

## \$1500 Taken Here

A 22-year-old Route 2, Zebulon, man has been charged with robbing a Nash County man Wednesday night, November 21, of approximately \$1,500, according to police.

Robert Bruce Jones admitted robbing Philip H. Richardson of the money around midnight on a rural dirt road between Highway 64 and Highway Bypass near Wendell-Zebulon Hospital.

Jones was charged by police with robbing by force. He is being held in Wake County Jail in lieu of \$5,000 bond.

Jones was picked up Friday night by Wendell Police Chief Clifton Couick. The policeman stopped a car driven by George Benny Bunn. Jones was an occupant of the car and was apprehended at that time.

Nealy Wall, 22, has been charged with being an accessory to the robbing, police said. He has been released on \$2,000 bond. Wall was apprehended Friday night in Zebulon.

Richardson reported the robbery to Wendell and Zebulon police. Night Policeman Billy Gay was attracted to Richardson's car on Main Street in Wendell after hearing the horn screaming.

Gay reported that Richardson had a bad head injury and other cuts and bruises. He was brought to Wendell-Zebulon Hospital where he was given first aid treatment and released.

Zebulon Night Policeman Wendell Perry was called to the hospital by Gay to observe Richardson's condition. It was reported they found that Richardson showed signs of having been drinking.

Police, piecing together the story, said Richardson had stopped at Forks Drive in near Zebulon. He had sold tobacco that day and had purchased him a Ford pickup truck. It was here that Jones allegedly met Richardson, who it

was reported was flashing rolls of bills around.

After the robbery, Jones and Wall decided to skip the country. They gassed up at a Johnston County rural service station and ended up in the country of Mexico.

Police said Jones and Wall are reported to have gotten together at Paul Brantley's No. 2 service station.

Jones and Wall were employed by a Gary construction company, police learned.

The two men will be given a hearing at Zebulon Recorder's Court December 12.

## Woman Assaulted

Love does not always run smooth.

Such was the case Sunday when an argument ensued between a couple near Zebulon.

Elizabeth Carpenter, 42, swore a warrant out against her boy friend Monday charging him with assault. Arthur Junior Smith allegedly struck his girl friend over the head with a pop bottle.

Police set Smith's bond at \$50.

## Part Payment

A \$4,500 payment to the town's engineer has been authorized by the Town Board. This is a part payment for services rendered in connection with the future water and sewer plant.

John Edwards of Raleigh is the engineer. He has served the town in this capacity for several years.

## Hales Congregation Calls A Floridian To Head Church

The new pastor of Hales Chapel Baptist Church believes that the 20th century church has to re-define its code.

Claude Robert Lovell was called by the church on November 18.

Lovell, 25, is a native of Ocala, Florida. He is a graduate of Florida State University with a bachelor of science degree in education. He is now a second year student at Southeastern Seminary in Wake Forest.

The personable young minister comes from a Presbyterian family. He made his Baptist profession of faith while a student at FSU. During that time he was an advisor

with Billy Graham when he conducted a crusade in Florida.

For two summers he served as assistant to the pastor of the First Baptist Church in Mullins, S. C., and also was youth director.

It was while he was in Mullins he met his wife, the former Jewel Maye Barnhill. She, a Methodist at that time, was asked to solo in the Baptist church and the meeting led to romance and marriage last August.

The Rev. Mr. Lovell enjoys quail hunting and spear fishing, which he did in Florida.

The couple have moved into the community, residing on Route 1, Zebulon, three miles from town.

## Rescue Squad is Under Attack Local Jaycees Are Informed

Zebulon Jaycees learned last Wednesday night that the Wendell Rescue Squad has been under attack by some citizens of Wendell and Zebulon.

Criticism concerned efficiency of the Squad, and Rescue Squad members answered it at last week's Jaycee meeting.

It was brought out that each member of the rescue team has received professional first aid training and is continuing this training on a "graduate level."

The Squad through its own efforts obtained some \$4,000 worth of lifesaving equipment, ranging from the simplest first aid accessories to the delicate emergency breathing apparatus—resuscitator. The resuscitator is an emergency measure used to implement breathing on the youngest child or the most robust adult.

Members of the team have equipped their automobiles with radios which are hooked up to the Wendell police radio system. When an emergency call comes in the members rush immediately to the scene of the mishap with their elaborately furnished rescue truck to give first aid and to assist in such things as traffic congestion.

The Jaycees learned that each member of the Squad bought and paid for his radio system out of his own pocket.

The Jaycees were told of plans to construct a rescue building midway between Wendell and Zebulon. This building will be located in the vicinity of Tarpley's Mill, if enough support is received from the people of Zebulon.

The Squad has plans for purchasing a modern fully-equipped ambulance to serve the public. They want, too, to enlist men from the Zebulon area to serve with the Squad.

