Much Action Taken At July Meeting

Willie B. Hopkins need not fear about his job with the town. The mayor and town board has engaged his myriad services for another year. Hopkins, who holds titles such as town clerk, water commissioner, fire chief, chief of police, town manager, etc., etc., etc., etc., etc., etc., etc., etc., etc., asked the board to release him for Sunday duties except in the case of emergencies. He was granted this release. Hopkins has been with the town for more than 20 years.

Commissioners

The hoary old 1953 police car sits like an old woman, weary with age and a lot of miles. It has racked up 54,541 miles of patrol work for the town. And now it waits to change hands. It is up for auction to the highest bidder. Sad, dejected, but happy to have served the citizens, it waits like a hoary old woman who has done her do.

The mayor and town board think that the word Zebulon is too small on the city license plates. Next year they want Zebulon bigger, bigger, bigger. Big enough to be seen at a great distance. They also want to retain the motto, "The Town of Friendly People." However, if it is impossible to put the motto on the plates with the big, big, big Zebulon, they consented to omit the motto and increase the size of the town's name to Zebulon, ZEBULON, ZEBULON.

In addition to the necessary 10% of the construction costs, Mr. Ceruzzi cited the need of at least \$7,000 in operating capital to get the nursing home in operation.

The Zebulon Rotary Club has begun work toward acquiring a nursing home here as a community service project.

A site near the Wendell-Zebulon Hospital is desired, so that the xray and laboratory facilities of the hospital will be available and convenient to the residents of the nursing home.

An estimate was made of \$32,000 to build the nursing home and get it in operation.

Prior to the program, Rotarian Ed Hales was recognized for having danced with Miss Zebulon without noticeable damage to the beauty queen; and Rotarian Lee Sedwitz was applauded for his outstanding work as surgeon at the Wendell-Zebulon Hospital.

This week's program will include a talk on zoning with members of the Zebulon Board of Commissioners as guests of the club.

Balcony Battle In Movie House

A fist fight broke out in the balcony of Wakelon Theater Sunday night about 8:30, according to Night Policeman Wendell Perry.

Two Negroes engaged in an affray which led to the distruction on one's Sunday shirt.

Police said an argument ensued between the two youths-14 and 17. The argument allegedly started over pop corn throwing, and ended with a battle of the fists.

The two declined to tell police very much about the incident.

George High will be tried in Wake Juvenile Court; James Edward Yarborough has been charged with engaging in an affray in a public place. He will be tried in Zebulon Recorder's Court.
