

Ruritans Make Plans To Landscape Hospital

Beginning its second year as a civic organization in Zebulon, the Wakelon Ruritan Club decided Friday night at its February meeting to initiate a program that will lead to the landscaping of the Wendell-Zebulon unit of the Wake Memorial Hospital. The local branch is scheduled to open on March 26.

Decision centered on the group gaining permission of the Hospital Authority to set out shade trees on the property and grounds of the hospital and contacting the garden clubs of the two towns to discuss possible landscaping.

President C. V. Tart appointed a three-member committee of J. Rodney McNabb, T. E. Hales and Bill Quick to work with him in setting up a meeting with the garden clubs.

The Club also launched a membership drive with the goal of increasing substantially in the near future the present membership of twenty.

Also agreed on during the meet was the ordering of two Ruritan road-side signs to put at highway entrances into the town of Zebulon.

Among various activities of the club, major attention was focussed during the first year on sponsoring Cub Pack 525 in Zebulon and the supporting of a Little League team in the 1960 summer recreation program.

Fashion Show Is Scheduled For Friday Night At Lions Club

Zebulon's most complete and first professional fashion and style show will be held Friday night, February 17, at the Lions Club.

Mrs. Frank Kemp, director and

planner of the event, says every effort is being made to make it one of the finest and most complete shows anywhere, comparable to those held in larger cities.

The show is being held in connection with National Beauty Salon Week.

All models will have hair styles and make-up created especially for them by Mrs. Kemp and her staff, Mrs. James Debnam and Mrs. Marie Boykin.

Mrs. Kemp said there will be three main ideas: hair styling, hair coloring and make-up.

The slogan is "Blossom out with a New Hair Do for Spring."

Mrs. Kemp said all hair coloring products used on the models have been formulated to preserve the texture of the hair by adding protein-building blocks.

"To make hair coloring safe, sure and perfect, even after the first application," Mrs. Kemp said, one can actually see and feel the lovely, lively difference. That is why some of the most attractive women in the world use color on their hair."

Intelligent and progressive make-up tips for teenagers will be given at the show.

"The beautifully made up face," Mrs. Kemp continued, "is never cheap looking or over painted. Only amateur smearing creates that effect. Creating the illusion of beauty and glamour is the main purpose. It is our desire that from this fashion show those of you who attend will capture the art of make-up. Beauty not seen is beauty lost. It is our desire, too, to keep women lovely in new and wondrous ways through the modern sorcery of our beauty discoveries."

Hair styles some of the models will be wearing will be Little Girl Look, Honey Hug, Small Head Look, Chiffon Bang, Intrigue, Tango and Falcon.

Tiny tots modeling will be Elisa Lowery, Norma Helen Screws, Michele Thomas, Sherrie Davis, Linda Gay and Clara Gay. They will model sports clothes and dressy outfits.

St. Eugene's Begin Lenten Devotions Ash Wednesday

Special Lenten services at St. Eugene's Catholic Church began with distribution of blessed ashes before Ash Wednesday Mass at 7:30, February 15. According to last Sunday's announcements by Pastor Robert L. Wilken, the solemn marking with ashes on Ash Wednesday is meant to remind Christians that all men must die.

"Easter," he said, "stands as a yearly reminder of man's final rising to eternal union with Christ. Lent signifies man's trek through life to eternal life in heaven."

According to the Catholic rites of Ash Wednesday, the priest traces a cross on the forehead of adults and children, saying the words: "Remember, man, thou art dust; and unto dust thou shalt return." Ashes are made from the palms given out on Palm Sunday last year.

Throughout Lent the main

theme is penance for sin. St. Eugene's parishioners meditate each Friday night during the evening service on the Passion and Death of Christ. This devotion is called the "Way of the Cross."

Every Christian, according to Catholic teaching, must renew and relive the sufferings of Christ in some small way in themselves. That is why all adult Catholics are expected to fast and to give up 'extras' such as sweets, smoking, drinking, and other pleasures during the forty days of Lent.

Lenten devotions at St. Eugene's in Wendell include Wednesday evening Mass at 7:30, followed by an hour's discussion in the rectory on basic doctrines of the Christian Faith. Way of the Cross devotions are held Fridays at 7:30 p.m. Morning Mass is at 7:00. Everyone is welcome.

13 More Memberships Are Added To Pool Association

Thirteen more memberships have been sold in the Zebulon Swimming Pool Association, Inc. This brings the total membership in the Association to approximately 152.

The additional members are Billy Green, W. W. Griswold, Sidney Eddins, E. H. Mangum, Harold Bunn, Charles F. Corbett, Coy Pate, J. D. Tippet, J. W. Perry, Jr., Raymond L. Averette, Dabney Gill, Sam Davis and Billy Weathers.

Vice President Tom Monk urges interested persons to buy a membership before March 1 because after then the price of memberships will be increased. The present membership fee is \$150.

The pool will definitely be completed by March 1, Monk said. Col. Gorden Hammond, pool contractor, has reported that progress is well ahead of schedule and the construction may be completed before March 1.

The pool being constructed here is one of the finest and most modern in North Carolina. It is being used as a model and cities and towns in the state are sending representatives to observe its construction and lay-out, Monk said.

The "kiddie pool" is presently being completed. It will have all facilities for the tiny folk and every facility is being used for their protection.

Memberships have been purchased for Zebulon Baptist and Methodist churches. This means that the pastors and their families of the churches are entitled to use of the pool, and not the entire congregation as many people think and have called the Association president and vice president about.

Association leaders invite the public to visit the pool which is located on North Street, behind the community park.

Druggist George Morgan Heads Heart Fund Drive In Zebulon

Governor Terry Sanford has designated February "Heart Fund Month in North Carolina," according to George Morgan, Heart Fund chairman for Zebulon.

In a statement issued from the Governor's office, Gov. Sanford referred to the fact that heart disease annually causes more than half of all deaths in the state, and that "the cost in suffering to families and economic loss to the state is incalculable."

Because the American and North Carolina Heart Associations support heart research, including projects at North Carolina medical institutions; professional and public education; and community service programs "which have

contributed significantly to the accelerated progress of the fight against heart disease," the Governor urged that "all our citizens give this campaign their enthusiastic support and cooperation."

The Heart Fund drive takes place throughout February, Morgan pointed out, and culminates in a door-to-door solicitation on Heart Sunday, February 26, during the hours of 12 to 4 o'clock. All businesses will be solicited Monday and Tuesday of next week.

Morgan named some of his solicitors. They are Joe Vinson, Bill Bowling, H. V. Andrews, Amos Estes, George Massey, Jr., and C. V. Tart.
