

THE ZEBULON RECORD

VOLUME 36, NUMBER 56, ZEBULON, N. C., MARCH 8, 1962

FINAL WORD . . . Wakelon Bulldog's Coach Maurice Chapman is giving two of the team, Thurston Debnam and Tommy Wood, the final word before the game. The Bulldogs entered the State Class A basketball tournament Wednesday night. The Zebulon boys finished the season with a 14-6 record, their best in several years.

Wendell-Zebulon Area To Get Tee Shirt, Skivvy Factory

The Wendell-Zebulon area is to have a new industry, according to an announcement made here today by Philip R. Whitley, president of Wendell Industries, Inc., and Edward H. O'Hara, president, Norwich Mills, Inc., Norwich, New York.

Wendell Industries, Inc., will erect a plant of brick and steel construction containing 15,000 square feet, located on a 9.5 acre site on the eastern outskirts of Wendell on U. S. Highway No. 64. Rogers Construction Company, Smithfield, has been awarded the contract for construction.

Wendell Industries, Inc., local development corporation formed in 1952, owns another building in Wendell presently occupied by a firm manufacturing children's dresses.

The new plant, it was stated, will be purchased by Norwich Mills, Inc., following completion. The manufacturer will employ 50 people initially, Mr. O'Hara stated, with ultimate employment reaching 100.

Norwich Mills, with its home office and original plant in Norwich, New York, has plants also in Clayton. It is one of the nation's leading producers of men's tee shirts and allied lines. It markets its products under the trade name "Skivvies."

"I have known Mr. O'Hara and his fine firm since 1945, and we welcome them to the Wendell-Zebulon community," Whitley said.

Heart Fund Drive More Than \$800 Chairman Reported Tuesday

More than \$800 has been collected for the nation's number one health enemy, heart and blood vessel diseases.

Mrs. Andrew Jenkins, Heart Fund chairman of Little River Township for 1962, announced the figure this week.

This is approximately \$300 more than was collected last year. Last year's total was slightly more than \$500.

"I am very pleased," Mrs. Jenkins said. "I want to thank all who contributed their time and their money."

Heart and blood vessel diseases claimed more lives in Wake County last year than all other causes of death combined, Mrs. Jenkins said. The total number of deaths from all causes was 1,332. The heart diseases thus accounted for

Thumbs Ride

With Sheriff's Deputy

He waved his thumb in the air. The two cars passed him by. And then another. It passed, too.

He had to get back to Zebulon. He had to have another drink. But how could he when the car he was driving had hit a ditch and rolled over?

Down the country secondary road he saw another car coming in the distance. He poised himself, flaying the air with his thumb. Great, the car was slowing down.

"Zebulon," he shouted. "Goin' to Zebulon?"

The car stopped. He had a ride! Good! He fumbled with the door a second, and crawled in.

The gentleman was nice, fine. He wanted to know his name. He told him, Kenneth Edward Watson. And, Watson, wanted to know whom he was riding with. He learned. Wake Sheriff's Deputy S. J. Blackley.

Deputy Blackley brought Watson, colored and 19 years old, to Zebulon police department and questioned him. Watson was placed in jail on a charge of public drunkenness.

The local police department in the meantime had received a re-

port that the 1954 Chevrolet station wagon owned by Dalmon Whitley of Zebulon was missing from the back of his business establishment.

Police investigated Watson further and found that he had taken the station wagon. He had overturned it about three and one-half miles north of Zebulon on a secondary country road.

Whitley was not aware his vehicle had been stolen until it was pulled in. Police reported that several persons later told the department they had seen Watson tampering with the Whitley station wagon but did not suspect him of theft.

The incident occurred Saturday, February 17, according to the police.

Watson waived a hearing February 28 in Zebulon Recorder's Court and trial was held March 2 in Wake County Superior Court. Verdict was two years on the roads.

Judge Puts \$700 Fine On Local Man

Recorder's Court Judge I. D. Gill imposed an 18-month road sentence suspended on payment of a \$700 fine and court costs on George Sprite Barbee last Wednesday in Zebulon Recorder's Court.

Barbee, 46, was charged with driving a motor vehicle while his license is revoked and driving for the third time while under the influence of an intoxicating beverage or narcotic.

