

Oxford Orphanage Tops Bulldogs, 21-13

By Bill Quick

After holding the superior hand for two quarters and a 7-0 lead, the Wakelon Bulldogs fell victim to the Red Devils of the Oxford Orphanage in an explosive second half last Friday night. The final score was 21-13.

Two Orphanage touchdowns were called back during the first half, due to penalties, but the first half of play saw Wakelon take an advantage that sent the Bulldogs to the dressing room at halftime with a one TD lead. That touchdown came near the beginning of the second quarter on a 19-yard pass play from QB Tommy Wood to Floyd Farrington. HB Bobby Dean ran the extra point for the Wakelon advantage.

The first quarter opened with Wakelon kicking to the Red Devils.

After gaining only five yards, the Orphanage punted and a fifteen yard penalty on third down, put Wakelon in a hole and Wood was forced to punt out. On the next series of downs, little Jimmy Rivers, 124-lb. senior halfback scored on a 35-yard jaunt but an off-sides penalty nullified the score. A touchback gave Wakelon the ball on the 20-yard line. Ellington picked up four yards, Creech scampered for 16 and a firstdown. Dean failed to gain and Ellington picked up nine yards, Creech ran over right guard for 6 yards and another FD and as the quarter ended the clash was deadlocked 0-0. Wook kicked 41 yards to the Orphanage 1-yard line and on the next series of downs the Red Devils booted out to their own 34 yard line. From that point, the drive for the first Wakelon TD began and four plays later, Wood hit Farrington for the 6-pointer.

Second Half a Different Story
Wakelon was outclassed in the third quarter as the Orphanage drove for two quick touchdowns with fullback Perry Williams providing the extra points. Jimmy Rivers ran for the first Orphanage score and QB Eddie Strickland covered 70-yards on the runback of a Wakelon punt for the second TD. The third period ended with the Granville County team in the lead 14-7. Each team added another TD in the fourth stanza with the Wakelon touchdown on a pass from QB Wood to Thurston Debnam in the dying seconds of the contest. The PAT attempt was no good and the final score was 21-13. The win was the Orphanage's third of the year. It was Wakelon's first defeat.

Friday night the Bulldogs tackle Bethel Hill in Person County near Roxboro.

Local Lions Need Club Eyes; Many Willing To Eye Bank

Many of the Zebulon Lions have willed their eyes after death so that the blind may see, according to Frank Kemp.

Governor Terry Sanford has declared the week of October 1-7 as

National Eye-Bank Week.

The eyes of persons who have willed them to the Eye Bank for Restoring Sight, Inc., are removed after death. They must be taken within one to four hours and used within 24 to 48 hours.

Kemp said the eyes of either a young or old person can be used if the tissue of the eye is clear. The removal of the eye does not cause any disfigurement, he said.

Eyes are never bought or sold by the Eye Bank, and there is no charge for the Eye Bank's services. Kemp said that it is estimated that one out of every 25 blind cases could be helped by the corneal transplant.

Kemp said any person from Zebulon or the surrounding communities who wishes to donate their eyes is asked to contact a member of the local Lions organization.

Doctor's Wife Heading Girl Scout Fund Drive Soon

Girl scouting in Zebulon is in a rather drab way. The town supports only one troop, that of the Brownies. This troop of approximately a dozen girls is under the direction of Mrs. Preston Smith.

A plan is being formed to reactivate the troops here and to create more public enthusiasm, according to Mrs. George Tucker. Mrs. Tucker has been named chairman of the Girl Scout drive here.

The two-week drive will be held from October 15 through October 27, Mrs. Tucker has said. There will be a house-to-house

campaign. A concentrated drive will be held and a tentative date has been set but the chairman could not reveal it.

Mrs. Tucker said plans are being made for the reactivation of the Intermediate Girl Scout troop. She voiced that one is badly needed.

"I am very much interested in the Girl Scouts," Mrs. Tucker said. "I was a Girl Scout myself and know the value of it. I think it is a wonderful organization."

Mrs. Haywood Jones and Mrs. Frank Wall have been named co-chairmen of the drive.

THE ZEBULON RECORD

VOLUME 37, NUMBER 35, ZEBULON, N. C., OCTOBER 4, 1962

School Bond Is Defeated Here; Approved In County Vote

Precinct	Yes	No
Little River-Zebulon	134	353
Little River-Mitchells Mill	13	73
Marks Creek-Eagle Rock	46	37
Marks Creek-Wendell	274	149

Wake County voted in favor of the issue, but, as had been predicted, the \$11.5 million school bond issue went down to defeat in Little River (Zebulon) precinct Tuesday.

Citizens voted heavily against the issue. Zebulon precinct vote was the heaviest against of four precincts with 353 votes against and 134 for. Only the Wendell precincts approved the bond issue in East Wake County.

The large Zebulon vote against the issue was due in part to some strong opposition to high school consolidation.

\$896,000 of these bond monies has been allocated for the construction of a consolidated high school to serve the communities of Zebulon, Wendell, Knightdale and Rolesville.

The Wake County Board of Education recently selected the site of the proposed consolidated, anticipating the passage of the bond issue. The school will be located approximately seven miles west of Zebulon on property to be purchased from Booster Fowler for an undisclosed price.

Voters in other precincts outside Raleigh turned the school issue down. Raleigh voters provided the margin of victory.

Wake County Schools Superintendent Fred Smith was reportedly disappointed that the county citizens didn't approve the issue, but he was pleased with the final results.

Retiring School Board Chairman C. V. Whitley was happy that the overall vote was successful.
