

### MCOR Campaign Success; 19 Youths Participated

On November 1, 19 MYF'ers of Zebulon Methodist Church launched their annual "Treat or Treat" campaign for the Methodist Committee for Overseas Relief. Their efforts produced \$61.01, which goes for food to feed the hungry, medicine, orphan care, and to build churches for Christ.

If you gave 50¢, it will buy milk for a family of four for one month. If you gave \$1, it will feed a child for 30 days. With the money the MYF collected, it will provide separately 30,505 glasses of milk; it will prevent 488 people from becoming sick with malaria; it will provide vaccine to protect 6,100 people from tuberculosis; it will provide penicillin to cure 1,220 people from the dread disease yaws.

This campaign, as you can see, ended in good results. However, it would never have been possible without the excellent response of the townspeople in contributing to this Overseas Relief Fund. For those who were not called on, your prayers can help just as much as the money which will be sent.

### Daniel Not Leaving

David Daniel, pastor of Zebulon Baptist Church, will not be leaving the church for military duty as was rumored this week.

The Rev. Mr. Daniel said he received a notice from his draft board that he would be called in a few days. The board had not received any notification that he had finished his seminary training and thus put the young preacher on the active induction list.

Daniel said he sent the board a photostatic copy of the required information and told the board he was not available.

So, Zebulon Baptist Church's popular young minister who was hired this past summer will not be leaving his congregation.

### Golf Tournament Held Recently At Lakeside Country Club

Lakeside Country Club members and guests recently held a club tournament at the Wendell course. Fifty-six players participated in a Scotch Foursome. In this, names are drawn from a hat to determine partners. One lady and one man play against another lady and man golf. Each twosome uses only one golf ball—the man and his lady partner alternating strokes. Prizes are given and the following were recipients:

Low Gross: Donald Wayne Thomas, Ermah Richardson  
Second Low Gross: L. C. Simpson, Susan Birch and Leo Britt, Jackie Ammons

Low Net: Six-way tie: Tom Bunn and Martha Hicks, Robert Dean and Candace Tongue, Bill Roberts and Helen Beck, Donald W. Thomas and Ermah Richardson, Leo Britt and Jackie Ammons, Carl Hull and Hilda Hedrick

On Sunday evening, after all players had finished, refreshments were served in the clubhouse by the Entertainment Committee. Mary Charlotte Roberts, assisted by Frances Tucker, of Zebulon, displayed a delightful table of cheese dip, potato chips, pickles, peanuts, olives and cakes. The Halloween theme was used with a large pumpkin sitting on a lazy susan, around which the tidbits were arranged.

The weather was ideal for golf-

ing and the scenery of gold and scarlet trees surrounding the course was well worth the trip around the course, even for the losers. The next club tournament will be a flag tournament for men only. It will be held Thanksgiving Day. All members are urged to sign up early.