Barbee, driving a 1958 Bel Air Chevrolet, ran into the rear of a 1962 Nash Rambler. The Rambler was headed north on Arendell Avenue and stopped at the traffic light at Zebulon Drug Company. Damage was negligible, Police Chief Willie B. Hopkins, investigating officer, said.

Driver of the Rambler was unobtainable from police records.

The accident occurred around 10:45 a.m. on February 15.

Barbee was also told by the court to not drink any alcoholic beverages within three years.

The defendant is owner of a light bulb concern in Zebulon.

Negro Undercover ABC Agent Rogers Nabs 11

It took ABC Agent Willie Rogers three months undercover work before indictments were brought against 11 persons for the possession of alcoholic beverages for the purpose of sale.

Rogers, who is classed as one of the best undercover agents of Wake County, is a Negro. All arrests made were Negroes.

Rogers, who made the arrests Saturday, worked in different ways. He would gain the confidence of persons whom he suspected possessing liquor, ask where he might buy a drink, and other ways.

Chief of Police Willie B. Hopkins complimented Rogers on his work. Hopkins said he did an excellent job.

All persons are Zebulon residents.

The 11 had approximately 75 different charges brought against them. Charges were as small as two drinks to a gallon.

Warrants were drawn up against Katie Mae Pettiford, Nettie Sharp, Willie Farley, Junior Scott, Mary Katherine Hunt, Francis Birch, Ervin Jenkins, Vernel Flowers, James Ray Todd, Buck Montague (alias George Montague) and Willie Cotton.

Hearings will be given the Negroes March 28 in Zebulon Recorder's Court before Judge I. D. Gill.

Failure to Yield Causes Accident

Police charged Robert Morgan of Route 1, Zebulon, with failing to yield right of way when he was involved in an auto accident Saturday at 3:30 p.m.

Policeman L. A. Baker said Morgan, 50, pulled his 1950 Studebaker out in front of a 1960 Falcon driven by Miss Joyce Lynn Ferguson (Chapman).

Baker said the collision was almost head-on. The accident occurred near Phil-ette Motor Company on Highway 65. The policeman said Miss Chapman was coming from the Dairy Queen.

Damage to Miss Chapman's car was estimated at \$200 and to Morgan's car at \$150.

Miss Sue Hilliard, an occupant in Miss Chapman's car, received head and facial injuries, according to the policeman. She received first aid from a local physician. Her head crashed the windshield in the Chapman auto, the policeman said.

Morgan's wife was traveling with him but was uninjured.

Scout Uniforms Needed By Pack

Out-grown Cub Scout uniforms take up lots of closet room in many Zebulon homes, yet they could be put to good use by many of the Cubs in Zebulon's two packs, according to Cubmaster Andy Jenkins.

Parents of former Cub Scouts are urged to check for usable Cub uniforms—which usually are out-grown before they are worn out.

Those willing to contribute used uniforms for use by deserving Cubs can turn them over to Rolan Gordon, Scoutmaster of Troop 540, or Charles Hawkins, Pack 525 Committeeman.

Parents who prefer selling uniforms may contact the Cubmasters giving the uniform size and price.

Pre-School Clinic Tues., March 13

Wakelon School pre-school clinic will be held Tuesday, March 13, at 9 a.m., Principal C. V. Tart has announced.

All parents who are planning to use the facilities of the school clinic for physical examination and immunizations are urged to have their children present at this time.

The clinic will be held in the gymnasium.

Brazilian Lass Charms Rotary With Appearance Last Week

A sparkling South American coed from Elon College spoke and sang of her native Brazil for members of the Zebulon Rotary Club last Friday evening. Miss Anna Elizabeth Fulda charmed the Rotarians with her glowing description of her life in Brazil and her impressions of North Carolina and the United States.

The attractive student is studying under a scholarship sponsored by Rotary District 771 Student Exchange Fund. Zebulon Rotarians make voluntary annual contributions to the Fund, which provides two annual scholarships for selected foreign students to study in North Carolina.

Telling of her home city, Miss Fulda said, "Rio de Janeiro is one of the most beautiful cities in the world."

Her father, a German native, (Continued on page 4)