Some of the Jaycees were shocked to learn that the young men have not received full support—moral and otherwise—from local townspeople.

The Jaycees voiced their appreciation to the Squad for its work, and plans are afoot in the club to help the Squad with its future endeavors.

## Radio Ordered

The Town Board has voted to purchase a two-story radio from the State Highway Patrol. This radio will cost \$200, and will be installed in the town's newly acquired police car.

## Musical Team Entertains Senior and Junior Women

One of the most charming and talented couples anywhere entertained the members and guests of the Woman's Club annual Christmas party Tuesday night.

Mr. and Mrs. Charles Horton of Campbell College and the University of North Carolina presented a musical program of Yule music. The music, as Horton explained, ranged from the classical to the folk type.

Mrs. Horton, a pretty blonde woman with a lilting soprano voice, sang: "The Angels' Song," "The Virgin's Slumber Song," "Lovely Voices from the Sky," "Jesus, Jesus, Rest Your Head," "Go Tell It On A Mountain," "I Wonder As I Wander," and "Sweet Little Jesus Boy."

She was dressed in a becoming black knit with two rhinestone ornaments on the left shoulder. Her

husband accompanied her at the piano.

The couple were introduced by Mrs. Wallace Chamblee in the absence of Mrs. Luther Massey, program chairman for the evening.

Mrs. Armstrong Cannady, beautiful in a red wool suit, presided during the evening. She is president of the Senior Woman's Club.

Following the musical the hostess served hot spiced cranberry punch, date roll, ham biscuits and cheese straws.

A season motif was carried out in decorations. The refreshment table was centered with a glittered toothpick tree, the mantle was outlined with greenery amidst which a madonna stood, and a poinsettia graced the mantle.

The Rev. David Daniel gave the invocation after being introduced by Mrs. R. H. Herring.

## Rev. Bob Costner To Address Church

The Rev. Robert Costner, Secretary of Missions of the Raleigh Baptist Association, will speak Sunday at the 11 o'clock worship service at Zebulon Baptist Church.

The Rev. Mr. Costner, well-known in this area as a pastor and hard-working missionary, will tell the congregation about mission work in the Baptist denomination. His speech will close the church's special emphasis on Missions Week.

The Woman's Missionary Union, after having had special prayer services each day of this week for missions, will conclude the week with their special Lottie Moon Christmas offering, given in love for missionaries all over the world.

All members and friends of the church are invited to be present for these services.

## Choir Tours

The Senior Choir of Wakefield Baptist Church recently accompanied the Rev. John T. Parks, Jr., to Baltimore to participate on "Trustee Day" at Mount Lebanon Baptist Church.

A. A. Jones, a former resident of Zebulon, is chairman of the church's trustee board.

A number of friends also accompanied the group, which traveled by two Trailways busses.

## To Continue

The Town of Zebulon will keep its contract with the N. C. Department of Conservation and Development for long range planning. The Board voted to continue the contract at its December meeting.

The town is obligated to pay \$1,000, with the Federal Government paying \$2,000. This contract has been in effect for several years.

## WATER BILL

The price of water is on its way up. The upprice in water bills will be used to pay the cost of the future water and sewer plant.

But you've got almost a month more to enjoy the lower rate. The new rates will not go into effect until January 1.

The new minimum rate will be \$4.50 for the first 2,000 gallons. For the next 18,000 gallons, 60¢ per 1,000; 80,000, 40¢ per 1,000; and 100,000, 30¢ per 1,000.

The rate now in effect is \$2.50 flat for the first 2,000 gallons; 40¢ per 1,000 for the next 18,000; 30¢ per 1,000 for the next 80,000; and 25¢ per 1,000 for the next 100,000.

## SPEAKER

Dr. C. H. Rogers will address the Wakelon Adult Farmer Class in the agriculture department on December 10 at 3:15 p.m., C. V. Tart announced. All farmers and other interested persons are welcome.

Dr. Rogers, vice president of Coker's Pedigreed Seed Farm, Hartsville, S. C., will speak on tobacco varieties for 1963 and other phases of the tobacco program, according to the Wakelon teacher of agriculture.

## Telephone Equipment Building To Be Completed This Month

Southern Bell Telephone Company manager, R. U. Beck, said the new addition to Zebulon's telephone equipment building is scheduled to be completed December 14 and will relieve telephone needs here.

The addition, 863 square feet, was started November 6 by Flythe Construction Co. of Raleigh, and will cost \$46,500, including building, local and long distance equipment. Brick veneer is being used to continue the architecture of the existing structure, and when the

building is finished necessary landscaping will complete the project.

According to Beck, the contractor must take added precaution in additions such as this, which are not necessary with completely new buildings. Delicate contacts in the relays and switches as well as other components must be completely free of dust to give satisfactory service, and the contractor must use plastic sheets and other protective means to shield the equipment from dust when the old walls are torn down.
