The Appeal is being made to the ten million Methodists in America to aid in the training of African natives in medicine, teaching and religion. A goal of \$2,500,000. has been set in this Churchwide appeal, the first major appeal since the Hungarian Revolt of 1957.

On Sunday morning, the congregation heard a special message by Walter Cronkite and Bishop Newell Booth, head of the mission work in Africa. The recorded message also featured a special appeal from one of the native ministers.

A rush of power—
in the hush of luxury

Just toe the pedal and off you go. Instantly. Without strain. Swift as a bird. And as the miles fly by, suddenly you sense the luxurious silence of Buick's great new Wildcat V-8. Realize it whispers as softly at expressway speed as it does at 30. Because it's been streamlined—inside and out—to give you more go (but on less gas!). And it's teamed up with a new, trigger-quick Turbine Drive (at no extra cost!) that's smoother and quieter than ever.

But Buick pampers you in other ways, too. With lavish room for heads, shoulders and legs. Wider doors and flatter floors. Deeper, softer seats. Body by Fisher. The elegant Clean Look of Action. Sound like *your* type? See your Buick Dealer today.
