Poppy Day To Be Observed May 27

The American Legion Auxiliary announced yesterday that 1961 Poppy Day will be observed here Saturday, May 27.

Auxiliary poppy chairman, Mrs. Wilma Lanier, said the annual observance is held to honor the more than 500,000 Americans who died, and nearly 1,000,000 Americans who were wounded in both World Wars and the Korean conflict.

"Memorial poppies, made by disabled veterans of this country's past three wars, will be worn as a memorial to our war dead and as a tribute to the disabled," Mrs. Lanier said.

She added that the red paper poppies supplied in this area were made at the Veteran's Hospital in Durham.

The American Legion Auxiliary said Poppy Day has one basic purpose: to provide a personal means of honoring the nation's war dead. Volunteer workers from the Auxiliary and other groups have donated their time to hold this annual program.
