This brings the total number of florist establishments in the town and community to four. Mrs. Grace Gill owns Zebulon Florist and Miss Mary Vic Broughton owns Mary Vic's Florist.

## Wendell Baptists To Hold Family Night December 21

Plans are underway at the Wendell Baptist Church for the annual combination Family Night and Christmas Program, which will be held on Thursday night, December 21. Families are invited to bring their food baskets to the fellowship Hall at 6:15 p.m. so that the Kitchen Committee can place the food on the tables. From 6:15 to 6:30 p.m., families are to congregate in the church sanctuary for the singing of Christmas Carols. At 6:30, dinner will be served in the Fellowship Hall with the suggestion that each family go through the line and serve their plates together. Tables will be set up in the Fellowship Hall, the Beginner's Department and the Primary Department.

Sunday School Superintendent, Furney A. Todd, has announced the following committees for the Family Night and Christmas Program:

Overall Committee: Mrs. Joe High, Chairman, Miss Pat Richardson, Mrs. H. L. Brown, Mrs. W. H. Vinson, Jr., and Mrs. Russell Richardson.

Nurseries I, II, III, IV: Mrs. Warren Dean, Chairman, Mrs. E.

Plans are underway to modernize some of the town's street lighting.

At the December board meeting, Commissioners Elizabeth Ellett and Pat Farmer were appointed to confer with Carolina Power and Light Company officials about the project.

Town Manager Willie B. Hopkins said some of the streets in the residential areas have old outmoded street lights. He said plans are to enlarge the lighting fixtures and replace the old type lamps with new ones.

Hopkins said that this modernization of the street lights has been needed for a long time.

The board acted on a resolution to encourage property owners with vacant lots to have them cleaned and beautified.

Hopkins said there are lots in the town which are unkept and eye sores. These vacant lots are over-grown with weeds and are filled with debris and junk. Many of these places, he continued, have become junk heaps.

"It is embarrassing for out-of-town people to see how junk-ridden and unsightly some of the vacant lots are. And we urge that property owners of such lots see that they are cleaned up immediately. If not, the town will clean them and charge it to the property owner."

The board voted to adopt resolution 12-61-1, which authorizes the mayor to apply with the Home and Finance Agency of the United States government for aid in financing the construction of a sewer disposal plant in the out-fall lines and water filter plant and water main for the purpose of water treatment and distribution. In the very near future, the people of Zebulon will go to the polls and vote for a bond for the purpose of constructing the sewage disposal and water filter plants.

However, Hopkins said, the issuance of these bonds by the government will save the people of Zebulon between \$45,000 and \$50,000.
