

## Kindergarten Club Takes Train Ride

Wednesday, April 19, was a happy day for boys and girls in Mrs. Howard Bunn's kindergarten. The happy occasion was the celebration of Norma Helen Screws' sixth birthday.

Mr. and Mrs. Norman Screws, Norma Helen's parents, had a birthday party for her in the kindergarten at two o'clock. Birthday cake, centered with a doll iced in lavender dress, and punch were served to the children.

Following the refreshments, Mr. and Mrs. Screws and Mr. and Mrs. Bunn carried the children to Wake Forest to get on the train for Raleigh. This was the first train ride for most of the children. Each child was given a ticket by Mr. and Mrs. Screws, which was presented to the conductor. Each child, too, was given a Junior Railroad Certificate.

The excited children were

thrilled from the time they got on the train until the conductor called out the next stop would be Raleigh. The group was met in Raleigh by Mr. Screws and Mrs. Ainos Estes.

The New York Philharmonic Orchestra, which was to give a concert in Raleigh on Wednesday evening was also on the train. One of the players autographed Norma Helen's Railroad Certificate.

After refreshments in Raleigh and a brief visit through the railroad station, a tired but happy group journeyed home.

Children on the trip were: Norma Helen, Michele Thomas, Pamela Hicks, Jane Tippett, Sherrie Blackley, Amelia Bryant, John Davis, Charles Estes, Freddie Wayne Pace, Catherine Sawyer, George Riggsby Massey III, and Melissa Beck.

The group was accompanied on the train by Mrs. Screws and Mrs. Bunn.

Norma Helen was interviewed by Mrs. Ruth Chamblee Thursday morning. She told Mrs. Chamblee on the radio show of the train ride and birthday party. The interview was conducted with the station's beeper.
