Record To Publish Pictures Of Children In Community

It is an undisputed fact that the responsibilities of tomorrow's world, our Nation, and Community will rest upon the shoulders of the children of today. Since this is true, the publishers of *The Zebulon Record* plan to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures . . . they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Wednesday, Nov. 16. Pictures will be taken at the Woman's Club from 10 a.m. to 5 p.m.

No Charge to Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word.

Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they ob-

ligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the Studio representative when they select the pose they want printed in the paper. It is entirely up to them.

The More Pictures, the Better

The *Record* simply wants pictures of all the youngsters and the more, the better. So the Mothers and Fathers of the community in which this paper circulates should remember the date—Wednesday, Nov. 16., at the Woman's Club—and not fail to bring their children to the photographer.

You will be mighty glad, afterwards, if you did, and very, very sorry if you do not permit your children to participate in this event.

The kiddies will have much fun and both Mother and Dad—and the youngsters, too—will be very proud to see their pictures in print later.

Appointments may be made by calling *The Zebulon Record* office, telephone AN 9-4231.

Beta Club Taps Candidates Into Club In Auditorium

On Friday afternoon, October 21, 1960, the Wakelon Beta Club held chapel in the high school auditorium at which time the new officers for the year took their oaths of office and students eligible for membership were inducted.

An impressive devotional service was rendered by the former members who portrayed the characteristics to be found in a Beta Club member. They entered the dimly lit auditorium to the strains of the Beta Club song carrying placards which denoted these characteristics: Honesty, Justice, Service, Co-operation, Responsibility, Industriousness, Humility, and Charity. Mrs. Seago, the sponsor, read the narration and Scripture verses which illustrated their meaning and showed how each related to the life of the individual. The devotional was closed with the singing of the Lord's Prayer by Phyllis Parrish.

The president, Freddie Clark, gave a speech on the four keys to successful living: these being achievement, character, leadership, and service. The following officers took their oaths of office:

President Freddie Clark lighted

the white candle which signified purity.

Vice President Carol Gay lighted the red candle which signified the bravery of the members.

Secretary "Pete" Creech lighted the blue candle which signified courage and fidelity.

Treasurer Connie Hepler lighted the gold candle which stood for all the members of the Beta Club.

The former members of the club: Elaine Doyle, Joyce Chapman, Mickey Hinton, Waddell Gay, Priscilla Bercik, and Judy Temple went into the audience and tapped those eligible for membership. Taking the pledge as new members were: Betsy Alford, Janice Anderson, Jimmy Boykin, Betty Bunn, Jo Ann Bunn, Janice Carter, Freddy Ellington, Carolyn Finch, Faye Griswold, Lucy Hocutt, Jane Ihrle, Douglas Perry, Sandra Perry, Jimmy Perry, Theresa Perry, and Dyanne Strickland.

The Beta Club is a national organization based on scholastic achievement. Its members must have at least a 90 average. It is both an honor and a great achievement to be a member of this club.

Mayor's Proclamation

Whereas, it is becoming increasingly recognized that ignorance and freedom are incompatible, and an efficient school system in each community is vital to the preservation of our American way of life,

"And whereas, the observance of a special education week each year affords opportunity for parents to visit schools, for community leaders to discuss critical school problems, and for a general reappraisal of public education with a view to its betterment,

"Therefore, I, T. Ed Hales, mayor of Zebulon, do proclaim Nov. 6 to 12, 1960, to be American Education Week in this town."

Telephone Changes

The alphabet is going to disappear from the telephones in Zebulon.

W. D. Reynolds, district manager for Southern Bell Telephone Co., announces that from now on only numerals will be used on dials installed in Zebulon, Raleigh, Apex, Cary, Garner and Wendell. This change began to take place November 1.

This means that instead of a telephone number being AN 9-7299 it will be 2697299.

Reynolds stated that it will take approximately three years to change all telephones to the new number system.

Among the reasons for the change to All-Number Calling are:

1. **Faster Dialing**—There are no confusing letters in dialing a call—only numerals, which are easier and quicker to find on the dial.
2. **More Accuracy**—No confusion between letters and numerals, such as the letter "I" and the number "1"; the letter "O" and the zero.
3. **More Growth**—All-Number Calling will provide more available numbers which is a factor in the company's growth and an improvement in its service.

Telephone numbers in Goldsboro began changing to All-Number Calling on August 1.

Death claimed a prominent business man and citizen last Friday, October 28. He was Samuel J. Ferebee.

Ferebee, 69, was stricken about five o'clock at his store on Arendell Avenue. He died in Rex Hospital about three o'clock Friday morning. Death was attributed to a heart attack.

He was one of nine children of Mr. and Mrs. Samuel Ferebee of Sligo.

Ferebee opened Zebulon Grocery here 16 years ago. Prior to coming to Zebulon he was a general contractor. During World War II he was in construction work.

He was the supervisor of construction for the Raleigh Little Theater and was presented an award for his participation in this WPA project.

He belonged to no civic or fraternal organization. His hobbies were gardening and outdoor cooking.

In 1912 he married the former Lois Brantley of Zebulon. There are two children by this union, Mrs. Garland Godwin of Raleigh and Harold Ferebee of the home. There are two grandchildren.

A funeral service was held at Zebulon Baptist Church Sunday at three o'clock for the deceased. Pallbearers were R. D. Massey, Willie B. Hopkins, Preston Smith, Dewey Massey, Worth Hinton and Wade Privette.

Surviving besides his wife and two children are four sisters: Mrs. W. P. Tompkins of Rochester, N. Y.; Mrs. Margaret Forbes of Rockingham; Mrs. H. N. Leary of Old Trap; and Mrs. May Vaughan of Durham; and three brothers: C. E. Ferebee of Raleigh; Alex O. Ferebee of Norfolk; and W. J. B. Ferebee of Moyock.

Wakelon School To Hold Homecoming Activities Friday

Wakelon School will hold its annual homecoming celebration Friday beginning at 6:45 p.m., Principal John J. Hicks has announced.

The evening's activities will begin with a mile-long parade through the main street of Zebulon. The parade will begin at the corner of Whitley Furniture Co. and proceed down Arendell Avenue to the school.

Various clubs of the school will sponsor floats for the parade. These floats will be the imagination and ingenuity of the students who are members of the club.

The marching band will lead the parade and the lovely majorettes will be high-stepping it along the way.

At half-time the homecoming queen will be crowned. This queen will be picked from the following

girls who have been nominated: 9th grade, Vickie Tart and Betsy Long; 10th grade, Linda Smith and Jean Clark; 11th grade, Freddie Clark and Priscilla Bercik; 12th grade, Harriet Page and Janie Green.

The entire high school student body will cast secret ballots to decide who will reign over the homecoming day activities.

The football game between Wakelon and Spring Hope and half-time activities will be covered by Bill Quick and Ruth Chamblee for Radio Station WETC. A play-back of this recording may be heard Saturday over the local radio station at 2 o'clock.

A tea for the alumni will be held in the Home Economics department from 6 to 8 p.m.
