TRUMAN TO SPEAK HERE

LIBRARY TO BENEFIT FROM

Got any "white elephants" around your house?

A White Elephant Sale will be staged at the National Guard Armory on October 29 to raise funds for improvement and expansion of Zebulon's Community Library.

Members of the Zebulon Rotary Club this week begin active solicitation of "white elephant" contributions to be sold at auction. The entire community has been portioned with each Rotarian responsible for contacting residents in

his assigned district.

"No matter whether we obtain several hundred or several thousand dollars, the entire proceeds go to the library," said Sidney Eddins, project chairman. "The future of our library, which the American Legion Auxiliary has conducted admirably in cooperation with municipal authorities, depends on the outcome of this sale."

Any kind of useful item with a resale value is requested by the Rotarians.

Suggestions include a circulating oil heater from a person who has installed central heat; a fan from a man who has installed air conditioning; feeding troughs from a man who no longer raises hogs; an oil tank from a man who has installed a heat pump.

"It does not matter how large or how small the donation is," said Eddins, "if it has a resale value we want it for the White Elephant auction."

Rotarians have donated use of trucks to transport large items to the National Guard Armory where they will be stored until the sale.

All items will be sold at the sale at absolute auction.

What is a "White Elephant Sale"?

Chairman Eddins explained that the King of Siam used to give white elephants to members of his court whom he wished to ruin. In Siam white elephants are sacred, and the expense of keeping them is ruinous because they do nothing but eat, not being allowed to plow or work at sawmills as other elephants do.

Thus the term "white elephant" came to represent any item which, while normally of great use, is of no value to the person who

HARRY S. TRUMAN
EX-PRESIDENT

Democratic Leaders Featured At Morning Rally in Zebulon; Enthusiastic Crowd Expected

Former President Harry S. Truman has accepted an invitation to speak at the Eastern Wake County Democratic Rally to be held in Zebulon Friday, October 14. Also appearing on the program will be Governor Luther Hodges, Democratic Gubernatorial Nominee Terry Sanford, Agriculture Commissioner L. Y. Ballentine, and Congressman Harold D. Cooley.

Second Place!

By Bill Quick

The Wakelon Bulldogs and Wendell White Phantoms were the only victors in last Friday night's football contests. Defeating Spring Hope by two touchdowns, the Wendell eleven chalked up its second victory of the campaign. Nashville fell to Warrenton, Rolesville to Wakelon, and Benvenue was idle.

Team	Conference		All	
	W	L	W	L
Benvenue	2	0	3	0
Wakelon	2	1	3	1
Wendell	1	1	2	2
Nashville	1	1	2	2
Spring Hope	0	1	0	4
Rolesville	0	2	0	4

The appearance of these five Democrats is expected to attract the largest crowd in the history of a Democratic rally here. It will be the second time the former president has made an address here.

Truman is scheduled to speak at the State Fair in Raleigh on Thursday, October 13. He will attend a \$50-a-plate dinner in the Capital City Thursday night, where he will make a short address.

Mr. and Mrs. E. C. Daniel, parents of Truman's son-in-law, will be guests at the dinner.

At first plans were the ex-President would spend the night in Zebulon with Mr. and Mrs. Daniel. Those plans were changed because of the former President's on-the-wing speaking engagement.

Robert D. Massey, Chamber of Commerce president, said a motorcade will be formed in Raleigh for

the trip to Zebulon. The ex-President and his entourage are scheduled to arrive here about 10 o'clock.

Wakelon High School Band, under the direction of Herbert Ireland, will march from the school to mid-town Zebulon where it will be presented in concert prior to the ex-President's arrival.

Massey, chairman of the steering committee which is handling overall preparations for the rally, expressed appreciation for Robert Cotton's assistance in arranging for Truman's visit here. Cotton is Wake County Democratic Executive Chairman.

"We feel fortunate in having a former president as speaker for the rally," Massey said. "In fact, we feel very fortunate to have the 'big five' to appear in our town."

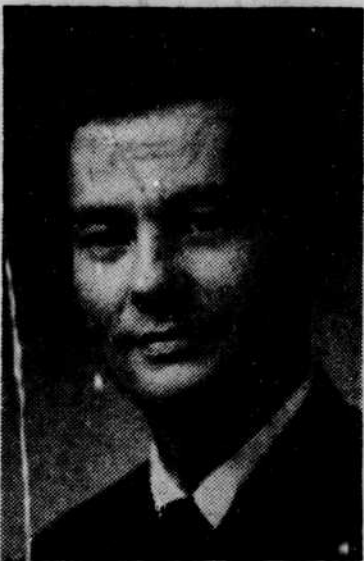

Little River Township Precinct Chairman Willie B. Hopkins said: "We feel confident that Mr. Truman's visit, along with our next Governor, Terry Sanford, and Commissioner of Agriculture L. Y. Ballentine and Congressman Harold Cooley, will help make the rally one of the most successful ever staged in Wake County."

Massey also asked for the all-out cooperation of local citizens in preparing for the rally, and is extending a welcome to visitors.

Eastern Wake County towns are Zebulon, Wendell, Knightdale, Eagle Rock and Rolesville.

The event is to be held at the intersection of Arendell Avenue and Horton Street. In case of rain, Massey said, the speakers will be moved to the National Guard Armory.

"It is one of the biggest things ever to come to our town," Massey said. "We are expecting a capacity crowd for the event."

Bulldog Boosters

"Boosters for the Bulldogs" is the call to all persons tonight. At the Zebulon Town Hall at 8:00, an organizational meeting for the Boosters of Wakelon High School will be held. All persons who are interested in the athletic program of the school are asked to attend. The initial meeting will be preceded at 6:00 p.m. by a Junior Varsity football game at the Wakelon athletic field between Wakelon and Benvenue. Sports enthusiasts are asked to attend the JV game and then the Boosters Club.
