Boosters Club Reorganized

The Boosters Club of Wakelon High School was formally re-organized last week by a number of Zebulon sports enthusiasts. The Booster's Club, defunct for almost two years, was resurrected by the interest created during the current football season.

Supporters of the Wakelon Bulldog's football eleven are enjoying the best season in over two decades, a 3-1 slate to date.

The meeting was called by W. M. Sutton, local businessman, and three or four sports-minded citizens. Sutton said, "We are not here to criticize our team, our coach, our principal, faculty or school board but to boost each one."

"We want all persons to know that we appreciate the fine athletic program of our school," he continued. "The re-organization of the Boosters is to support our Wakelon School and athletic program."

Some 25-30 persons were present for the initial meeting. The group elected officers and launched a membership campaign.

Richard B. Turlington, a native of Chadbourn and former Raleigh resident, was elected president of the Boosters. Other officers elected were Edward Pearce, first vice president; John Clark, Jr., second vice president; Mrs. Evelyn Creech, secretary; and Johnsey P. Arnold, treasurer.

Membership dues were set at \$5.00 per family or \$2.50 for an individual. All persons present agreed to participate in a drive to enlist new members.

Coach Maurice Chapman told the group that he was willing to start a weekly class to help explain the game of football to those persons who feel a need to know the game's fundamentals.

The group accepted the offer and agreed to meet each Monday evening at 7:30 p.m. at Wakelon School following the varsity's practice session. This is Chapman's second year as head mentor of athletics at the East Wake County school. He previously served as coach at Spring Hope, Weldon and schools in his native state of West Virginia.

Town Growing Says C of C Prexy

"Zebulon's growing is showing," said Chamber of Commerce president, Robert D. Massey, this week. New buildings being erected in the Business District of downtown Zebulon include a new launderette, a large warehouse addition to a local wholesale house, a new law office building and a new supermarket. An addition is currently being built to a farm supply building.

In addition to growth in the Business and Residential Districts, Massey said, we can point with pride to the building and remodeling done at Wakelon School this summer and to the new Zebulon-Wendell branch of the Wake County Memorial Hospital which will soon open its doors. Zebulon is the fifth largest town, population wise, in Wake County.

Democratic Rally

Truman Talks Tomorrow

Mr. Truman

Zebulon and other Wake County people will have several opportunities to see and hear a former President of the United States when Harry S. Truman visits this section of the State this week.

Truman, affectionately known as "Mr. Democrat" will open with a major campaign address at the Arena at the North Carolina State Fair at noon today (Thursday), October 13, followed by a press conference at The Hotel Sir Walter at 4 p.m., and climax the day's schedule as principal speaker at a fund-raising dinner that evening in Raleigh.

On Friday, the former President will be in Zebulon between 10 and 11 in the morning. He is scheduled to make a short political speech here, after leading a motorcade from Raleigh.

The talk of "Mr. Democrat" will be made in front of the Zebulon Drug Store, operated by the father of Truman's son-in-law, E.

C. Daniel, Jr., formerly of Zebulon but now of New York City.

Representatives from the precincts of Marks Creek and Little River Townships met Monday a week ago to map plans for one of the most ambitious Democratic rallies to be held in eastern North Carolina.

In case of rain, the rally will be held in the National Guard Armory. Weather men, however, promise fair and rainless skies.

Appearing on the program with Truman will be Governor Luther H. Hodges, Governor Nominee Terry Sanford, Congressman Harold Cooley, and Commissioner of Agriculture L. Y. Ballentine.

Town officials report they expect a crowd of at least 10,000 persons to be on hand for the festivities.

Wakelon High School of Zebulon established itself as the contender for Conference honors last Friday night when it rolled over non-conference foe Lillington 20-7.

Defeated in its opening game by Conference champion Benvenue 31-7, the Bulldogs have marched to four consecutive wins over Norlina, Nashville, Rolesville and Lillington. In impressive wins over Rolesville and Norlina, holding each scoreless, the Bulldogs allowed only three touchdowns in the other two contests. It has outscored its last four opponents 60 points to 20.

Paced by leading scorers Ellis King and Jesse Parrish, the Zebulon gridmen are marching toward their best season since 1937 when Wakelon had its last winning club. In 1937, the Bulldogs went undefeated through nine contests.

In other Wake-Nash-Edgecombe Conference games last Friday night, Benvenue High of Rocky Mount defeated classy Scotland Neck (Class 2-A) 13-0. Benvenue stands 4-0 in the current gridiron wars and is expected to repeat its 1959 undefeated season.

Wendell's White Phantoms marched to their second consecutive conference win over hapless Rolesville 31-13. Sparking its greatest offensive effort of the season, Wendell literally outran the Rolesville eleven. Halfback Richard Sykes intercepted a Rolesville pass in the end zone and scampered 102 yards to paydirt. Sykes later scored on a 67-yard run. Rolesville's TDs came on a 20 yard run by halfback James Everette and a 51-yard run by fullback Henry Halley.

In a Memorial Bowl game at Spring Hope, the visiting Nashville squad went down to their second one-point defeat during the current season. Spring Hope bested their rival Nash Countians 28-27. It was Spring Hope's first victory in six games. Three weeks ago Nashville suffered a one-point defeat at the hands of the Wakelon Bulldogs, 14-13.
