THE ZEBULON RECORD

VOLUME 36, NUMBER 43, ZEBULON, N. C., NOVEMBER 30, 1961

Children's Pictures Taken Free Thursday, Dec. 14

It is an undisputed fact that the responsibilities of tomorrow's world, our Nation, and Community will rest upon the shoulders of the children of today. Since this is true, the publishers of this newspaper would like to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures . . . they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work, will be here Thursday, Dec. 14. Pictures will be taken at Woman's Club building and will be open from 11 a.m. to 6 p.m.

No Charge to Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may

obtain a limited number by arrangement with the Studio representative when they select the pose they want printed in the paper. It is entirely up to them.

The More Pictures, the Better

The Record simply wants pictures of all the youngsters and the

Postmaster Urges You Mail Early

Please mail your Christmas cards and packages early, Postmaster Ruby Dawson urges.

Unsealed greeting cards without writing, other than your name, may be mailed for 3¢, but they cannot be forwarded or returned to you if undelivered as addressed. Those bearing the letter rate of postage, 4¢, can be forwarded or returned if undeliverable, provided they bear your return address.

All sealed cards and those containing writing must bear the letter rate of postage. Postmaster Dawson said. Certified mail service provides a record of delivery at the office of address, and, for an additional fee, a receipt to the sender. Added protection for valuable and important mail may be obtained by having it registered.

Buy stamps in advance and place them on your cards and letters before putting them in the box for collection, the postmaster further urges. Postal Regulations require that rural patrons put stamps on all greeting cards and letter mail during the month of December. Your carrier has a supply of stamps and you may buy them from him.

You can further assist by separating stamps from letters.

Five months ago, July 12, Barbee-Massey Enterprises obtained its wholesale and broker licenses from the State and opened its offices and warehouse for business. In this short time Zebulon's youngest wholesale concern has become deep-rooted in the business world.

Barbee-Massey Enterprises was founded and is owned by two local men, Dewey W. Massey and G. Sprite Barbee, and has the exclusive broker-wholesale franchise for Merlite light bulbs. Other products in stock include household and commercial fire extinguishers, fire alarms, and burglar alarms.

The office and warehouse are located at 255 West Barbee Street. The staff now includes a secretary, Mrs. Rose Ogden, and four salesmen. More salesmen are being recruited and trained.

Some 300 retail stores and two wholesalers are stocking Merlite bulbs, and new outlets are being established at the rate of 20 per week.

Such phenomenal success did not come easily. It was over a year ago that Massey first began negotiating with Merlite Industries to obtain a franchise. After thorough investigation by both parties, a sales quota was set to be met within one month for the exclusive franchise to be granted.

Massey contacted Barbee to form the present partnership. With borrowed money they purchased the required merchandise and in two weeks exceeded the set quota. Both men are quick to admit that their friends caused this sudden success because the quota was met by contacting retail stores in East Wake County only.

The Merlite bulb is made by one of America's independent manufacturers of quality bulbs.

Before establishing Barbee-Massey Enterprises, Massey was Service Agent for the Farm Bureau and Barbee was Sanitation Consultant and staff writer for Institutions, Inc., Chicago. Both men continue in these capacities as part of Barbee-Massey Enterprise.

anxious to see them again and make the acquaintances of new friends. He will also be giving away candies when he makes his arrival.

Santa and viewers of the parade will find the sparkle of Christmas in the air here. Decorations will adorn the town. Main street was gilded this week and the lights will be turned on prior to the parade Monday.

Witness Collapses On Stand While Being Cross-Examined

He gasped several times, slumped over in the witness stand, and fell to the floor of the courtroom, unconscious.

Eddie Richardson, 45-year-old Negro of Route 4, Zebulon, died Wednesday night at Wake Memorial Hospital after he suffered a cerebral hemorrhage while sitting on the witness stand in Zebulon Recorder's Court.

Richardson was admitted to the hospital around noon last Wednesday and hospital officials said the man died at 6:45 p.m. of a "massive cerebral hemorrhage."

Deputy Sheriff Steve Blackley said Richardson was appearing in court to testify for the defense in a case in which William Henry Hopkins was charged with drunken driving. Richardson had been on the witness stand only a few minutes, Blackley stated, when he had the seizure while Solicitor Ferd L. Davis was cross-examining him.

Richardson was rushed to Wendell-Zebulon Hospital and was then taken on to Wake Memorial.

Richardson operated a small store just outside of Zebulon.

Hopkins was convicted in the case and appealed the verdict.

Funeral services were held Sunday at 2 p.m. at Wakefield Baptist Church with Dr. C. E. Askew officiating. Burial followed in the High Cemetery.

SANTA COMING

Christmas Parade Monday

A Christmas parade will be held in Zebulon Monday beginning at 5:30 p.m., Aaron Lowery has announced.

Lowery said there will be a variety of beautiful professional floats, marching bands from surrounding schools, choirs singing carols, pets, horses, Scouts, clowns and as a climax to the parade, Santa Claus himself.

Mayor and Mrs. Ed Hales will lead the parade through the city. Formation of the parade will be on Church and Glenn Streets.

Homecoming queens and other class beauties from surrounding schools will grace convertibles with their charm and poise.

Three churches—Zebulon Baptist, Zebulon Methodist and Wakefield Baptist—will combine their choirs which will ride a float singing seasonal carols.

There will be a pet division. All children are invited to enter their pets in the parade. These pets include any animal from gentle ponies to cuddly woolly kittens.

There will be a horse division, with adults riding high-stepping horses. A number of citizens who own horses have indicated they would be very happy to participate in the horse show division.

Boy and Girl Scout leaders are requested to make arrangements with the parade management to have their troops participate in the festival.

High school bands from surrounding schools are expected to perform during the evening, Lowery said.

A number of professionally designed floats will be used in the parade. Plans are now being worked out for what and who will be riding these floats.

Lowery invites any civic organizations to participate in the parade if they desire.

Clowns will be sprinkling their humorous antics throughout and during the parade.

As a climax to the parade, Santa Claus will arrive. He with the ho-ho-ho laugh will be at the end of the parade, throwing his exuberant personality to the children and adults along the streets.

Santa will meet all his dear little friends he hasn't seen since last year at the Municipal Building. And reports are that he is very

Mrs. Joy Brown Anderson has been appointed postmaster of Eagle Rock. The appointment was made November 24, with C. W. Hubbard, postal inspector, performing the swearing-in ceremonies.

Mrs. Anderson succeeds C. T. Martin of Eagle Rock, who served the community as postmaster for 27 years.

The fourth class post office has been moved from the Martin store to the home of Mrs. Anderson.

Mrs. Anderson, 35, is the daughter of Mr. and Mrs. W. D. Brown of Route 1, Zebulon. She was married to Samuel Anderson of Eagle Rock November 22, 1947. They are the parents of three children, Belinda, 12; Angela, 9; and Garland, 5.

Surgeon Says He Is Not Leaving; Will Continue Here

"Our work here has been so gratifying that we will continue to make Zebulon our home," Dr. Lee Sedwitz said last week in answer to reports that he planned to move to Wake Forest.

The reports originated after Dr. and Mrs. Sedwitz were unable to locate a satisfactory house in this community and so took an option on a farm northwest of Wake Forest.

The option included a beautiful

100-year-old house and several acres of land.

"Had the place been near Zebulon, I would have bought it," Dr. Sedwitz said. He drove it several times, however, and decided the time and distance between Wake Forest and Zebulon made it impractical for him to reside there.

The Sedwitzes are seeking a home with sufficient real estate for their fine horses. Both Dr. and Mrs. Sedwitz are skilled riders.
