Four School Districts to Vote On East Wake Consolidation

Voters in the Rolesville, Knightdale, Wendell, and Wakelon areas will get their chance to ballot on the matter of consolidation of their schools, members of the Wake County delegation to the General Assembly said Tuesday.

Senator John Jordan and Representative Thomas D. Bunn expressed themselves as favoring bringing the issue to a vote, describing it as "the logical answer" to the consolidation problem.

Under the proposed vote, any school district voting against consolidation would be excluded from the consolidation.

The ballot on school consolidation was approved Monday by the Wake County Board of Education in a 3-1 vote after Ferd Davis, broad member from Zebulon, made a motion that the election be held. Mrs. John Q. Adams of Willow Springs seconded the motion, and Willis Satterwhite of Wake Forest voted in favor of the motion with Mrs. Adams and Davis after it was amended to provide that all four areas would take part in the election.

Henry Adams of Cary voted against the motion.

Davis had told Wake County voters during his campaign for the Board of Education last year that

he favored letting the people vote on major consolidation matters, making his statement on several occasions including the meeting of the Raleigh League of Women Voters.

Action of the Wake County Board of Education met with general approval here, with appreciation being expressed particularly to Mr. Satterwhite and Mrs. Adams for their part in allowing the electorate to manifest its wishes directly.

The law suit against the Board of Education filed last Friday to keep Wakelon School out of the proposed consolidation would presumably be settled by the election. The suit, asking for an injunction against the consolidation, named

Fred Smith and four members of the present board as defendants together with C. V. Whitley, former chairman.

The suit was filed Friday afternoon, and papers requiring Mr. Whitley to appear in Wake County Superior Court April 10 for an adverse examination were served on him Monday morning about 9:30. Davis was sworn in as a new member at 10:30 by J. Russell Nipper, Clerk of Superior Court.

Other business conducted at the meeting included election of Harry Stewart of Raleigh as board chairman, reelection of Fred Smith of Zebulon as county superintendent of schools, and reelection of Aaron Fussell and Tom Grimes as assistant county superintendents.

Shrine Club Organized Here on Monday Night

Zebulon's newest club was organized Monday night. This is the Zebulon Shrine Club.

At the Monday night meeting the club's charter was approved and the club came into existence. A charter night will be held Tues-

I. D. Gill, Dr. George Tucker and R. Vance Brown composed the committee who prepared the constitution and by-laws which were presented to the potentate for approval.

Illustrious Potentate Charles A. Harris and Nelson Banks, Recorder, were present for the organizational meeting.

Meetings will be held on the second Tuesday of each month.

Not Guilty Verdict Given On Charge of Loose Hogs

Russell Williams of Zebulon was found not guilty last Wednesday in Zebulon Recorder's Court of allowing livestock to run at large.

Leroy Pittman testified that hogs belonging to Williams had caused a great deal of damage to his lawn. He said a sow and five pigs he believed belonged to Williams "tore his (Pittman's) yard all to pieces."

Pittman said he contacted Williams several times and asked him to keep his hogs up. He said Williams told him "they couldn't be my (Williams') hogs for they were shut up."

On one occasion Pittman said he shut up some hogs which had damaged his property. He said he called Williams and Williams gave him three hogs to compensate for the damages.

Under cross examination by Williams' attorney Pittman said he

couldn't positively say if the swine were Williams'.

Sheriff's Deputy S. J. Blackley said he visited Pittman's home and saw evidence of rootings in the lawn. He said, however, he saw no hogs at Pittman's at the time he was there.

Williams did not testify.

It was brought out to the court that Williams' property adjoins Pittman's. Williams resides in Wakefield, three miles from the site in question.

Williams' attorney, Alphonso Lloyd of Raleigh, moved for a non-suit. Judge I. D. Gill, however, dismissed such action and found the defendant not guilty.
