

Since the mayor and town board of commissioners have passed an ordinance limiting parking on Arendell Avenue from Vance Street to Sycamore Street a number of persons have been given tickets for violation of traffic offenses.

From Vance to Sycamore Streets on Arendell Avenue there are signs which state that no vehicle may be parked more than two hours.

The mayor and commissioners have said this new ruling is for the benefit of the people coming into Zebulon to shop or transact business. Heretofore, proprietors of business establishments and employees left their cars parked on the streets, causing no parking space available for persons from out of town.

Not all the violations are for overtime parking. Some are for other types of illegal parking.

Policeman L. A. Baker is in charge of checking the vehicles and writing up tickets.

The following persons have been cited to town office for receiving illegal traffic tickets:

Speech Scenes
Seen at the Coliseum Saturday night when Senator John Kennedy, Democratic presidential candidate, spoke.

Senator Kennedy, suave, slimly handsome, dressed in a slate blue summer suit with white shirt (not French cuffed) and blue tie with a tiny white print.

Coming into the Coliseum and up the steps to the speaker's rostrum, he was followed by North Carolina gubernatorial-nominee Terry Sanford and other members of his retinue.

scurrying around the front of the podium.

Newspapermen sitting laconically, waiting, smoking, doodling on telegram forms furnished by Western Union.

Younger members of the press, high school journalism students, making rapid notes of the shindig.

Multi-colored balloons floating through the air. And placards with various and sundry catchy slogans.

Kennedy Girls mingling with the crowd, dressed in dark skirts and white blouses and wearing imitation straw hats with the picture of a smiling Kennedy on the crown.
