Mrs. Vera B. Rhodes

Our Spring Revival will begin on the first day of April. H. A. Hodge, Jr., went to Greensboro Monday to a Gener-

al Board Meeting of the Baptist State Convention.

I had a letter from Cousin Gregory Brantley. He is spending the winter in San Agustin, Rio Piedras, P. R. He reports fine weather and good health in the hot country.

The Wakefield Club members have in a stove to heat the club house. We have two bed quilts at

present and more to go. Any one that has a little time to spare and can quilt, come on and help. Dolly Debnam and I quilted last night.

Mrs. Pink Williams lost her brother last weekend.

Ladies are quilting at the home of Mrs. C. B. Pace, for the church kitchen. We are trying to paint and finish that up.

Mrs. Vera Rhodes spent Friday

and Saturday in Raleigh with Mrs. L. J. Glover who has been ill.

Claud Farrington's father is very ill at his home in North Wilkesboro.

Our WMU met at the church Wednesday night with 10 present. Mrs. Harold Pippin gave the devotion and Mrs. Horace Hamm gave an interesting program with help from other members. Mrs. Annie Jones, President, presided over the meeting.

A special note of recognition goes to Rev. C. C. Wheeler for his ministry to the men at the Bunn Prison Camp. Rev. Wheeler has had the joy of winning many of those men to Christ. He has also made it possible for the Brotherhood of our church to share with him in this vital ministry. This mission was begun in 1950 by S. P. Scott. Friends that were interested donated money for a piano. Mr. Scott goes with Rev. Wheeler and plays for them.

H. A. Hodge, Jr., went after church Sunday to Pembroke to speak to a church group there. Tom Perry accompanied him.

The Philathea Class will meet next Tuesday night.

Our deacon of the week is Harold Bunn.

Mr. and Mrs. Rex Tippett and daughters and Mr. and Mrs. Carsey Tippett and son were dinner guests of Mr. and Mrs. Thurman Tippett last Saturday in honor of Rex Tippett for his first solo flight in aviation. The dinner was also a going away party for Carsey Tippett, who is leaving for Southern Rhodesia, Africa.

Card of Thanks

I wish to thank everybody for the cards, visits, food, gifts and flowers and especially the prayers and kindnesses while I was in the hospital in December and January and since I have been home. May God bless each one of you.

Mrs. Hugh Pippin

Telephone Talk

By R. U. Beck

Your Telephone Manager

"WASTE NOT! WANT NOT!" would be a good motto for Western Electric, the company that produces Bell System communications equipment. Like the housewife who whips up a delectable meal from yesterday's scraps, Western Electric salvages old or wornout equipment, reclaiming some of it and selling the rest to other businesses. The annual scrap heap produced by the Bell System would weigh about 400 million pounds! What does all this mean to you? Just this. The economy practiced by the Bell System and Western Electric eventually comes back to you in low cost telephone service!

A TOURIST SIGHT-SEEING ON AN INDIAN RESERVATION hoped to see some authentic smoke signaling . . . just like on TV. Spotting an Indian sitting before a campfire he said, "Tell me, what do you do when you send a message to someone on the next reservation?" "I use a telephone," said the Indian. "What do you do?"

LONG DISTANCE GIFT CERTIFICATES are the newest way to remember birthdays, anniversaries and other special occasions. For friends and loved ones out of town, no gift is more appropriate, more appreciated than the sound of familiar voices. Long Distance gift certificates may be bought from your telephone company and will be accepted for credit on long distance calls by any telephone company operating in the United States (except Alaska and Hawaii). Certificates are presented in attractive gift folders with space for a message from the giver.
