## W. A. Perrys Celebrate Their 60th Anniversary

"It takes a lot of cooperation," Mr. and Mrs. W. A. Perry said of their 60 years of marriage.

Walter Allen Perry and Nannie Lou Bunn Perry celebrated their 60th wedding anniversary December 23.

"And I've always let my husband be the boss," Mrs. Perry said.

"We have helped each other throughout our marriage," they said. "We have made it a partnership, the way it should be. It has been a happy arrangement. We have been happy. We have pulled together and worked together to make our home a happy home."

Mr. and Mrs. Perry were married in Mrs. Perry's parents' home in a simple wedding. They were married by John Harris, a Franklin County justice of the peace.

Mr. Bunn is the son of the late Marcus W. Perry and Rosa Horton Perry. He was the only child of his father's first marriage. He has nine half brothers and sisters. He was reared by his grandmother.

Mrs. Perry is the daughter of the late Langdon W. Bunn and Louisa Mason Hicks Bunn. She was one of two children. There was a brother. He is dead and she has no living relative other than her own immediate family.

Mr. Perry has operated a general country store near his home for the past 40 years or more. He says he would feel like he is lost without it. He at first started it for the convenience of his tenants and then it grew to be a neighborhood thing.

He is also a prominent farmer and is one of the biggest real estate holders in Wake County. While he was a young man, almost before voting age, he worked out his own farm and has since acquired his big land holding properties.

Mr. Perry, who is 81, is a genial and pleasant gentleman. His wife, 76, is a charming and very amiable.

## Town Swimming Pool To Be Fully Completed By March 1

**ZONING**

There will be a meeting in Rolesville High School auditorium Thursday, January 12, James Robert Fowler has announced, for the purpose of helping to stop the county-wide zoning that some persons of Wake County favor.

Fowler added that it is hoped that Sam Powell, zoning administrator, will be present at this meeting.

All interested persons are urged to be present at this very important meeting, Fowler said.

Dr. Ben Thomas told a meeting of patrons of Zebulon Swimming Pool Association, Inc., Monday night that an initial payment of \$15,000 must be paid the contractor on January 15.

Dr. Thomas, president of the Association, reported that construction work is going very well and according to schedule on the \$30,000 project. Only slight delays have been caused by inclement weather conditions.

Thomas Monk, vice president of the Association, revealed that construction should be completed about March 1.

Monk added that Miss Martha Temple, daughter of Mr. and Mrs. Wallace Temple, has requested that she be allowed to make the first dive into the new pool. Monk said Miss Temple will make this splash no matter what degree weather it is, "and it can be mighty cold in March."

Monk gave a report of the general funds at this meeting. Cash on hand (as of Monday) was \$7,124.33. Disbursements were to Hammond Pool & Engineering Co., \$1,000; C. V. Whitley (for purchase of pool property), \$3,150; A. W. Boyette, surveyor, \$35; Charles C. Stott, \$240; and Theo. Davis Sons, gift certificate, 67¢. Total funds collected were \$11,550. Total memberships were 124. Seventy-six persons have paid the full membership fees; three, partial payments, and 45 are still unpaid.

The following persons have purchased the \$150 membership to the pool association.
