## Parade is December 5; Only Ten Attend Monday Meeting

December 5 has been set as the date for the Christmas parade here.

The date for the looked-forward-to event was set at a meeting Monday night of interested citizens. The interested citizens numbered ten.

Aaron Lowery, secretary of the Zebulon Chamber of Commerce, reported the following persons attended the meeting: Robert D. Massey, Chamber president; Ed Hales, mayor and representing Hales Farm Supply Co.; Pat Farmer, town commissioner and representing Farmer's Department Store; Claud Dunn, representing Dunn's Grocery; Frank Kannon, representing Frank Kannon's Department Store; Mrs. Will Upchurch, representing Martha's Children Shop; Mrs. Rochelle Long, representing Center Flower

Shop; Bobby Pace and Elmo Finch.

A float official was at the meeting and told the group that floats may be rented at a reduced rate this year. The representative will forward more float information material to Lowery.

Lowery said those persons present Monday night were very interested in having a parade. However, he said the parade is up to the merchants themselves.

The Chamber secretary said for the parade a minimum number of ten floats is needed. This was the number in the parade last year, and this parade was declared the best ever held in Zebulon.

Lowery urges the merchants to cooperate with parade officials. With such cooperation he feels that this year's parade can equal if not surpass last year's extravaganza.

The Craftsman Quartet of Wilson will provide special music during the afternoon at Hales Chapel Baptist Church homecoming Sunday, October 21. The quartet is composed of, left to right, Robert Craft, Jimmy Pittman, Kenneth Pittman, Royce Pittman, and pianist, Al Mozely.

## Wilson Quartet To Sing At Hales Homecoming

A former pastor of Hales Chapel Baptist Church will deliver the homecoming message Sunday, October 21. He is the Rev. H. C. Upchurch, now pastor of Duncan Baptist Church in Holly Springs.

After the morning worship hour a picnic dinner will be served on the grounds. The afternoon entertainment will be a song service

conducted by L. A. Hagwood. Special renditions will be by the Craftsman Quartet of Wilson. Other special music will be heard during the service.

All members, former members and former pastors are invited.

The church is without a pastor since the resignation of the Rev. Guy Helms.

The Town of Zebulon has a new superintendent of the Sanitation Department. He is Raleigh Glenn Moss.

Moss, who is now in his second week with the department, said if it is up to him Zebulon will be one of the cleanest towns in the State. "I aim to see that everything is clean," he said.

He admitted that the town's res-

idential areas are already in pretty good shape. It's the business district that worries him. The shopkeepers don't use enough consideration and sweep debris out onto the street.

"We'll correct that, too," he said.

Moss will be paid a salary of

\$260 a month, according to Town Manager Willie B. Hopkins. Approval of his hiring was by Mayor Ed Hales and the Town Council.

Moss is the son of the late J. W. and Martha Elizabeth Gresham Moss of Granville County. He was born in the Peace's Chapel Community near Oxford.

"I am the knee-baby of eight children," he said. "There are five boys and three girls."

This farm boy attended Oxford High School. He regretfully left school when he was in the ninth grade. Then he stayed on the farm for ten years, afterwards going with Sanders Motor Company in Raleigh where he spent 13 years as a mechanic.

After he left the Raleigh firm he again tended his farm on Route 4, Zebulon. Last year he took a job as head janitor with the Wendell School.

"I am sure I will like this job," Moss said. "I already do. I have always liked orderly and clean surroundings. This is just what I want."

Since Moss has taken over as superintendent he has acquired a home for the Sanitation Department equipment. He asked for and got the old water plant building on Vance Street. This he has turned into a place neat and clean for the department's equipment.

"We needed some place, and I am glad we got it," Moss said. "Our equipment needs to be in one place, not scattered over everywhere."

Soft spoken and possessing a pleasant manner, Moss is 5-10, weighs 180, has brown hair that is graying, and blue eyes.

His hobbies are hunting and fishing. He prefers fresh water angling and bird hunting. As soon as the quail season comes in he hopes to take off a couple days for some hunting. He has some excellent bird dogs.

Moss is married to the former Corilla Tippett, a native of the Peace's Chapel Community. They were married March 27, 1926, and are the parents of three sons, Herman of Wendell, Cooper who lives next door and Ned of Charlotte. There are also four grandchildren.

Moss, 57-years-old, came to the Zebulon community in 1940. He is a member of Zebulon Baptist Church and a Mason, belonging to Zebulon Lodge No. 609.

The interview ended with Moss emphatically declaring his aim to keep the town clean.

"I want the passerby who comes through our town to find it clean and inviting," he said proudly.

Moss supervises three men with the department.
