Daytona is no "private" test. It is "open" competition—500 miles that prove how well a car hangs together. At Daytona, Florida, on February 24, five brand-new 1963½ Fords showed what durability means by sweeping the first five places. And that has never been equaled in Daytona history!

The box score at the left tells the true story...Ford endurance that topped them all in the Daytona durability competition!

These were the same '63½ Super Torque Fords that made styling history at their preview at Monaco, and which were recently announced at your Ford Dealer's. They're yours now; get behind the wheel and find out for yourself what total performance means!

IF IT'S FORD-BUILT, IT'S BUILT FOR PERFORMANCE...TOTAL PERFORMANCE F.D.A.F.
